Rediscovering Fatima:

Rediscovering Fatima Robert Joseph Fox, 1982 The next best thing to an actual pilgrimage In 1917 two small children in a remote village in Portugal had a series of visions of the Blessed Virgin Our Lady told them how sin was responsible for all the world's troubles and explained how devotion to her Immaculate Heart would restore union with God But apart from these visits from heaven their lives were commonplace They were born lived and died as peasant children Yet today they are known and revered throughout the world Now for the first time the complete story of Blessed Francisco and Jacinta Marto has been revealed in a full length book by Leo Madigan Marked by poignant intimate details and a captivating writing style this moving biography of two extraordinary children is sure to become an instant classic *Marian Apparitions, the Bible, and the Modern World* Donal Anthony Foley, 2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments the Reformation the French and Russian Revolutions the rise of Nazism These Marian apparitions and particularly Fatima are not historically unimportant events but rather follow a preordained plan they have a crucial role in helping us to see how the modern world with all its problems has developed Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible a crucial element in the theology and exegesis of the early Church Fathers By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised Here is a convincing demonstration that the future of the Church and the papacy is intimately bound up with a proper understanding of the role of Mary there will only be true peace in the world when her message is accepted and lived If you thought you really understood how the modern world developed and the role and meaning of Marian apparitions then this book will make you think again Donal Foley has written a book with an extraordinary message Aidan Nichols O P **When the Sun Danced** Jeffrey S. Bennett, 2012 Between May and October of 1917 three young shepherds were reportedly visited six times by an apparition of the Virgin Mary near the town of Fatima in Portugal At the final apparition event approximately 70 000 visitors gathered to witness a prophesied miracle intended to convince the public that the children's visions were of divine origin The miracle took the form of a solar anomaly witnesses claimed that the sun began to dance Exploring the early development of the cult of the Virgin of Fatima and the overthrow of the liberal secular government by pro Catholic elements Jeffrey Bennett offers the first book length scholarly study of the cult's relationship to the rise of authoritarian politics in Portugal When the Sun Danced offers a fascinating look at the cultural dynamics that informed one of the most turbulent periods in the nation's history **Fatima Family Messenger**, 1993

The Forgotten Rev. Christopher Lawrence Zuger, 2001-04-01 This remarkable work traces the history of Soviet Catholicism from its rich life in 1914 through its tentative fate in the first sixty years of the USSR Rev Zuger tells of the faithful men and women shackled by dictatorship doomed to deportation and abandoned by their own church in the west

Soviet Russia was an empire born of atheism with religion viewed as a threat to the state's notion of individualism. By 1932 dictator Joseph Stalin firmly declared that religion would be extinct in the USSR within five years. In this compelling volume Zugger details the Soviet campaign against Catholicism among many ethnic groups and worshippers whose devotion would not be shaken. He shows how they kept faith alive in prison camps in remote villages in monastery prisons and in the secrecy of their homes where the light of faith continued to burn brightly while churches crumbled or became dance halls and office buildings. This is the first book in English to recount the fate of Catholic Russia and the church in the various lands conquered by Soviet rule. It is at once a memorial to those who perished, a tribute to those who survived, and a testament to the enduring power of faith.

Encountering Mary Sandra L. Zimdars-Swartz, 2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide. Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue. Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community. Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief. The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world. UFOs and the Extraterrestrial Contact Movement: The extraterrestrial contact movement George M. Eberhart, 1986 *The Cult of the Virgin* Elliot Miller, Kenneth R. Samples, 1992 Under John Paul II reverence for the Virgin Mary has intensified. Pilgrims follow their pope to worship at sites where supernatural appearances of the Virgin are claimed to have occurred.
