The Purpose of God in Creation and Redemption John Sitwell,1872 **The Swedenborg Library: Creation, incarnation, redemption, and the divine Trinity** Emanuel Swedenborg,1881 The Redeemed Good Defense Anthony MacPherson,2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense *The Visible God and Our Relation to Him in Creation and Redemption* William Marshall,1892 *The Divine Sequence. A Treatise on Creation and Redemption* F. M.,1873 **The Divine Sequence. A Treatise on Creation and Redemption. By F. M.** F. M.,1873 The Corruption and Redemption of Creation Harry Hahne,2006-11-23 Nature plays an important and often neglected role in Jewish apocalypses Most Second Temple Jewish apocalypses ca 200 BC AD 100 do not oppose the material world but view nature as damaged by human and angelic sin Rather than expecting God to destroy the world many look forward to God s dramatic eschatological deliverance of nature from corruption Although Romans 8 19 22 was not written in the genre of an apocalypse it shares the basic apocalyptic world view The Apostle Paul follows that stream of apocalyptic thought that looks forward to the transformation of creation by an eschatological divine act the reversal of the damage caused by sin and the perfection of nature to share glory with redeemed humanity A comparison of nature in Jewish apocalypses and Romans 8 19 22 reveals important insights into the theology of early Judaism and its influence on early Christian thought **Love in Creation and Redemption** Dwight Goddard,1918 *God's Good World* Jonathan R. Wilson,2013-04-15 The doctrine of creation has often been neglected in Christian theology Distinguished evangelical theologian Jonathan Wilson exposes what has been missing in current theological discourse and offers an original constructive work on this doctrine The book unites creation and redemption showing the significance of

God's work of creation for understanding the good news of redemption in Jesus Christ Wilson develops a trinitarian account of the life of the world and sets forth how to live wisely hopefully peaceably joyfully and generously in that world He also shows how a mature doctrine of creation can help the church think practically about contemporary issues including creation care sexuality technology food and water and more

The Story of Creation Gibson Callaway Andrews,1900 *The Holy Spirit as Communion* I. Leon Harris,2017-09-26 In *The Holy Spirit as Communion* Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion *The Holy Spirit as Communion* expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father's will through Jesus Christ *The Holy Spirit as Communion* explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation's koinonia as a gift from the Father through the grace of Jesus Christ
