

REEVALUATING  
MAJOR NAVAL COMBATANTS  
OF  
WORLD WAR II

---

*Edited by James J. Sadkovich*

# Reevaluating Major Naval Combatants Of World War II

**Vincent O'Hara, David Dickson, Richard  
Worth**

## **Reevaluating Major Naval Combatants Of World War II:**

*Reevaluating Major Naval Combatants of World War II* James J. Sadkovich, 1990 This volume is the first recent work to examine the major naval combatants of World War II Sadkovich has brought together essays by eight contributors each an expert in his field to reevaluate the roles and performances of the particular navies and the specific geopolitical circumstances under which they operated Also included is an introduction that both outlines the pre War conditions that shaped the navies and draws comparisons between the eight combatants *Reevaluating Major Naval Combatants of World War II* is a superb collection of provocative essays on eight navies Carl Boyd Old Dominion University This study of World War II naval combatants a collection of eight separate essays developed out of the editor's recognition that no recent work has attempted to evaluate the performance of the war's major naval participants Sadkovich commissioned an essay on each of the eight major navies involved in the war allowing each essay's author to assess the role and performance of a particular navy according to the tasks and compositions of that combatant Although each essay mirrors the peculiarities of the navy under discussion the common elements allow comparisons and conclusions to be drawn The volume is devoted to the United States Great Britain Canada Japan France Germany Italy and the Soviet Union Each essay has been written by an expert in the particular field In addition the editor has provided an introduction that describes the changing state of navies worldwide prior to the war and draws comparisons between the navies discussed in each essay A selected bibliography has also been included The book will be a noteworthy addition to both university and public libraries and an essential source for researchers and scholars of naval history

**Reevaluating Major Naval Combatants of World War II** James J. Sadkovich, 1990 This volume is the first recent work to examine the major naval combatants of World War II Sadkovich has brought together essays by eight contributors each an expert in his field to reevaluate the roles and performances of the particular navies and the specific geopolitical circumstances under which they operated Also included is an introduction that both outlines the pre War conditions that shaped the navies and draws comparisons between the eight combatants *Reevaluating Major Naval Combatants of World War II* is a superb collection of provocative essays on eight navies Carl Boyd Old Dominion University This study of World War II naval combatants a collection of eight separate essays developed out of the editor's recognition that no recent work has attempted to evaluate the performance of the war's major naval participants Sadkovich commissioned an essay on each of the eight major navies involved in the war allowing each essay's author to assess the role and performance of a particular navy according to the tasks and compositions of that combatant Although each essay mirrors the peculiarities of the navy under discussion the common elements allow comparisons and conclusions to be drawn The volume is devoted to the United States Great Britain Canada Japan France Germany Italy and the Soviet Union Each essay has been written by an expert in the particular field In addition the editor has provided an introduction that describes the changing state of navies worldwide prior to the war and draws comparisons between the navies discussed in

each essay A selected bibliography has also been included The book will be a noteworthy addition to both university and public libraries and an essential source for researchers and scholars of naval history

**Naval Warfare 1919-45** Malcolm H. Murfett, 2008-11-04 Naval Warfare 1919 45 is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual s performance under acute pressure and sheer luck Naval Warfare 1919 45 is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public

**World War II** Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research

**The Secret War for the Middle East** Youssef Aboul-Enein, 2013-10-15 It can be argued that the Middle East during the World War II has been regarded as that conflict s most overlooked theater of operations Though the threat of direct Axis invasion never materialized beyond the Egyptian Western Desert with Rommel s Afrika Korps this did not limit the Axis from probing the Middle East and cultivating potential collaborators and sympathizers These actions left an indelible mark in the socio political evolution of the modern states of the Middle East This book explores

