Reform Of State Legislatures And The Changing Character Of Representation:

The Reform of State Legislatures and the Changing Character of Representation Eugene W. Hickok, Jeffrey Leigh Sedgwick, 1992 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com **The Reform of State Legislatures and the Changing Character of Representation** Eugene W. Hickok, Jeffrey Leigh Sedgwick, 1992 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *Term Limits and the Dismantling of State Legislative Professionalism* Thad Kousser, 2005 The wisdom of term limits and professional politics has been debated since the time of Aristotle spurring reforms of legislatures in Athens Rome Venice and in the US under the Articles of Confederation This book examines recent trends in American states in order to investigate the age old question of how the rules that govern a legislature affect the behavior of its members and the policies that it produces The clear and consistent finding is that the two reforms have countervailing effects whatever professionalization has brought more of term limits have reduced This lesson comes from quantitative analyses of data from all fifty states and detailed examinations of legislative records from six states informed by interviews with over one hundred legislators staff assistants lobbyists journalists and executive officials [The Contemporary Pennsylvania Legislature](#) John J. Kennedy, 1999 In *The Contemporary Pennsylvania Legislature* John J Kennedy explores a variety of topics that are relevant for any small lawmaking institution He investigates to what degree current social and technological changes have affected the Pennsylvania legislature and how it has been transformed from a part time lawmaking body to a full time professional institution The data for Kennedy s study comes from a survey of legislators who served in the 1993 1994 Pennsylvania Assembly as well as candidates who ran for office but were defeated Noting that political parties are on the decline in the U S Kennedy examines whether lawmakers are more inclined to follow their own interests their parties or those of their constituents when voting on particular issues In addition to discussing the philosophical dispositions of legislators he also examines the electoral experiences of defeated candidates Kennedy s study is an important resource for those interested in American government the legislative process or political science **Burton Barr** Philip VanderMeer, 2014-11-06 Politics like poker requires timing and risk and Burton Barr of Arizona knew it The deal maker of Arizona politics would say You gotta know when to hold them For more than two decades Barr played his political cards with skill as he led Arizona through an era of enormous growth and success Considered perhaps the most influential person in Arizona s political development Burton Barr represented north central Phoenix in the Arizona House of Representatives for the twenty two years from 1964 to 1986 As the Republican House Majority Leader for twenty of those years he left his fingerprints on every major piece of legislation during those decades covering such issues as air pollution health care for indigents school aid the tax code prison reform child care groundwater management and freeway funding Burton Barr s political life unfolded during the very time his state and region shifted from being outliers to trendsetters His choices in policy making and his leadership style were

both an outcome and a creator of his sociopolitical environment Arizona politics in the 1960s and 70s was a rich brew of key elements a time when the economy was being transformed the nature and distribution of populations shifted partisan politics were in flux and the very lifeblood of the West water was being contested under increasing pressures of usage and depletion How Barr successfully responded to those challenges is the story of Arizona s development during those years At the heart of it Barr s political life and personality are inextricably bound up with the life of the West *The High Priests of American Politics* Mark Carlton Miller,2002-03 Using a multidisciplinary approach Mark C Miller draws in large part on interviews he conducted with members of the U S House of Representatives the Ohio legislature and the Massachusetts legislature From this rich data he shows how American lawyers are socialized into a common legal ideology which in turn shapes the behavior of individual lawyer politicians legislative committees dominated by lawyers and the entire legislative institutions of government

Pennsylvania Government and Politics Thomas J. Baldino,Paula A. Duda Holoviak,2024-03-12 This book provides a comprehensive examination of the Keystone State s formal and informal political institutions and players past and present and elucidates the place each holds in governing the commonwealth today Covering a period of more than three hundred years this volume presents a clear and succinct overview of the commonwealth s political history culture and geography interactions between office holders civil servants special interest groups and the media policy development and implementation how laws are created enacted and enforced hierarchy and interaction among state county local and special district government bodies and officials tax collection and disbursement and the political upheaval in the wake of the COVID 19 pandemic and the 2020 presidential election Featuring practical appendixes and interviews with current and past office holders bureaucrats party leaders and political journalists this astute and informative book is an indispensable tool for understanding politics in the Keystone State

Representing God at the Statehouse Edward L. Cleary,Allen D. Hertzke,2006 In this groundbreaking collection Edward L Cleary and Allen D Hertzke bring together nine new essays that provide the first systematic comparative view of religion and politics at the state level These essays take an in depth look at the pressing issues facing states across the nation and how religious lobbies and organizations are addressing them By examining the responses of different denominations and their rationales for involvement the contributors explore the enormous diversity of interests being represented at the state level

Executive Nominations United States. Congress. Senate. Committee on the Judiciary,2009

Pennsylvania Elections John J. Kennedy,2014-08-20 Pennsylvania Elections provides a systematic and thorough analysis of every statewide election in Pennsylvania since 1950 The five chapters are divided between U S Senate elections gubernatorial contests statewide row offices and presidential campaigns Each of the 106 elections that have taken place since 1950 is analyzed within the context of the 67 counties in the Commonwealth and John J Kennedy discusses the candidates and issues which have shaped Pennsylvania for more than a half century By combining quantitative political science political history and political geography this book will both pique the interest of those interested in the state s politics

and serve as a reference source for future scholars **Ibss: Political Science: 1992** British Library of Political and Economic Science,1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Confirmation Hearings on Federal Appointments United States. Congress. Senate. Committee on the Judiciary,2007

Guide to Sources Janet Lyons,1995 *Redesigning Democracies* Thaddeus Benjamin Kousser,2002 *Politics in the American States* Virginia Gray,Herbert Jacob,1996 Revised to address changes resulting from the 1994 elections this classic work spans the scope of state politics covering governors state houses the judiciary and the bureaucracy *The Limited Legislature* Rebecca Lee Noah,1998 *Governors, Agenda Setting, and Divided Government* Laura A. Van Assendelft,1997-02-20 This book examines divided government from a new perspective By turning to governors and agenda setting the stage of the policymaking processes where the opportunities for success in terms of legislative output are defined perhaps the real impact of divided government may be observed This book compares the agenda setting strategies of four governors two in states with divided government and two in states with unified government The analysis is based on legislative records the governors state of the state addresses and in depth interviews conducted with the governors their staff members state legislators and journalists Although divided government does not produce gridlock or stalemate at the state level it is not without impact on governing Divided government helps to explain a governor s choice of strategy in agenda setting influencing whether he will work primarily within the system or go public However a combination of other factors also affect the agenda setting process The four case studies provide examples of how agenda setting strategies are explained best by the interplay between personal characteristics of a governor including his experience and personality and political factors including electoral outcomes the governor s popular support and his relationship with the legislature in addition to divided or unified party control **Forthcoming Books** Rose Arny,1992 *Handbook of Legislative Research* Gerhard Loewenberg,1985 The Handbook of Legislative Research a comprehensive summary of the results of research on nineteenth and twentieth century legislatures is itself a landmark in the evolution of legislative studies Gathered here are surveys by leading scholars in the field each providing inventory of an important subfield an extensive bibliography and a systematic assessment of what has been accomplished and what directions future research must take *The Roads to Congress 1998* Robert E. Dewhirst,Sunil Ahuja,2000 This text examines House and Senate candidates in the 1998 congressional elections Written to profile candidates and their struggles to gain a political seat it addresses such issues as campaign management political parties money and the media
