Behind Closed Doors Erik de Haan,2016-06-30 Behind Closed Doors is a ground breaking exploration of executive coaching based on a wide range of real life case studies of coaching in action Despite the significant growth of executive coaching over the last 20 years very few case studies are available which can be used to guide practising coaches and those who retain their services and which reveal the reality of coaching in action Yet when the curtain is pulled back we can learn much about the impact of

different interventions and different styles where change happens for the better and where potential pitfalls may occur. Written by skilled and experienced practitioners and showing what happens inside coaching relationships this book provides just such guidance.

Executive Performance Norah Njuba Bwaya, 2017-09-14. Three words describe the treatise in your hands: passion, experience, and depth. It is one thing to write a theory and quite another to adduce gems of wisdom from a calling that was lived in numerous settings explored over decades and then studied: such is the case for Dr Norah's *Executive Performance*. The book includes lessons from a doctoral study on executive performance in Uganda. It presents a framework of eight critical pillars of executive performance and a model for generating intrinsic motivation to perform. It confirms that performance is mostly about leadership, sociocultural beliefs, and performers' attitudes. More importantly, it presents practical ideas about leadership that appropriately addresses sociocultural and mind-set challenges to unlock performance among Ugandan executives. In here are invaluable thoughts, nuggets, and incredible wisdom for business owners, organization leaders, and executives who are looking for ideas to enhance organizational performance in an African setting. Indeed, *Executive Performance* is a collector's piece.

Part II delves into the key ethical considerations in the coaching relationship, including contracting, confidentiality, and understanding boundaries. It explores each issue in depth and offers implications and suggestions for practice. Part III examines individual professional contexts, including coaching in business, sports, and healthcare, with real-life examples and reflections from practising coaches. This book is vital reading for trainee and practitioner coaches and those looking to introduce ethical coaching practice into a professional setting.

Leading by Coaching Nick Marson, 2019-04-27. Leadership used to be about telling people to go where you sent them; now it's about persuading them to come with you. Old leaders needed to create an artificial persona of infallible authority to issue orders that were obeyed; today's leaders need to uncover their own authentic leadership personality and bring that open and honest self to conversations that bring others to willing and lasting change. To do so effectively, they need to unlearn old leadership behaviours and develop totally different ones. In

Leading by Coaching Nick Marson shows how Leaders are shown how to Look In to develop greater self awareness Look Out to others by utilising a coaching approach and Look Beyond to face uncertainty manage adaptability and acquire resilience Marson s approach is based on deeply researched principals multiple social science disciplines the latest cognitive neurological and psychological research and in depth research interviews with over 20 CEOs and senior executives It has been developed and refined over many years of practice If leaders want to drive impactful change they need to understand how to hold the coaching conversations that power it They need to lead by coaching