the infusion of the political language of anti-Semitism nationalism fascism and Marxism that were among the ideological byproducts of Axis and Allied intervention in the Arab world The status of British dominated Middle East was tailor made for exploitation by Axis intelligence and propaganda German and Italian intelligence efforts fueled anti British resentments their influence shaped the course of Arab nationalist sentiments throughout the Middle East A relevant parallel to the pan Arab cause was Hitler's attempt to bring ethnic Germans into the fold of a greater German state In theory as the Sudeten German stood on par with the Carpathian German so too according to doctrinal theory did the Yemeni stand in union with the Syrian in the imagination of those espousing pan Arabism As historic evidence demonstrates this very commonality proved to be a major factor in the development of relations between Arab and Fascist leaders The Arab nationalist movement amounted to nothing more than a shapeless fragmented counter position to British imperialism imported to the Arab East via Berlin for Nazi aspirations

**War at Sea** Nathan Miller,1997-01-30 From the sinking of the British passenger liner Athenia on September 3 1939 by a German U boat against orders to the Japanese surrender on board the Missouri on September 2 1945 War at Sea covers every major naval battle of World War II A first rate work and the best history of its kind yet written Vice Admiral William P Mack U S N Ret 30 photos *Black Shoes and Blue Water* Malcolm Muir,1996 Contributions to Naval History No 6 Presents Professor Muir's account of the thirty year development of surface warfare capabilities especially within the Navy's cruiser and destroyer force Pays particular attention to the development of weapons the evolution of sensors and command and control systems and the institutional steps taken to professionalize the surface warfare community

**The Influence Of British Operational Intelligence On The War At Sea In The Mediterranean June 1940 - November 1942** Lieutenant Commander Mark E. Stille,2014-08-15 Intelligence derived from a number of sources primarily the decryption of high level German and Italian communications provided British forces in the Mediterranean with extraordinary insights into Axis naval operations This level of intelligence was instrumental to the success of British forces during most of the decisive points during the naval war in the Mediterranean and indirectly had great influence on the ground war in North Africa Many of the hallmarks of the nature in which operational intelligence was used retains relevance for today's operational commander These include use of intelligence to identify and attack enemy centers of gravity the importance of incorporating intelligence into the planning process use of intelligence as a force multiplier but not as a force substitute and the dissemination and handling of sensitive intelligence Taranto Christopher O'Connor,2025-02-14 During World War II on the night of November 11th 1940 The British Royal Navy launched the first all aircraft ship to ship naval attack against the Italian Navy Taranto The Raid The Observer The Aftermath tells the story of this raid and its significance to the attack on Pearl Harbor one year later More than a year before the attack on Pearl Harbor aircraft of the Royal Navy's Fleet Air Arm executed a surprise attack on ships of the Italian Fleet anchored in the harbor of Taranto The raid on Taranto anticipated the attack on Pearl Harbor and historians have seen it as a precursor to the larger and more devastating strike by

the Imperial Japanese Navy The Taranto raid takes on added significance with the little known fact that an officer of the US Navy was aboard the British aircraft carrier and reported extensively on the attack to the Office of Naval Intelligence in Washington For the first time this book tells the entire story of Taranto and its relevance to Pearl Harbor The book describes the attack in detail and clears up mistakes and misconceptions that appeared in previous publications The damage was done by 21 planes flown off the deck of HMS Illustrious with daily reconnaissance flights of the Royal Air Force Illustrious took to sea the radar and aircraft control procedures that helped win the Battle of Britain From British sources the book describes the techniques used to allow the successful use of aerial torpedoes in the shallow waters of Taranto harbor About the Author Christopher O Connor earned a BA from Union College and an MBA from Northwestern University For fifteen years he worked as a hospital administrator In 1993 he began a new career as a full time father to five children His wife Susan is a dentist in private practice since 1987 The development of this book began with a footnote in Prange s *At Dawn We Slept* This is his first book but he has previously published articles in hospital management journals and op ed pieces in newspapers The book is based on original research in the National Archives in Washington DC Born in Springfield MA Mr O Connor now lives in the Blue Ridge Mountains of Southwest Virginia

