### **A Concise History of the Catholic Church (Revised Edition)**

*Disruption* David Potter, 2021-06-03 How do things change The question is critical to the historical study of any era but it is also a profoundly important issue today as western democracies find the fundamental tenets of their implicit social contract facing extreme challenges from forces espousing ideas that once flourished only on the outskirts of society This books argues that radical change always begins with ideas that took shape on the fringes Throughout time the mainstream has been inherently conservative allowing for incremental change but essentially dedicated to preserving its own power structures as the dominant ideology justifies existing relationships In this tour of radical change across Western history David Potter will show how ideologies that develop in opposition or reaction to those supporting the status quo are employed to effect profound changes in political structures that will in turn alter the way that social relations are constructed Not all radical groups are the same and all the groups that the book will explore take advantage of challenges that have already shaken the social order They take advantage of mistakes that have challenged belief in the competence of existing institutions to be effective It is the particular combination of an alternative ideological system and a period of community distress that are necessary conditions for radical changes in direction The historical disruptions chronicled in this book the

rise of Christianity rise of Islam Protestant reformations Age of Revolution American and French and Bolshevism and Nazism will help readers understand when the preconditions exist for radical changes in the social and political order As Disruption demonstrates not all radical change follows paths that its original proponents might have predicted An epilogue helps situate contemporary disruptions from the rise of Trump and Brexit to the social and political consequences of technological change in the wider historical forces surveyed by the book The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume

Four James Leo Garrett Jr.,2020-05-06 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 4 is the first of two volumes that will contain his theological essays Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations **The European Reformations Sourcebook**
