Mambo And Merengue:

Mambo & Merengue Paul Bottomer, 1997 The first all color guide to the most popular Latin American dances designed for absolute beginners to more experienced dancers Afro-Cuban rhythms for drumset Frank Malabe, Bob Weiner, 1994 An introduction to Afro Cuban rhythms including the history traditional instruments and basic styles of Afro Cuban music The book explores the complexities of these various styles in a simple understandable way The companion audio is invaluable to anyone interested in adapting these rhythms to the drumset **Oye Como Va!** Deborah Pacini Hernandez, 2010-01-25 Latino music as an amalgam of American cultures **Tigers of a Different Stripe** Sydney Hutchinson, 2016-11-21 Tigers of a Different Stripe takes readers inside the unique world of merengue t pico a traditional music of the Dominican Republic While in most genres of Caribbean music women usually participate as dancers or vocalists in merengue t pico they are more often instrumentalists and even bandleaders something nearly unheard of in the macho Caribbean music scene Examining this cultural phenomenon Sydney Hutchinson offers an unexpected and fascinating account of gender in Dominican art and life Drawing on over a decade of fieldwork in the Dominican Republic and New York among musicians fans and patrons of merengue t pico not to mention her own experiences as a female instrumentalist Hutchinson details a complex nexus of class race and artistic tradition that unsettles the typical binary between the masculine and feminine She sketches the portrait of the classic male figure of the t guere a dandified but sexually aggressive and street smart tiger and she shows how female musicians have developed a feminine counterpart the t guera an assertive sensual and respected female figure who looks like a woman but often plays and even sings like a man Through these musical figures and studies of both straight and queer performers she unveils rich ambiguities in gender construction in the Dominican Republic and the long history of a unique form of Caribbean feminism **Leonard Bernstein: West Side Story** Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre West Side Story has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating West Side Story including a discussion of Bernstein s sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself West Side Story is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone s commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of West Side Story in the

contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying CD Street Latin Dance Technique Miguel Silva,1997 **Whitfield Brides Complete Collection** Rochelle Alers,2018-09-10 Meet Signature Bridals wedding divas Tessa Faith and Simone Whitfield in Rochelle Alers s Whitfield Brides series In a box set for the first time these three enchanting romances follow three career focused women on their individual journeys to happily ever after Long Time Coming Brooklyn assistant district attorney Micah Sanborn walks into wedding planner Tessa Whitfield s town house and winds up stranded there all night in a citywide blackout alongside the most intriguing woman he s ever met Tessa s vow to avoid mixing work with pleasure is completely forsaken once she s thrown together with the tall gorgeous assistant DA Micah offers Tessa the kind of passion she s only fantasized about but their whirlwind romance hits a snag when he s unable to say those three little words Can Micah overcome his fear from a painful breakup in the past And will Tessa be willing to wait for his love The Sweetest Temptation Once Faith Whitfield dreamed she d find her prince but enough frogs have dispelled that fairy tale She s been too busy running Let Them Eat Cake and satisfying other people s sweet tooth to lament her own love life Still a woman s got to get out of the kitchen sometime and Ethan McMillan s seduction heats her passion to the boiling point But even decadent weekends of romance and Ethan s sweet sensuality can t convince Faith to trust him with her heart Does he really want happily ever after with her Former air force pilot Ethan McMillan comes to the aid of a damsel in distress but soon realizes he s the one in danger of falling for luscious pastry chef Faith Whitfield Taken by Storm When tall ruggedly handsome U S marshall Raphael Madison tells spirited five foot three floral designer Simone Whitfield that he s her live in bodyguard for the duration of a high profile court case the notion that opposites attract definitely applies But while trying to stay busy and ignore the magnetic pull of the hunky lawman Simone discovers that sharing her home with a bodyguard stirs up a storm of longing Soon their closeness becomes electrifying as friendship brings intimacy and an endless night of uncontrollable passion But will the morning after bring regrets or promises of forever **The Complete Idiot's Guide to Ballroom Dancing** Jeff Allen,2002 Describes the history of ballroom dancing presents photo illustrated instructions for the waltz foxtrot tango Viennese waltz rumba merengue samba cha cha mambo East Coast swing and hustle discusses such topics as timing rhythm practice and expectations and includes an eleven track audio CD **Latin and Caribbean Dance** Margaret Musmon,2010 Describes the history customs and traditions of Latin American and Caribbean dance **Long Time Coming** Rochelle Alers,2018-07-16 Bestselling author Rochelle Alers s beloved Whitfield Brides series begins with this endearing contemporary romance Brooklyn assistant district attorney Micah Sanborn walks into wedding planner Tessa Whitfield s town house and winds up stranded there all night in a citywide blackout alongside the most intriguing woman he s ever met Tessa s vow to avoid mixing work with pleasure is completely forsaken once she s thrown

