In this study Hunt focuses on the part of God's work following the life, death, and resurrection of Christ. He begins the study with the coming of the Holy Spirit at Pentecost and moves from there to the consummation of history in Christ.

One of the characteristics of Garrett's system that needs especially to be noted is its balanced, judicious, and nearly invariably objective presentation of materials. Often the most misunderstood and therefore ignored member of the Trinity the Holy Spirit deserves our attention and understanding

God the Father and God the Son rightfully garner much explanation and exploration and God the Holy Spirit ought to be given the same studiousness curiosity and scholarship

In this addition to Crossway's Foundations of Evangelical Theology series Dr Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit

This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints

Ideal for pastors teachers and students of theology this book is a superb theology of the Holy Spirit

Part of the Foundations of Evangelical Theology series Truth Aflame Larry D. Hart, 2010-02-23

Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read

An important contribution to the contemporary renaissance in systematic theology

Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today

As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members

While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective

Truth Aflame seeks to meet that need

While academically sound Truth Aflame is written with a practical pastoral flavor

Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge

His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative

This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day

Dr Hart treats each of the traditional categories revelation God

creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

Engaging with the Holy Spirit Graham A. Cole, 2008-04-02 Despite the growth of the charismatic movement and Pentecostal churches people still have questions and even troubling concerns about the person and work of the Holy Spirit These real questions are the burden of this book which seeks to sequentially address from throughout Scripture six crucial questions that affect a person's relationship to the Spirit What is blasphemy against the Holy Spirit How does a person resist him Ought we to pray to the Spirit How do we quench the Spirit How do we grieve the Spirit and How does he fill us Each chapter is devoted to one question and challenges readers about their relationship with the Spirit and about Christian living in general Readers are also given key elements for thinking theologically and implications for their belief and behavior It's a brief reader friendly book full of solid reassuring answers

Transforming Presence Daniel Henderson, 2018-06-05 Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you're not alone But the secret to spiritual thriving isn't about trying harder You need supernatural help That's why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today

The Kingdom of Christ Russell Moore, 2004-10-18 In this scholarly work Russell D Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F H Henry called for it fifty years ago He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms While evangelical scholars and pastors will be interested in this sharp insightful book all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square
