Olivias Sister:

Olivia's Dead Madeleine Andersson, 2014-05-28 I stared out of the window and watched the clouds float by like wisps of candy floss I tried not to think about it but my mind kept wandering back to the note I m sorry I can t do this anymore If Olivia s death has taught me anything it s that life is fragile and short Don t try to contact me I m going into the wilderness Overcome with grief at the death of her friend Olivia Alice escapes to Kenya In the wilds of the Maasai Mara she unexpectedly falls in love with charming safari company owner and rally driver Jamil However not everyone is happy with the liaison Unaware her life is in danger Alice embarks on a passionate affair with Jamil who takes her on a magical tour across Kenya from the stunning Mara wildlife and mesmerising sunsets to the heart stopping thrill of a rally in Tsavo Finally they arrive in Watamu on the shores of the jewelled waters of the Indian Ocean The action moves between Kenya England and Zanzibar with the enemy like a cunning chess player shadowing their every move The suspense builds swiftly and as their heady romance appears doomed Alice and Jamil face the toughest challenge of all Olivia s Dead is a spell binding intense love story embroidered with threads of menace and will appeal mainly to female readers Set mostly in Africa it engages all the senses and romps along scattering nuggets of suspense filled detail keeping the reader in its thrall to the very last line

Warren County Days Diane Thomas-Plunk, 2019-09-04 The 1950s were a quieter time with no cell phones texting twenty four hour news or social media Residents of rural Mississippi had more time for unfettered interactions although in keeping with the strict but unspoken social rules that ordered their lives And then there was Opal Pratt In this sequel to the author's first book Opal Miss Pratt is encouraged to step out of her reclusive comfort zone and learns more about human kind Sometimes more than she wants In addition to new characters the reader will recognize Olivia and Levi the former hussy Frances Francine the immigrant preacher now with a love interest and Opal's rejected suitor Lemuel who assumes a new and special place in her life Opal is naive courageous and sometimes tragic Follow her journey in Warren County Days With a distinct voice that easily portrays both small town simplicity and heartbreakingly complex nuances Diane Thomas Plunk has once again transported me to the South I know and love in her new short story collection The beloved Opal Pratt is back along with a cast of characters both new and old but all remarkable for the feelings they evoke One standout story is None So Blind which brought the combination of liquor and opera together in a manner that left me truly moved I find it amazing that an author can take the folks that others would glance over and their life stories and turn them into something exceptional I was left wanting more which is the definition of a powerful book in my opinion
