inviting them to join us at church we are presenting them with something that we believe they need that will make all the difference in their life Yet if we don t understand what we are presenting who we are presenting it to if we don t believe in the message we are offering or if we don t believe that people need that message more than anything else then we will not be faithful witnesses to it In short says Hamilton if we don t understand some of the most basic principles that all successful salespersons know then we will not succeed in presenting the message of Christ to those who most need to hear it By telling the humorous and quirky story of Bob trying to sell swimsuits in the Arctic Hamilton elucidates the fundamental concepts of sales that also apply in how we spread the gospel message Drawing on his experience as the leader of one of the country s fastest growing churches he offers pastors and other Christian leaders solid simple guidance on how to share the faith and grow one s congregation
