Moses,2019-07-08 So dear Lord about this book Father deep inside of me I ve always known that there s this book This holy story of us This story of walking and talking Of deep passion of hungering This story of thirsting and yearning of desperation for more of you This book about yada intimacy about really really getting to know you This story about the pursuit of your presence And the day to day joy of being loved by you A love that s strong enough to build my life on to rest my hopes on and to inspire my dreams on this all or nothing relationship with the head over heels in love with me God Lord whenever I started writing about us I stall and stop How do words capture start to unpack or explain this sort of love This there must be more hunger This relentless pursuit This heart cry for the mantle of Enoch This deep inner groaning for more of you This story oh Lord how do I go on How to find words to describe my appetite for your friendship with Abraham Or words to describe yearning for Jesus s love for John Or hunger for the communion walk of Moses the heart walk of David Voraciously consuming me aching for more of you Heart longing Heart yearning This sell the field to buy the pearl kind of love This trade everything in for you knowing It s all so very hard to put it into words What to say How to pray Father it s scary trying to share the things we say The heart to heart communion the way that I feel I so love and adore you my beautiful precious awesome and most holy Lord Worthy worthy worthy is your matchless name It s so beautiful Father to just get lost in you And oh yes erm as I was saying Lord About this book **Pastoral Theology** Archim. Konstantin Zaitsev,et al, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com> 2023 01 book inventory vladimir djambov talmach.html Pastoral theology has no special content that would not be included in other subjects that make up the program of theological education The subject of his attention is the shepherd Two main questions arise as far as preparation for the pastoral office is concerned First what should a shepherd be like Second this is what he should know to worthily bear his dignity Of course it is impossible to strictly separate these two topics but they quite clearly define the twofold approach of the teacher of pastoral theology to the whole variety of material to be used by him On the one hand everything useful is selected that can serve the task of forming an ideal shepherd On the other hand everything that the shepherd needs to know for his practical activity is extracted So naturally the course is divided into two parts We have been given two years to complete it So we will dedicate the first to getting a clear idea of what a shepherd should be leaving for the second year a more detailed explanation of everything that he needs to know so that responding to his high appointment worthily fulfill all his diverse duties Turning to the subject that will occupy us during the first year let us beware of straying into abstract doctrinairism which easily turns into reasoning Let us seek the most unpretentious simplicity The devout simplicity of

churchly sustained thought of God is the true attitude of a true pastor It is perfectly conveyed by the words of the priestly prayer before reading the Gospel at the liturgy Let us correct all carnal lusts let us go through spiritual life all to pleasing and wise and active The shepherd should be afraid of being carried away by impressions experiences emotions by which they determine his pastoral appearance So he can turn into a dilettante of his business Even worse if he himself tries on the shaky basis of such experiences to create a school for himself turning from an amateur into an artist of his business This is the broad way that can bring human glory but not merit before God The true shepherd on the contrary subjects the spiritual atmosphere surrounding him to vigilant sober control all the sources of its nourishment all its manifestations in this very plan creating a school for himself and very cautiously cautiously treating every manifestation in his holy work improvisation The Apostle Paul teaches in the Epistle to Timothy It is worthy that elders who lead should be given double honor 1 Tim 5 17 Blessings are taken from bishops and priests Priests have the right to bless deacons and laity while bishops have the right to bless priests Priests are called fathers because they show God s Fatherhood to the world they are conductors of love for the world of the Heavenly Father Who sent His Son and the Holy Spirit to earth to save people Respecting the priests people respect first of all the grace of God and themselves resorting to this source of grace The unforgivable mistake of a shepherd is to attribute this respect of people to himself and nourish his self esteem with this respect Just as the Lord performs the Sacraments through a priest so He also receives through Him the honor bestowed upon the holy dignity The task of the priest is to pass it on to the Lord and not to appropriate it for himself and thereby not bring condemnation upon himself Any disrespect must be attributed to oneself as a reminder of one s unworthiness and any respect to the Lord as a reminder that He also acts through unworthy priests

Elders Lead a Healthy Family J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God
