

A person stands in a dark, misty forest, looking up at two large, glowing, oval-shaped portals. The portals are filled with vibrant, swirling galaxies of blue, orange, and purple, set against a starry night sky. The person is silhouetted against the bright light of the portals. The overall atmosphere is magical and ethereal.

Vaverek, 2022-08-12 Over many centuries Christians have lost sight of the heart of the Eternal Covenant our nuptial union with God in Jesus as members of his Body and Bride This has fueled a growing crisis of Christian identity and witness Only by rediscovering the depth and beauty of our salvation in Christ will we be drawn to share more fully in his life and saving mission But that requires encountering anew the scriptural and early Christian understanding of redemption as a nuptial bond rather than merely a juridical pardon of sin Beginning with the Trinity's revelation of himself and his Covenant in the person of Jesus *As I Have Loved You* examines our own existence as persons and how the Covenant relationship weds us to Christ in his loving service of God and neighbor That union prepares us for the Wedding Feast of the Lamb when we will know and love God even as he knows and loves us *REDISCOVERING Your Life PURPOSE* Albert Sampana, 2025-08-01

The Path to God's Heart Bernard Huber,2011 Bernard Huber was born in France in 1954 and is today pastor in the Reformed Church of Switzerland He has been deeply involved in development aid in India and with the Bartimaeus Project for many years He spends part of his time in India every year He

discovered very soon that people in great material need are also in need of spiritual help So he introduced the Prayer of Stillness amongst Indian Christians many years ago and has been able to see incredible changes taking place in the lives of those who faithfully practise this form of prayer The Prayer of Stillness leads us to a place where we can rediscover our own hearts and learn to use our innate strength and energy in a more healthy way Many individuals in the vast ocean of mankind have feelings of insecurity and become aware of the fact that a person needs a retreat they can retire to whenever they feel the need We need to find our innermost selves and to rediscover God the Prayer of Stillness will help us along the path to the ultimate goal The time has come for the Christian world to realise that changing anything of any importance is going to demand a sacrifice and that we are the ones who will have to make that sacrifice *Rediscovering God's Grand Story* James M. Roseman,2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In *Rediscovering God's Grand Story* James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God's Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time

Rediscovering Values Jim Wallis,2010-01-05 When we start with the wrong question no matter how good an answer we get it won t give us the results we want Rather than joining the throngs who are asking When will this economic crisis be over Jim Wallis says the right question to ask is How will this crisis change us The worst thing we can do now Wallis tells us is to go back to normal Normal is what got us into this situation We need a new normal and this economic crisis is an invitation to discover what that means Some of the principles Wallis unpacks for our new normal are Spending money we don t have for things we don t need is a bad foundation for an economy or a family It s time to stop keeping up with the Joneses and start making sure the Joneses are okay The values of commercials and billboards are not the things we want to teach our children Care for the poor is not just a moral duty but is critical for the common good A healthy society is a balanced society in which markets the government and our communities all play a role The operating principle of God s economy says that there is enough if we share it And much much more In the pages of this book Wallis provides us with a moral compass for this new economy one that will guide us on Wall Street Main Street and Your Street Embracing a New Economy Getting back

to the way things were is not an option It is time we take our economic uncertainty and use it to find some moral clarity Too often we have been ruled by the maxims that greed is good it s all about me and I want it now Those can be challenged only with some of our oldest and best values enough is enough we are in it together and thinking not just for tomorrow but for future generations Jim Wallis shows that the solution to our problems will be found only as individuals families friends churches mosques synagogues and entire communities wrestle with the question of values together The Zondervan 2023 Pastor's Annual T.
