Direct Selling Sara L. Cochran, Anne T. Coughlan, Victoria L. Crittenden, William F. Crittenden, Linda K. Ferrell, O.C.

Ferrell, W. Alan Luce, Robert A. Peterson, 2021-09-14 The Power of Direct Selling Direct selling is not an industry per se nor is it merely a go to market business model and channel to reach consumers It is bigger than any of this direct selling is people The ability for people with entrepreneurial spirit to build a successful business whether it be from the ground up or by representing a company's product is at the heart of direct selling and it is people who made and continue to make direct selling the successful marketplace that it is today The direct selling marketplace is comprised of mission driven and socially responsible companies offering a wide variety of product and services and the list of direct selling companies is abundant with entrepreneurs who built their businesses by utilizing an independent salesforce channel to market and sell their products or services directly to consumers Possibly one of the most prominent of these entrepreneurs is Mary Kay Ash a legend as a glass ceiling breaker and a woman who built a very successful business with a go to market strategy of direct selling Unlike Mary Kay Ash however not all aspiring business owners are willing able to invest their savings and time on a start up business These micro entrepreneurs desire to have the economic and social benefits of managing their own businesses but do not want the startup costs and demands associated with traditional business planning As such becoming a direct selling distributor offers a low risk low cost pathway to micro entrepreneurship The traditional barriers to small business ownership are removed when a micro entrepreneur builds a direct selling business that is backed by established brands These established brands several of which are featured in this book offer the micro entrepreneurs quality products business training and technological resources to achieve a self determined metric of success Framed within the context of entrepreneurship and an historical overview of the long term sustainability of this business model this book is intended for practitioners who want to read about the breadth and depth of direct selling Importantly this book provides considerable depth in terms of three particular issues associated with direct selling Compensation Ethics compliance and Global reach For scholars this book is built on a strong foundation of valid and reliable research endeavors The authors have published research on direct selling in high quality reputable and peer reviewed academic and practitioner journals Thus this book can add foundationally to the research efforts of academics who are conducting research in a wide variety of topics such as sales women empowerment business strategy ethics distribution models gig economy and global entry to name a few as well as to members of the press who want reliable and valid content upon which to build their stories The book's content is also particularly informative for policymakers at the local state national and international levels For students reading this book will offer a variety of insights particularly related to the intricacies of channel selection and design Direct Selling A Global and Social Business Model is a collective project from eight academics and practitioners who have dedicated much of their careers to understanding direct selling as both a go to market strategy and a channel of distribution and to capturing the people who are the foundation of direct selling The pages of this book bring together a wealth of research and knowledge that can inform a broad spectrum of constituents about the economic and social benefits of direct selling while also providing

detail and clarity on key issues related to direct selling as a sustainable business model **Total Selling** Warren Wechsler,2004-10-01 Warren Wechsler founder and president of Total Selling Inc presents this practical hands on guide to being a Total Sales Person In an easy to follow format Wechsler explains how to develop an effective strategic sales plan devise successful ways of selling how to rank prospects what to say when approaching people for the first time what is the exact number of times to contact people in a given time frame and much more Readers will learn from an experienced expert salesperson how to implement the step by step process of professional selling Topics include Why salespeople fail Selling as telling is a myth How to resurrect lost accounts Major account strategy how to compete for and win major accounts Obligating questions as selling advantage The power of silence Business failures and relocations Creating a winning game plan The five elements of effective sales practice Being persistent without being a pest **Building a World Class Selling Organization** Carlos Quintero,2000-01-01 *The User's Manual for the Brain Volume II* L Michael Hall,Bob G Bodenhamer,2002-03-26 This much anticipated volume continues the tradition of Volume I the Practitioner course manual The authors now invite you to reach beyond Practitioner to Master level to develop the very spirit of NLP the quintessential self study course on advanced NLP Judith E Pearson PhD [Sales Excellence](#) Christian Homburg,Heiko Schäfer,Janna Schneider,2012-10-24 This book presents a very novel and strategic approach to Sales Management an area that has suffered from a lack of sophistication in practice This content rich and thought provoking book has a very unique positioning It considers the sales performance of an organization at a very high strategic level and offers specific guidance in managing not just a few direct reports but an entire organization s sales function The book includes many useful tools and guidelines and is enhanced with numerous examples that help bring the concepts to life and make them very approachable for the trade market A checklist based scoring system that is utilized throughout the book allows readers to specifically evaluate their own company as well as to track its progress as concepts are applied over time This work is an essential resource and thought provoking read for ambitious Sales Managers including CEO level executives **Building a 6 Figure Sales Career** Chris Widener,2014-09-29 Do you know a person who just seems to have it all when it comes to closing sales deals What is it about that person that makes them wealthy In this program best selling author Chris Widener outlines the tools to gain trust build respect develop admiration and create loyalty with everyone you meet Chris has used these skills to build a successful speaking career which has led to him sharing the stage with US Presidents NFL players and being asked to speak at Harvard Business School The beauty of Chris approach is that anyone can develop these skills by following the 4 golden pillars of selling Chris shares amusing stories of success in this fast moving program which have motivated and inspired hundreds of thousands of people around the globe Chris breaks down his process into 4 simple steps to get your sales career on the fast track The information in Chris program can double your sales revenues but will cost you income if you don t know these essential steps Get your sales career on the right path this year *The Psychology of Selling* Brian Tracy,2006-06-20 Sales