and express the deepest archetypes of the human mind This book explores how dance gives shape to those human needs and how it reflects and even creates the maps of meaning and value that structure our lives Though the volume looks at all the forms of dance it focuses on three main categories in particular religious social and artistic Since the American Musical and subsequent Musical Videos have both reflected and influenced our current world they receive the most space such acclaimed performers as Fred Astaire Gene Kelly Judy Garland Ricky Nelson Elvis Presley and Michael Jackson such important composers and lyricists as Gershwin Rodgers and Hammerstein Porter Berlin Webber Bernstein the Beatles and the Who and such choreographers as Graham Balanchine Robbins and Fosse are examined in particular detail **Space Is the Place**

John Szwed,2020-04-30 Considered by many to be a founder of Afrofuturism Sun Ra aka Herman Blount was a composer keyboardist bandleader philosopher entrepreneur poet and self proclaimed extraterrestrial from Saturn He recorded over 200 albums with his Arkestra which dressed in Egypto space costumes played everything from boogie woogie and swing to fusion and free jazz John Szwed's *Space is the Place* is the definitive biography of this musical polymath who was one of the twentieth century's greatest avant garde artists and intellectuals Charting the whole of Sun Ra's life and career Szwed outlines how after years in Chicago as a blues and swing band pianist Sun Ra set out in the 1950s to impart his views about the galaxy black people and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding Szwed's readers whether they are just discovering Sun Ra or are among the legion of poets artists intellectuals and musicians who consider him a spiritual godfather will find that indeed space is the place *Fitness Fiesta!* Petra R. Rivera-Rideau,2024-08-23 As a fitness brand Zumba Fitness has cultivated a devoted fan base of fifteen million participants spread across 180 countries In *Fitness Fiesta* Petra R Rivera Rideau analyzes how Zumba uses Latin music and dance to create and sell a vision of Latinness that's tropical hypersexual and party loving Rivera Rideau focuses on the five tropes that the Zumba brand uses to create this Latinness authenticity fiesta fun dreams and love Closely examining videos ads memes and press coverage as well as interviews she conducted with instructors Rivera Rideau traces how Zumba Fitness constructs its ideas of Latinx culture by carefully balancing a longing for apparent authenticity with a homogenization of a marketable south of the border style vacation She shows how Zumba Fitness claims to celebrate Latinx culture and diversity while it simultaneously traffics in the same racial and ethnic stereotypes that are used to justify racist and xenophobic policies targeting Latinx communities in the United States In so doing Rivera Rideau demonstrates not only the complex relationship between Latinidad and neoliberal postracial America but also what that relationship means for the limits and possibilities of multicultural citizenship today **Schwann Long Playing Record Catalog** ,1969

Multicultural America Carlos E. Cortés,2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau

the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors Stolen Time Shane Vogel, 2018-09-07 In 1956 Harry Belafonte s Calypso became the first LP to sell more than a million copies For a few fleeting months calypso music was the top selling genre in the US it even threatened to supplant rock and roll Stolen Time provides a vivid cultural history of this moment and outlines a new framework black fad performance for understanding race performance and mass culture in the twentieth century United States Vogel situates the calypso craze within a cycle of cultural appropriation including the ragtime craze of 1890s and the Negro vogue of the 1920s that encapsulates the culture of the Jim Crow era He follows the fad as it moves defiantly away from any attempt at authenticity and shamelessly embraces calypso kitsch Although white calypso performers were indeed complicit in a kind of imperialist theft of Trinidadian music and dance Vogel argues black calypso craze performers enacted a different and subtly subversive kind of theft They appropriated not Caribbean culture itself but the US version of it and in so doing they mocked American notions of racial authenticity From musical recordings nightclub acts and television broadcasts to Broadway musicals film and modern dance he shows how performers seized the ephemeral opportunities of the fad to comment on black cultural history and even question the meaning of race itself
