Redtape Pigeonhole Generals Andrew A Humphreys In The Army Of The Potomac:

Red-tape and Pigeon-hole Generals William Henry Armstrong, 1999 **Red-tape and Pigeon-hole Generals** William Henry Armstrong, 1999 Originally published in 1864 this rollicking story of the way it was in the Army of the Potomac is actually a thinly disguised attack on the character and military ability of Gen Andrew A Humphreys In masterful accompanying commentary Arner identifies the main players and units and taps primary sources that support the original author's view **Army History**, 2010 Colonels in Blue Roger D. Hunt, 2007 profiles contain an overview of each colonel's military career including his previous ranks and commands his occupation and education his dates of birth and death his place of burial and a list of sources for further reading Where possible a photograph accompanies each profile The author has also provided a list of every infantry militia cavalry and artillery regiment in each state complete with a succession of its commanding officers Dust jacket flap **A Republic in the Ranks** Zachery A. Fry, 2020-02-21 The Army of the Potomac was a hotbed of political activity during the Civil War As a source of dissent widely understood as a frustration for Abraham Lincoln its onetime commander George B McClellan even secured the Democratic nomination for president in 1864 But in this comprehensive reassessment of the army's politics Zachery A Fry argues that the war was an intense political education for its common soldiers Fry examines several key crisis points to show how enlisted men developed political awareness that went beyond personal loyalties By studying the struggle between Republicans and Democrats for political allegiance among the army's rank and file Fry reveals how captains majors and colonels spurred a pro Republican political awakening among the enlisted men culminating in the army's resounding Republican voice in state and national elections in 1864 For decades historians have been content to view the Army of the Potomac primarily through the prism of its general officer corps portraying it as an arm of the Democratic Party loyal to McClellan's leadership and legacy Fry in contrast shifts the story's emphasis to resurrect the successful efforts of proadministration junior officers who educated their men on the war's political dynamics and laid the groundwork for Lincoln's victory in 1864 Civil War Book Review, 1999 **The Forgotten Charge** Scott B. Lang, 2002 **American Book Publishing Record**, 1998 **Subject Catalog of the Military Art and Science Collection in the Library of the United States Military Academy** United States Military Academy. Library, 1969 **Red-tape and Pigeon-hole Generals** Henry Morford, 1864 *Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles*, 2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton's new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new

Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander's name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion *Red-Tape and Pigeon-Hole Generals*, 1864 *Red-Tape and Pigeon-Hole Generals as Seen from the Ranks During a Campaign in the Army of the Potomac* Armstrong William H, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Red-tape and Pigeon-hole Generals: Henry Morford*, 2019-07-19 **Red-Tape and Pigeon-Hole Generals** HardPress, Morford Henry 1823-1881, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Red-Tape and Pigeon-Hole Generals** Jacob G. Armstrong, 2018-06-27 **Red-Tape and Pigeon-Hole Generals**, 2015-07-11 Excerpt from *Red Tape and Pigeon Hole Generals As Seen From the Ranks During a Campaign in the Army of the Potomac* Greek fire has shivered the statue of John C Calhoun in the streets of the City of Charleston so the papers say Whether true or not the Greek fire of the righteous indignation of a loyal people is fast shattering the offspring of his infamous teachings the armed treason of the South and its more cowardly ally the insidious treachery that lurks under doubtful cover in the loyal States In thunder tones do the masses declare that now and for ever they repudiate the Treason and despise the Traitor Nobly are the hands of our Honest President sustained in prosecuting this most righteous war In a day like this the least that can be expected of any citizen is duty We are all co partners in our beneficent government We should be co laborers for her defence Jealous of the interests of her brave soldiery for they are our own Proud of their noble deeds they constitute our National Heritage If these campaign sketches gathered in actual service during 1862 3 and grouped during the spare hours of convalescence from a camp fever correct one of the least of the abuses in our military machinery if they lighten the toil of the humblest of our soldiers or nerve anew the resolves of loyalty tempted to despair the writer will have no reason to complain of labor lost Great latitude of excuse for the existence of abuses must be allowed when we consider the suddenness with which our volunteers sprang into ranks at the outset of the Rebellion Now that the warfare is a system there is less reason for their continuance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at
