THE WAR FOR AMERICA

1770-1781

Christopher Hibbert

Redcoats And Rebels The War For America 1770 1781

Bruce Lenman

Redcoats And Rebels The War For America 1770 1781:

Redcoats and Rebels Christopher Hibbert, 2001 This work offers a full length popular history of the American War of Independence the cruel accursed war that changed the world forever The story of this war has usually been told in terms of a conflict between blundering British generals and their rigidly disciplined red coated troops on the one side and heroic American patriots in homespun shirts and coonskin caps on the other Here the author portrays the realities of a war condemned by thousands of Americans in which George Washington came perilously close to defeat Both before and after General Burgoyne s surrender at Saratoga the British rarely lost a battle until the French helped the rebels defeat Lord Cornwallis at Yorktown in 1781

Redcoats and Rebels Christopher Hibbert, 2008 Based on a variety of sources with character sketches and eyewitness accounts this work presents a vivid picture of the cruel accursed war that changed the world forever It provides a thorough introduction to the War of American Independence Told with great authority and clarity it describes in detail the effects of each notable event from 1770 to 1781 The book examines each of the major battles and skirmishes but does not get bogged down in deep analysis of battle formations and strategies instead it concentrates on the war as a whole and its political and economic impacts on Britain and America and explains how each commander s strategy was affected *Redcoats Rebels* is filled with anecdotes to give the reader a clearer understanding of how the war affected the lives of those involved publisher

Redcoats and Rebels Christopher Hibbert, 2002 A full scale popular history of the American War of Independence

A Short History of the American Revolutionary War Stephen Conway, 2013-04-12 The American war against British imperial rule 1775 1783 was the world s first great popular revolution Ideologically defined by the colonists formal Declaration of Independence in 1776 the struggle has taken on something of a mythic character From the Boston Tea Party to Paul Revere s ride to raise the countryside of New England against the march of the Redcoats and from the American travails of Bunker Hill 1775 to the final humiliation of the British at Yorktown 1781 the entire contest is now emblematic of American national identity Stephen Conway shows that beyond mythology this was more than just a local conflict rather a titanic struggle between France and Britain The Thirteen Colonies were merely one frontline of an extended theatre of operations with each superpower aiming to deliver the knockout blow This bold new history recognizes the war as the Revolution but situates it on the wider global canvas of European warfare

The Battle of Yorktown, 1781 John D. Grainger, 2005 Survey and analysis of important battle of the American War of Independence Provided by publisher

Access to History: The American Revolution and the Birth of the USA 1740-1801 Second Edition Alan Farmer, 2015-04-24 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative

authority of a Continental Congress The only force in the colonies was that of the militias but they were not trained for pitched battles even if they excelled in guerrilla warfare The Continental Congress realized that relying only on guerrilla warfare would not allow the American colonists to take well populated cities and ports occupied by the British army In order to win the American War of Independence they had to demonstrate their ability to fight European types of battles Then they would be able to rely on foreign support ABOUT THE AUTHOR The author at the master s level Jean Christophe Malevil chose to write his thesis about the American War of Independence in seeing Roland Emmerich s The Patriot in 2000 He knew he would work on the art of war and to illustrate his work he of course decided to rely on this movie This book is the result of the findings of his investigations about war in the 18th century Britain and the American Revolution H. T.

Dickinson,2014-07-30 This is the first modern study to focus on the British dimension of the American Revolution through its whole span from its origins to the declaration of independence in 1776 and its aftermath It is written by nine leading British and American scholars who explore many key issues including the problems governing the American colonies Britain s diplomatic isolation in Europe over the war the impact of the American crisis on Ireland and the consequences for Britain of the loss of America *Analyzing The American Divide* Saye Menlekeh Taryor (Brother Saye),2019-04-20 Analyzing The

American Divide Analyzing The American Divide highlights and debunks propaganda promoted by Europeans towards people of African descent while addressing charges of cannibalism high crime rates low IQ claims by race realists and the so called lack of advanced civilizations by Black Africans This book is a must read for all as Brother Saye provides an extensive outlook on how the British and the Loyalists viewed the American Revolution while also illuminating the real dynamics surrounding America s Civil War **William Howe and the American War of Independence** David Smith,2015-03-12 The first major

work on this enigmatic British general for more than 40 years William Howe and the American War of Independence offers fascinating new insights into his performance during the revolution in America From 1775 to 1777 Howe commanded the largest expeditionary force Britain had ever amassed confronting the rebel army under George Washington and enjoying a string of victories However his period in command ended in confusion bitterness and a parliamentary inquiry because he proved unable to crush the rebellion Exactly what went wrong has puzzled historians for more than 200 years For most Howe has been relegated to the role of a bit player but with the help of new evidence this book looks afresh at his army his relationships with key military and political figures and his own personal qualities The result is a compelling reassessment of a forgotten general that offers a new perspective on a man who won his battles but could not win his war **Britain's**

Colonial Wars, 1688-1783 Bruce Lenman,2014-07-30 From Europe to India and America Britain s Colonial Wars relates empire to the fortunes of war In less than a century between the Glorious Revolution of 1688 and the settlement following the War of the American Revolution the modern British state was born This penetrating new analysis questions the centrality of the colonial enterprise to Westminster policy makers obsessed with European issues and explains how the impact of their

strategies necessarily shaped the destiny of a multi national and incoherent empire beyond the shores of Europe

