The IBD Healing Plan and Recipe Book Christie A.

Korth,2012-04-10 Nearly 14 million Americans suffer from inflammatory bowel disease and this number climbs every year. Christie Korth, a nutrition expert, helps those with Crohn's and ulcerative colitis understand their food intolerances and lays out a holistic approach to dealing with their IBD that can help them lead healthy and pain-free lives. Korth also helps the reader explore the possibility of emotional involvement in the disease onset, making this the first book to address both the nutritional and the emotional factors of the disease. Korth herself suffered IBD and writes with insight, supplementing the nutritional and lifestyle information in the book with her own account of achieving wellness. She also includes stories of IBD relief told by those who have worked with her. The compassionate tone, understanding, and humor in this book offer emotional support for the reader, which is a key component for his or her recovery. Much of the focus of the book is on nutrition, and Korth introduces and explains menu planning, food choices, the concept of heating and cooling foods, common Crohn's disease drug side effects, and how to counteract them nutritionally, acid-alkaline imbalance, and the major food intolerance. The nutritional information is enhanced by a thorough discussion of beneficial vitamins, herbs, natural chemicals that readers can take to supplement their diets. Korth shares tips on what to buy and how to take certain supplements, giving readers a complete idea of the nutritional options available to them. In addition to the groundbreaking information on digestive wellness, this book contains 100 recipes suitable for those with IBD. All recipes for everything from beverages to vegetables, from salad to dessert, are free of the top eight common allergens. There are recipes that are supportive to those having a flare-up and lists of foods you should eat and foods you should avoid. The book is also complete with shopping substitution cards for those who have food intolerance. Along with the abundance of recipes, Korth includes daily ideas for lunches on the go so busy readers can eat convenient, healthy meals. The book also includes sample menus, exercises, worksheets, and personal habit quizzes that can help readers reflect on their own habits and explore the benefits of committing to digestive health. Illustrations, photos, and charts enhance the book's message, and a directory of helpful websites directs readers to further information. The *IBD Healing Plan and Recipe Book* gives readers the knowledge they need to manage their pain and offers companionate emotional support during the process. The book does not advocate a one-size-fits-all solution, nor does it leave readers reliant on prescription drugs or surgery. Its recipe and diet advice allows readers to achieve digestive health. Though Korth is not claiming to cure IBD, she believes that with appropriate intervention, there is great hope for someone to live symptom-free using natural methods.

Worry-Free Living Arnie Cole, Michael Ross, 2014-05-13 *Winning Your Family's Battle Over Worry* *Worry-Free Living* explores every family's daily battles with stress from three perspectives: how it affects our mind, body, and spirit, and gives readers easy-to-follow plans for finding relief. The authors help parents identify what's bugging their families and how to clarify their worries, sorting them into those they can and cannot do something about. What's more, Cole and Ross have filled various chapters with the latest Bible research findings from Pamela Ovwigho, PhD, a leading researcher with the Center for Bible Engagement. They also include some of the best insights, advice, and

treatment options from a variety of medical professionals Most importantly they explain everything within the understanding of a Master Creator God who is the ultimate Counselor and Healer Ideal for individual use and group study this resource helps readers

- 1 Uncover the most common worries and stress points of men women kids and twenty somethings in our care
- 2 Become self aware evaluating the stress in our households and plotting realistic steps toward change
- 3 Reach out to those we love from worried spouses and in laws to teens and young children
- 4 Understand the difference between the mind what we think and the brain the physical processes of chemical reactions and how they contribute to worry
- 5 Learn to de stress our thinking and calm down our bodies
- 6 Give up unhealthy religiosity such as the false belief that worrying is a sign that we lack faith
- 7 Reject the myth that we are in control and learn to take Jesus at His word Come to me all you who are weary and burdened and I will give you rest Matthew 11:28

In the words of Dr Archibald Hart one of the experts interviewed in this book You must come down from the hills of stress and into the valleys of rest on a daily basis Our bodies are not designed for a continual state of fear worry and anxiety but instead for continual tranquility with short bursts of adrenaline Worry Free Living shows moms dads caregivers and ministers alike how to break the cycle of unnecessary suffering and find peace in Christ

Stress-o-Paedia Chitra Jha, 2015-03-15 Are you constantly being urged to become better smarter fitter richer more beautiful or more powerful than others around you v Is living in this increasingly competitive world causing you stress Are you always busy and have no time for what you really want to do Is the mis alignment of your decisions with your heart s desires making you feel stressed Are you in that space where your emotional needs are not being met with and you do not feel nurtured by your relationships Is stress making you implode with health problems or explode in a fit of temper Do you unconsciously look for quick fix solutions through eating shopping sleeping gambling smoking drinking or procrastinating Are you looking to transcend your stressed space and find freedom If you want answer for all these stress related questions then this is THE book for you Whatever be the cause of your stress and however challenging may be the problem situation or issue you are currently facing in your life it has only one purpose for being in your experience and that purpose is your growth and evolution Chitra Jha teaches you how to find and celebrate that purpose by offering compassion to yourself and to your stressors Through Stress o paedia A detailed guide for a stress free life Chitra Jha helps you find your wings of freedom and lead you in your unique journey of becoming stress free
