On Christmas Day in the Morning Grace Smith Richmond, 1911 **Christmastide â Its History, Festivities, and Carols** William Sandys, 2020-11-20 Christmastide Its History Festivities and Carols is a study of Christmas and the celebration of this Holy Feast particularly in England in the olden times through the middle ages and to modern days
x000D Has the early dream of youth faded away purposeless the ambition of manhood proved vanity of vanities Have riches made themselves wings and flown away or has fame just within the grasp burst like a bubble Have the friends the companions of youth one by one fallen off from thy converse or the prop of advancing age been removed leaving thee weak and struggling with the cares of life or has the desire of thine eyes been taken from thee at a stroke Under these and other trials the Christian looks to the anniversary of the Nativity that rainbow of Christianity as the commemoration of the birth of the Blessed Redeemer who will give rest to the weary and receive in his eternal kingdom all those who truly trust in him And well may His name be called Wonderful Counsellor the Mighty God the Everlasting Father the Prince of Peace *The Book of Days* Robert Chambers, 1864 **A Library of Religious Poetry** Philip Schaff, Arthur Gilman, 1885 **Poetry for Children** Amy Neally, 1879 **Captain Kidd's Money and Other Stories** Harriet Beecher Stowe, 1876 [The Golden Book Magazine](#) , 1925 **Popular Carol Book** Richard J. Coleman, Geoffrey Court, Rosalind Russell, 1998-01-09 Includes the best loved traditional carols from the hymn books and carol sheets plus the best of the new carols which have become popular through radio and TV or schools **Childhood's Favorites and Fairy Stories** Hamilton Wright Mabie, 2016-08-24 Books are as much a part of the furnishing of a house as tables and chairs and in the making of a home they belong not with the luxuries but with the necessities A bookless house is not a home for a home affords food and shelter for the mind as well as for the body It is as great an offence against a child to starve his mind as to starve his body and there is as much danger of reducing his vitality and putting him at a disadvantage in his lifework in the one as in the other form of deprivation There was a time when it was felt that shelter clothing food and physical oversight comprised the whole duty of a charitable institution to dependent children to day no community would permit such an institution to exist unless it provided school privileges An acute sense of responsibility toward children is one of the prime characteristics of American society shown in

the vast expenditures for public education in all forms in the increasing attention paid to light ventilation and safety in school buildings in the opening of play grounds in large cities in physical supervision of children in schools and the agitation against the employment of children in factories and in other and less obvious ways Children are helpless to protect themselves and secure what they need for health of body and mind they are exceedingly impressionable and the future is always in their hands The first and most imperative duty of parents is to give their children the best attainable preparation for life no matter at what sacrifice to themselves There are hosts of fathers and mothers who recognize this obligation but do not know how to discharge it who are eager to give their children the most wholesome conditions but do not know how to secure them who are especially anxious that their children should start early and start right on that highway of education which is the open road to honorable success Childhood Favorites and Fairy Stories.