The 1711 Expedition to Quebec Adam Lyons,2013-02-14 In 1711 the newly formed Great Britain launched its first attempt to conquer French North America The largest military force ever assembled to fight on the continent was dispatched and combined with colonial American units in Boston before proceeding up the St Lawrence River for Quebec An additional colonial force set out from Albany to march on Montreal but neither Briton nor colonist reached their respective targets Adam Lyons looks at the expedition as a product of the turbulent political environment at the end of Queen Anne s reign and as a symbol of a shift in politics and strategy Its failure proved to be detrimental to the reputation of the expedition s naval commander Rear Admiral Sir Hovenden Walker but Lyons shows how true blame should lie with his political master Secretary of State Henry St John who ensured the expedition s failure by maintaining absolute control and secrecy The 1711 Expedition to Quebec demonstrates how the expedition helped to alter British policy by renewing an interest in blue water or maritime operations that would gain dominance for Britain in commerce and at sea This strategy would later see huge success ultimately resulting in the fall of Quebec to Wolfe and the eventual conquest of French North America in the Seven Years War

Constitutional History of the United Kingdom Ann Lyon,2003-03-13 First published in 2003 Routledge is an imprint of Taylor Francis an informa company

The British Isles and the War of American Independence Stephen Conway,2000-03-02 This book examines a hitherto neglected aspect of the War of American Independence providing the first wide ranging account of the impact of this eighteenth century conflict upon the politics economy society and culture of the British Isles The author examines the level of military participation which was much greater than is usually appreciated and explores the war s effects on subjects as varied as parliamentary reform religious toleration and attitudes to empire The books casts new light upon recent debate about the war waging efficiency of the British state and on the role of war in the creation of a sense of Britishness The thematic chapters are supplemented by local case studies of six very different communities the length and breadth of the British Isles

The Anglo-Swedish Alliance Against Napoleonic France C. Jorgensen,2004-03-31 This new study by Christer Jorgensen addresses a much neglected field of study in the history of Scandinavia and the greater Baltic region during the Napoleonic Age The book concentrates upon relations and the alliance between Britain and Sweden during the middle years of the war years that encompassed the Austerlitz campaign the complicated diplomatic talks between the allies Russia s abandonment of the allied cause at Tilsit 1807 the Russo Swedish War 1808 09 that decided the fate of Finland the capitulation of the Gibraltar of the North and finally the turbulent politics of Sweden during and after the coup of March 1809

[A Dance Called America](#) James Hunter,2022-05-05 A dance was devised in eighteenth century Skye An exhilarating dance A dance a visitor reports the emigration from Skye has occasioned The visitor asks for the dance s name They call it America he s told In his introduction to this new edition of his classic and pioneering account of what happened to the thousands of people who left Skye and the wider north of Scotland to make new

lives across the sea historian James Hunter reflects on what led him to embark on travels and researches that took him across a continent To Georgia North Carolina and Montana to Nova Scotia Quebec Ontario and the Mohawk Valley to prairie farms and great cities to the Rocky Mountains British Columbia and Washington State This is the story of the Highland impact on the New World The story of how soldiers explorers guerrilla fighters fur traders lumberjacks railway builders and settlers from Scotland s glens and islands contributed so much to the USA and Canada It is the story of how a hard pressed people found in North America a land of opportunity

The Borgias and Their Enemies Christopher Hibbert, 2008 The first major biography of the Borgias in thirty years Christopher Hibbert s latest history brings the family and the world they lived in the glittering Rome of the Italian Renaissance to life The name Borgia is synonymous with the corruption nepotism and greed that were rife in Renaissance Italy The powerful voracious Rodrigo Borgia better known to history as Pope Alexander VI was the central figure of the dynasty Two of his seven papal offspring also rose to power and fame Lucrezia Borgia his daughter whose husband was famously murdered by her brother and that brother Cesare who served as the model for Niccolo Machiavelli s The Prince Notorious for seizing power wealth land and titles through bribery marriage and murder the dynasty s dramatic rise from its Spanish roots to its occupation of the highest position in Renaissance society forms a gripping tale Erudite witty and always insightful Hibbert removes the layers of myth around the Borgia family and creates a portrait alive with his superb sense of character and place

Martha Washington Helen Bryan, 2007-08-03 A contemporary anecdote not only confirms that Martha commanded respect in her own right during her lifetime but also suggests an awkward truth later historians have preferred to ignore that without Martha and her fortune George might never have risen to social military and political prominence Toward the end of his life George Washington war hero retired president and object of universal fame and veneration was negotiating to purchase a plot of land in the new capital city to be named in his honor The seller an aged veteran of the Revolution was reluctant to part with the plot even to so distinguished a purchaser Washington persisted until the veteran s patience snapped You think people take every grist that comes from you as the pure grain What would you have been if you hadn t married the Widow Custis from the Introduction to Martha Washington First Lady of Liberty From the glittering social life of Virginia s wealthiest plantations to the rigors of winter camps during the American Revolution Martha Washington was a central figure in some of the most important events in American history Her story is a saga of social conflict forbidden love affairs ambiguous wills mysterious death heartbreaking loss and personal and political triumph Every detail is brought to vivid life in this engaging and astonishing biography of one of the best known least understood figures in early American life

The Development of British Naval Thinking Geoffrey Till, 2006-03-15 In this book Britain s leading naval historians and analysts have come together to produce an investigation of the development of British naval thinking over the past three centuries from the sailing ship era to the present day