**Atrocity, Deviance, and Submarine Warfare** Nachman Ben-Yehuda, 2013-08-08 In the early 20th century the diesel electric submarine made possible a new type of unrestricted naval warfare Such brutal practices as targeting passenger cargo and hospital ships not only violated previous international agreements they were targeted explicitly at civilians A deviant form of warfare quickly became the norm In *Atrocity Deviance and Submarine Warfare* Nachman Ben Yehuda recounts the evolution of submarine warfare explains the nature of its deviance documents its atrocities and places these developments in the context of changing national identities and definitions of the ethical at both social and individual levels Introducing the concept of cultural cores he traces the changes in cultural myths collective memory and the understanding of unconventionality and deviance prior to the outbreak of World War I Significant changes in cultural cores Ben Yehuda concludes permitted the rise of wartime atrocities at sea *Lessons Not Learned* Roger Thompson, 2013-07-10 Despite its reputation as the most impressive naval force in the world the U S Navy is in trouble according to the author of this book and systemic weaknesses could be its undoing Here military sociologist Roger Thompson provides a compelling often scathing assessment of the U S Navy and its learning disabilities and then presents a convincing argument for reform Thompson points to the U S Navy s up or out promotion system massive personnel turnover inexperienced crews and drug and alcohol abuse as problems that make it difficult for the Navy to build cohesive well trained fighting units In a review of the Navy s recent history he finds that its ships submarines and aircraft are often outperformed in competitions and exercises with other navies and its failures are either denied altogether or perfunctorily excused Diesel submarines so quiet that they are rarely detected until it s too late to prevent an attack routinely surpass expensive U S nuclear subs and put U S aircraft carriers in danger American naval pilots whose weapons are often

improperly tested are frequently bested by military pilots from other countries Because the U S Navy doesn't have enough surface ships to protect its capital ships American carrier strike groups now use Canadian ships as escorts Shortcomings like these Thompson argues undermine the Navy's potential and should be cause for national concern In presenting a side of the U S Navy that's rarely discussed this book spells out lessons the Navy must learn if it is going to succeed in an era of asymmetrical warfare of David versus Goliath conflicts In his conclusion the author puts forth a twelve step program that calls on the U S Navy to rethink its naval strategy to lose some weight and to focus on the fundamentals The China-Burma-India Campaign, 1931-1945 Eugene L. Rasor, 1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations

**Pearl Harbor** Spencer C. Tucker, 2015-10-13 This book provides students with an understanding of the motives behind the Japanese attack on Pearl Harbor and the consequences of this action on Japan on the United States and on the outcome of World War II This essential reference guide is devoted to one of the most important military events in American history the Pearl Harbor attack of December 7 1941 the day of infamy Distinguished military historian Spencer C Tucker is the editor of this thorough study of the Japanese attack that contains reference entries as well as primary documents and oral histories describing the circumstances that led up to the attack the event itself and its immediate aftermath and consequences thereby providing readers with the necessary context to understand all aspects of the attack on Pearl Harbor Readers will understand why Japanese leaders decided to go to war with the United States what they expected to accomplish in attacking Pearl Harbor why this key American base was not better defended and what the aftereffects of the attack were for the outcome of the war Biographies on major players in the crisis such as Franklin Roosevelt Chester Nimitz Isoroku Yamamoto and Hideki Tojo will provide insight into the individuals who played key roles in the events before during and after December 7 1941

**Air University Library Index to Military Periodicals**, 1992 **Infantry**, 1990 **Post-war Japan as a Sea Power** Alessio Patalano, 2015-04-23 In Post war Japan as a Sea Power Alessio Patalano incorporates new exclusive source material to develop an innovative approach to the study of post war Japan as a military power This archival based history of Asia's most advanced navy the Japanese Maritime Self Defence Force JMSDF looks beyond the traditional perspective of viewing the

modern Japanese military in light of the country's alliance with the US. The book places the institution in a historical context analysing its imperial legacy and the role of Japan's shattering defeat in WWII in the post war emergence of Japan as East Asia's sea power.

