McIlroy, 2022-07-05 Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing The ideas of ransom redemption and forgiveness are a key part of how the work of Jesus on the cross is described But what do the pictures of ransom redemption and forgiveness actually mean How would they have been understood by the first hearers of the gospel How do they link to kidnapping slavery and debt Using practical examples from his experience as a banking lawyer and from history David McIlroy shows how power money and sin combine to trap us leaving us in desperate need of a redeemer to rescue us This book will deepen your understanding of Jesus s death enrich your worship and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection Ejersbo, 2014-08-07 The novel behind the new Danish TV series starring The Killing's Sofie Gr b l available on All 4 Walter Presents Two young men from very different backgrounds Christian is the son of Danish ex pats Marcus works as a house boy for a Swedish family hoping they will eventually take him back to Europe with them Their friendship defines a divided continent When they decide to go into business together a teenage dream of playing at discos they unwittingly set a collision course But will it be love or money that tears the two apart Spanning a decade from the dawn of the 1980s the story of Marcus and Christian's dissolving friendship plays out amid a vast cast of characters all fighting to make their way in a country defined by corruption As the Tanzanian authorities and European aid agencies compete to line their own pockets the rise of the disease threatens to lay waste to an already stricken continent **Literature Redeemed** Nicolas Dreyer, 2020-07-13 In the post Soviet period discussions of postmodernism in Russian literature have proliferated Based on close literary analysis of representative works of fiction by three post Soviet Russian writers Vladimir Sorokin Vladimir Tuchkov and Aleksandr Khurgin this book investigates the usefulness and accuracy of the notion of postmodernism in the post Soviet context Classic Russian literature renowned for its pursuit of aesthetic moral and social values and the modernism that succeeded it have often been seen as antipodes to postmodernist principles.
