Rediscovering The Impact Of Jesus Death:

Rediscovering the Impact of Jesus' Death Joseph A. Grassi, 1987 **Reading and Understanding the Gospels** Thomas B. Lane, 2011 Reading and Understanding the Gospels Who Jesus Is What He Teaches and the Beginning of Christianity This is the second volume of a three volume series written for anyone who is interested in acquiring basic knowledge and understanding of the Bible the book that is the foundation of Western and Middle Eastern civilizations The first volume is titled Reading and Understanding the Old Testament The Foundation of Judaism Christianity and Islam The last volume will be Reading and Understanding the Acts of the Apostles the New Testament Letters and the Beginning of the Church This second volume like the others uses scholarship in a practical manner moving chapter by chapter through each Gospel using the actual verses as it explains clearly their basic meaning for people in ancient time and our time today The readers will experience and get a complete sense of the content and meaning of Matthew Mark Luke and John the Gospels that Christians call inspired writings Like the first volume on the Old Testament the author integrates the historical and the literary with the theological in order to highlight the meaning of each Gospel Once again the author has taken a difficult subject made it easy reading and filled it with challenging insights This book is strongly recommended not just for Christians but for those who are interested in knowing what the first Christians said about Jesus what he taught and how Christianity began **The Gospel of Matthew** John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative Jesus, the Christ Brennan R. Hill, 2014-02-25 Christology that is the study of Jesus is a many faceted subject In this new edition of Jesus the Christ Brennan Hill clearly and cogently explores this critical theological area resulting in a luminous and reliable portrait of the Jesus of history and the Christ of faith He deftly surveys both the breadth of information covered in the previous edition as well as the wealth of developments that have occurred in the field since the early 1990s Jesus the Christ looks at the people and places in Jesus time then moves to a search for the historical Jesus Hill next looks at the many areas of Jesus life and mission teacher

prophet miracle worker man of the earth advocate for women savior and liberator He examines the main gospel stories about Jesus birth death and resurrection and illustrates how the early christological doctrines developed This new edition is written in a more informal and accessible style enabling students to well understand and grasp the concepts and facts about the subject Each chapter ends with discussion questions and a list of suggestions for further reading Jesus the Christ is eminently readable constantly challenging and filled with timely information in nontechnical language It is strongly rooted in the best of modern biblical translation and will be welcomed by students teachers and the general reader alike

The Gospel of Matthew and the Sayings Source Q Frans Neirynck,1998 **Journal of the American Academy of Religion** American Academy of Religion,1988 Elenchus of Biblica ,1990 **The Gospel of Mark** ,1992 *Elenchus bibliographicus* ,1988 *Transcending Boundaries* Francis J. Moloney,2005 *The Publishers Weekly* ,2004 **New Testament Abstracts** ,1988 **Studies in the Textual Criticism of the New Testament** Bart D. Ehrman,2006-05-01 For the first time in one volume this book presents contributions to the textual criticism of the New Testament made over the past twenty years by Bart Ehrman one of the premier textual scholars in North America The collection includes fifteen previously published articles and six lectures delivered at Duke University and Yale University on a range of topics of central importance to the field Following a general essay that gives an introduction to the field for beginners are several essays dealing with text critical method especially pertaining to the classification of the Greek manuscript witnesses There then follow two articles on the history of the text several articles on important specific textual problems and three articles on the importance and use of patristic evidence for establishing the text and writing the history of its transmission The volume concludes with six lectures designed to show the importance not only of reconstructing an allegedly original text but also of recognizing how that text was changed by scribes of the early Christian centuries This book will be of vital interest to any scholar or advanced student of the New Testament and early Christianity It will make an ideal companion volume for Bart Ehrman s ground breaking study *The Orthodox Corruption of Scripture The Effects of Early Christological Controversies on the Text of the New Testament* Oxford 1993 and the volume he co edited with Michael Holmes *The Text of the New Testament in Contemporary Research Essays on the Status Quaestionis* Eerdmans 1995

Paperbound Books in Print ,1992 *Jesus and His Death* Scot McKnight,2005 Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus own mission to protect his own followers from the judgment of God

The Forgiveness of Sins Tim Carter,2016-08-25 In *The Forgiveness of Sins* Tim Carter examines the significance of forgiveness in a New Testament context delving deep into second century Christian literature on sin and the role of the early

church in mitigating it This crucial spiritual issue is at the core of what it means to be Christian and Carter's thorough and erudite examination of this theme is a necessity for any professional or amateur scholar of the early church Carter's far reaching analysis begins with St Luke who is often accused of weakness on the subject of atonement but who in fact uses the phrase forgiveness of sins more frequently than any other New Testament author Carter explores patristic writers both heterodox and orthodox such as Marcion Justin Martyr and Origen He also deepens our understanding of Second Temple Judaism and the theological context in which Christian ideas about atonement developed Useful to both the academic and the pastoral theologian *The Forgiveness of Sins* is a painstaking clear eyed exploration of what forgiveness meant not only to early Christians such as Tertullian Irenaeus and Luke but to Jesus himself and what it means to Christians today **The Death of Jesus** Alexander J. M. Wedderburn, 2013 The death of Jesus and its interpretation present both exegetes and theologians with a puzzle For Jesus himself seems to have left his followers few clues and the story of his passion is ambivalent embracing both his reluctant self surrender in Gethsemane and his reproachful cry on Golgatha Some of the various motifs and images used by his followers to explain this event were taken over by Paul despite the opposition he saw between the message of the cross and any human wisdom Yet what meaning do two of the central themes of his soteriology the corporate representative role of Christ and the language of righteousness and justification hold for us today Or does Paul offer just as little help here as Jesus himself did **Index to Book Reviews in Religion**, 1995 **Jesus, the Christ** Brennan Hill, 1991 Comprehensive and up to date research combined with the author's great gift of communication makes this a particularly popular text for introducing the historical Jesus to college students and adults Current issues are treated with clarity and candor Forthcoming Books Rose Arny, 1988-09