**On Seas Contested** Vincent O'Hara, David Dickson, Richard Worth, 2014-02-15. *On Seas Contested* is an in depth analysis of the Second World War's seven major navies. A team of expert naval historians have contributed chapters outlining the navies of the United States, the United Kingdom and Commonwealth, Japan, Germany, Italy, France and the Soviet Union. Each chapter consistently details key features such as weaponry, training, logistics and doctrine. This definitive work will be a standard reference for years to come.

**Japan, 1941** John E. Moser, 2022-07-01. Set in Japan during the early years of World War II, this game helps students understand the political and strategic reasons behind Japan's decision to enter the war. Taking on the roles of leading figures in Tokyo, army or navy officers, bureaucrats and members of the Imperial Court, students are thrust into the middle of Japan's strategic dilemma. Drawing on important works from Japan's past, players must advise the emperor on how to proceed. Will they call for a strike south to seize the natural resources of Southeast Asia even at the risk of war with Great Britain and the United States? Or will they seek an understanding with those nations even if it means giving up the ideal of a Pan Asian partnership?

*A Companion to World War II* Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21. *A Companion to World War II* brings together a series of fresh academic perspectives on World War II, exploring the many cultural, social and political contexts of the war. Essay topics range from American anti-Semitism to the experiences of French African soldiers, providing nearly 60 new contributions to the genre arranged across two comprehensive volumes. A collection of original historiographic essays that include cutting edge research. Analyzes the roles of neutral nations during the war. Examines the war from the bottom up through the experiences of different social classes. Covers the causes, key battles and consequences of the war.

**The Fascist Experience in Italy** John Francis Pollard, 1998. This book examines the development of Italian Fascism and surveys the themes and issues of the movement. It includes fully integrated analysis, extensive notes on sources, a glossary and a useful guide to further reading.

Eventually, you will utterly discover a extra experience and carrying out by spending more cash. nevertheless when? accomplish you put up with that you require to acquire those every needs bearing in mind having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more nearly the globe, experience, some places, following history, amusement, and a lot more?

It is your no question own era to decree reviewing habit. in the course of guides you could enjoy now is **Reevaluating Major Naval Combatants Of World War Ii** below.

## Reevaluating Major Naval Combatants Of World War II Introduction

Reevaluating Major Naval Combatants Of World War II Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reevaluating Major Naval Combatants Of World War II Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reevaluating Major Naval Combatants Of World War II : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Reevaluating Major Naval Combatants Of World War II : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reevaluating Major Naval Combatants Of World War II Offers a diverse range of free eBooks across various genres. Reevaluating Major Naval Combatants Of World War II Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reevaluating Major Naval Combatants Of World War II Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reevaluating Major Naval Combatants Of World War II, especially related to Reevaluating Major Naval Combatants Of World War II, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reevaluating Major Naval Combatants Of World War II, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reevaluating Major Naval Combatants Of World War II books or magazines might include. Look for these in online stores or libraries. Remember that while Reevaluating Major Naval Combatants Of World War II, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reevaluating Major Naval Combatants Of World War II eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reevaluating Major Naval Combatants Of World War II full book , it can give you a taste of the

authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reevaluating Major Naval Combatants Of World War Ii eBooks, including some popular titles.

### FAQs About Reevaluating Major Naval Combatants Of World War Ii Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reevaluating Major Naval Combatants Of World War Ii is one of the best book in our library for free trial. We provide copy of Reevaluating Major Naval Combatants Of World War Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reevaluating Major Naval Combatants Of World War Ii. Where to download Reevaluating Major Naval Combatants Of World War Ii online for free? Are you looking for Reevaluating Major Naval Combatants Of World War Ii PDF? This is definitely going to save you time and cash in something you should think about.
