Redemptive History And Biblical Interpretation:

Redemptive History and Biblical Interpretation Geerhardus Vos, Richard B. Gaffin, 1980 *Redemptive History and Biblical Interpretation* Geerhardus Vos, 1981-01 **Theology, History, and Biblical Interpretation** Darren Sarisky, 2015-01-29 The Christian Bible serves as the sacred scripture of the Christian community. It is read regularly by many people around the world today as it has been for centuries. But how should one interpret this text? This reader presents a variety of perspective on how to relate historical and theological considerations when approaching the Bible. It encourages students and scholars to ponder how historical and theological categories shape one's view of three crucial realities: the text of the Bible, the human subject who reads the text, and the nature of the exchange between the two in the practice of reading. As historical and theological categories are applied to these realities, are they mutually exclusive or can they be combined in some way? This reader encourages students and scholars to explore these important questions by bringing together a selection of some of modernity's most influential discussions of the issues as well as some of the present day's most distinguished attempts to weigh in on the debate. *Introducing Covenant Theology* Michael Horton, 2009-04-01 Since biblical times, history is replete with promises made and promises broken. Pastors and teachers know the power of the covenant, and they know that understanding the concept of covenant is crucial to understanding Scripture. They also know that covenant theology provides the foundation for core Christian beliefs and that covenants in their historical context hold significance even today. But to laypeople and new Christians, the eternal implications of cutting a covenant with God can be complicating. God of Promise unwinds the intricacies of covenant theology, making the complex surprisingly simple and accessible to every reader. With keen understanding, careful scholarship, and insight, Michael Horton leads all believers toward a deeper understanding of crucial covenant concepts. **A Layperson's Guide to Biblical Interpretation** Luke Brad Bobo, 2016-01-15 Interpreting an ancient book like the Bible can be an intimidating task. Hopefully, this book will demystify or make less complicated the task of Biblical interpretation for the layperson or seminarian by the use of a handy and memorable acronym SCAR, where S means sitting with the text to listen to the Biblical author's words over and over again, where C means the literary and cultural historical contexts, where A means analysis, and finally where R means God's Redemptive Remedy. Readers are treated to some accessible theory behind Biblical interpretation in Part 1 and examples in Part 2 where SCAR is applied directly to two Old Testament and two New Testament texts. God has revealed himself on the pages of Scripture. He has revealed himself because he wants to be jealously and desperately known, so my prayer for you is that this small book, along with the True Biblical Interpreter, the Holy Spirit, will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious God who knows and loves you intimately. And may your growing and maturing love for him manifest itself in your unwavering obedience to him. **Out of Egypt: Biblical Theology and Biblical Interpretation** Zondervan, 2011-03-01 Biblical theology attempts to explore the theological

coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK *The Fabric of Theology* Richard Lints, 1993-12-02 This is a print on demand book and is therefore non returnable After showing that today's evangelicals have not fared well in the crucible of modern pluralism Lints argues that in order to regain spiritual wholeness evangelicals must relearn how to think and live theologically This book highlights several cultural and theological impediments to doing theology from an evangelical perspective interacts with postmodernism as a theological method and provides a provocative new outline for the construction of a truly transformative evangelical theology in the modern age

The Promise of the Trinity B. Hoon Woo, 2018-09-10 The doctrine of the pactum salutis covenant of redemption offers the idea of a covenant between the very persons of the Trinity for the redemption of humanity The doctrine received most of its attention in seventeenth century Reformed theology and has been criticized and almost totally forgotten in dogmatics since the eighteenth century Most recent Reformed dogmatics tend to ignore the doctrine or disparage it from biblical trinitarian christological pneumatological and soteriological perspectives namely the doctrine lacks scriptural basis it is tritheistic it leads to subordination of the Son it omits the role of the Holy Spirit and it applies a deterministic idea for the Christian life The theologies of Witsius Owen Dickson Goodwin and Cocceius portray a very robust form of the doctrine Witsius argues with the help of a peculiar methodology of cross referencing and collation of related scriptural texts that the doctrine is firmly based on biblical exegesis that was passed on from the patristic era The doctrine formulated by Owen endorses the doctrines of inseparable operations and terminus operationis so as to give deep insight into the Trinity In Dickson's doctrine the Son's voluntary consent and obedience to the will of the Father are highly emphasized Likewise Goodwin's depiction of the Holy Spirit secures the divinity of the Spirit as well as his indispensable role for the transaction and accomplishment of the pactum The doctrine in the theology of Cocceius sheds much light on the vibrant dynamic of the Christian life in accordance with the ordo salutis The doctrine of the pactum salutis of the five Reformed theologians clearly shows that the doctrine is both promised and promising for theology and the life of faith **Kingdom through Covenant**

