**Subversive Spirituality** L Paul Jensen, 2011-06-30 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture s increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to havewidespread applicability to diverse cultures and eras Jensen s model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivativemodel for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed

*The Dusty Ones* A. J. Swoboda, 2016-02-23 Through every turn of the biblical story God s people are a wandering people When they are rescued from slavery in Egypt God sends them into the desert where they wander for a generation Jesus and his disciples wander from town to town In fact some of God s most important truths are imparted to people with dusty feet as they travel on the road With his trademark thoughtful introspection A J Swoboda boldly suggests that wandering is not an absence of faith but a central component of faith In *The Dusty Ones* he leads the restless the frustrated and the curious on a spiritual journey to uncover the answers to questions

like Do I wander because I m failing or because God has left me Is the desert something I can overcome Why is God sometimes hidden in the Bible What do I do when the end seems nowhere in sight This compassionate and contemplative book offers hope and peace to Christians and seekers alike as they make their way down the winding road of faith *The Righteousness of God* Charles Lee Irons,2015-03-10 Advocates of the New Perspective on Paul appeal to the view that righteousness in biblical theology is a Verhältnsbegriff relational concept This is the view that righteousness does not mean conformity to a norm nor is it an essentially legal concept rather righteousness denotes the fulfillment of the demands of a relationship since the relationship itself is the norm This relational interpretation of righteousness was first put forward by Hermann Cremer in 1899 and exercised a profound influence in biblical scholarship throughout the 20th century It lies at the root of the New Perspective claim that the righteousness of God in Paul is a cipher for God s saving faithfulness to his covenant a view defended by N T Wright among others Charles Lee Irons provides a critical examination of Cremer s chief arguments for the relational covenant faithfulness interpretation The author argues instead for the view that the righteousness of God in Rom 1 17 3 21 22 10 3 2 Cor 5 21 and Phil 3 9 is the status of righteousness that comes from God as a gift
