Rediscovered Country:

Serengeti Story Anthony Sinclair, 2012-11-22 Serengeti is arguably the most well known and highly treasured conservation area in the world In 1972 the United Nations meeting on National Parks and Protected Areas agreed to set up World Heritage Sites now supervised by UNESCO and at that meeting they voted Serengeti top of the list What makes this site outstanding What happens in Serengeti biologically How did it become a protected area What are the historical events that have shaped its present dynamics What will happen to it in future How has it become relevant to human society and conservation These are the questions that Anthony Sinclair answers First arriving in Serengeti in 1961 he has worked as a scientist in this ecosystem since 1965 and continues to do so today In the process he has documented not only the ecological events as the system has changed but also the political economic and social events that have driven these changes Including personal accounts of the dramatic events brought about by the vicissitudes of political turmoil he tells the story of Serengeti and its surrounding research Providing the historical background both the paleohistory going back 4 million years and the modern history of the region he examines the future of conservation considering the ominous threats facing the Serengeti today

The Rediscovered Country Stewart Edward White, 1915 *New Country Life*, 1916 **Country Music** Richard Carlin, 2014-02-25 This illustrated A Z guide covers more than 700 country music artists groups and bands Articles also cover specific genres within country music as well as instruments used Written in a lively engaging style the entries not only outline the careers of country music s greatest artists they provide an understanding of the artist s importance or failings and a feeling for his or her style Select discographies are provided at the end of each entry while a bibliography and indexes by instrument musical style genre and song title round out the work For a full list of entries a generous selection of sample entries and more visit the Country Music A Biographical Dictionary website *Country Life in America* Liberty Hyde Bailey, Henry Hodgman Saylor, 1917 *Musica Practica* Michael Chanan, 1994-10-17 Musica Practica is a historical investigation into the social practice of Western music which advances an alternative approach to that of established musicology Citing evidence from Barthes Nietzsche Bakhtin Max Weber and Schoenberg Michael Chanan explores the communal roots of the musical tradition and the effects of notation on creative and performing practice He appraises the psychological wellsprings of music using the insights of linguistics semiotics and psychoanalysis Tracing the growth of musical printing and the creation of a market for the printed score he examines the transformation of patronage with the demise of the ancien r gime and draws on little known texts by Marx to analyze the formation of the musical economy in the nineteenth century Chanan sketches out an unwritten history of musical instruments as technology from Tutankhamen s trumpets to the piano the ancient Greek water organ to the digital synthesizer The book concludes with reflections on the rise of modernism and the dissolution of the European tradition in a sea of postmodernism and world music Musica Practica assumes no specialist knowledge of music beyond an ordinary familiarity with common terms and an average acquaintance

with the music of different styles and periods It is a fascinating commentary on the soundtrack of daily life in the metropolis of the late twentieth century

The Great Escape Angus Deaton,2024-05-21 The world is a better place than it used to be People are wealthier and healthier Yet the escapes from destitution by so many have left gaping inequalities between people and between nations This book tells the story of how some parts of the world began to experience sustained progress and set the stage for unequal world

Henry James Susan L. Mizruchi,2021 Henry James A Very Short Introduction places Henry James s notoriously difficult writings in their historical and biographical context Henry James had a major impact on the literary culture of his time and ever since From his childhood through his mature life James created a unique body of fiction travel writing reviews and theory that represents one of the greatest achievements in America s literary history This VSI studies various fictional and non fictional works by James These complex accounts of human experience engage with the vital issues of both James s era and our own including gender relations sexuality the nature of modernity the threat of relativism and the role of art