T&T Clark Handbook of Neo-Calvinism Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields

Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics Jason B. Hunt, 2019-09-27 Cornelius Van Til s Doctrine of God and Its Relevance for Contemporary Hermeneutics seeks to answer the question What does Van Til have to do with hermeneutics It is argued that some of the most relevant concerns in the field of contemporary hermeneutics are similar to those addressed by Van Til in the area of apologetics Van Til s approach involved a self conscious consistency between

method and theology proper in order to reason according to the Christian worldview found in Scripture Just as one's apologetic method should be consistent with the theology revealed in the Bible so also should one's hermeneutic This work not only argues that Van Til has an important place in the hermeneutical discussion but also demonstrates his place in terms of the main contours in his doctrine of God In doing so certain influences on evangelical hermeneutics are considered according to consistency with theology proper Lastly a Van Tillian hermeneutic is applied to the often debated issue concerning the New Testament use of the Old Testament

Reformed Dogmatics: Theology Proper Geerhardus J. Vos, 2014-10-10 Like books people can become classics Great in their day but richer and more fulfilling with time Not yet a classic Vos's never before published Reformed Dogmatics is more like a lost Shakespeare play recently discovered Michael Horton Until recently Reformed Dogmatics was only available in its original Dutch But now you too can access Geerhardus Vos's monumental work of systematic theology This brand new English translation was edited by biblical theologian and Vos expert Richard B Gaffin Jr In Volume One Theology Proper Vos discusses The doctrine of God The Trinity God's acts Creation Predestination Providence And more

The Bible throughout the Ages Zondervan, 2024-11-12 The Bible throughout the Ages examines several crucial issues related to the Bible its status as God's truth and revelation the history of reading and interpreting Scripture and its ongoing relevance in the world today This edited volume is the result of collaboration between English and French speaking scholars who collectively address a range of issues regarding Scripture including literal vs metaphorical interpretations how theologians like Augustine Aquinas and Calvin read the Bible and how Scripture continues to shape the Christian faith today

Plundering the Egyptians John J. Yeo, 2009-11-16 Plundering the Egyptians focuses on the study of the Old Testament at Westminster Theological Seminary from 1929 to 1998 More specifically it presents the lives and academic labors of Robert Dick Wilson 1929 1930 Edward Joseph Young 1936 1968 Raymond Bryan Dillard 1969 1993 and Tremper Longman III 1981 1998 These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development Their individual historical contexts scholarly contributions and interactions with historical critical scholarship are presented and analyzed Modifications in their respective methodologies are highlighted and often indicate significant shifts within the Old Princeton Westminster trajectory from an anti critical stance toward a position of openness toward historical critical methodology and its conclusions The implications of these shifts within Westminster are important because they mirror the current changes and challenges in evangelicalism today

Participation and Covenant Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not

entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit. For this relationship we were created and this participation is therefore natural to us. Accordingly a theodramatic framework that incorporates a reframed understanding of divine-human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology.

So All Israel Shall Be Saved Nathaniel Parker, 2025-01-28 Is it feasible to speak of a Moore School of Biblical Theology? The biblical theology program at Moore Theological College can be traced back to Donald Robinson. One unique contribution of Robinson to Moore's program was his distinction of theology concerning the role of Israel in redemption history as his attempt at providing an alternative to dispensationalism and covenant theology. By examining Robinson's view of Jew and gentile in the New Testament church, the reciprocal role of the gospel going forth from Jewish Christians to the gentiles and back to unbelieving Jews to fulfill the Rom 11 promise so all Israel shall be saved and Robinson's eschatological concept of both Jew and gentile forming a new man and by tracing how his view has been affirmed, revised, rejected or ignored by biblical theologians at Moore College who were influenced by or who followed Robinson including Graeme Goldsworthy, Lionel Windsor, D. Broughton Knox and William Dumbrell, this book seeks to clarify the reception of Robinson's legacy at Moore College as well as offer an assessment on the plausibility of a distinct Moore School of Biblical Theology.

Restored to Our Destiny Brian G. Mattson, 2011-09-30 A close conceptual analysis of Herman Bavinck's 1854-1921 four-volume *Reformed Dogmatics*; this book explores a long neglected feature of his organic relationship between nature and grace, arguing that the motif is intelligible only in a uniquely Reformed covenant theology.

God the Son Incarnate Stephen J. Wellum, 2016-11-16 Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God. Scripture and the gospel. To get to the core of this belief, this latest volume in the *Foundations of Evangelical Theology* series lays out a systematic summary of Christology from philosophical, biblical and historical perspectives, concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust and obey Christ, unashamed to proclaim him as the only Lord and Savior. Part of the *Foundations of Evangelical Theology* series.
