Deal, 2016-02-16 **The 52nd Floor** David A. Levy, James E. Parco, Fred R. Blass, 2010-05 Anyone who has worked for a large organization understands that all bureaucracies demand to be fed. Some of these bureaucracies can develop insatiable appetites, and when they do, the defining aspect between success and failure is often good leadership. But what is good leadership? Leaders are responsible for making sense of the ambiguity that emerges from the complex relationships that define organizations. They provide the frames to help us understand what we see. But when meaning and purpose begin to fade from the day-to-day tasks, special projects, and reports, we are left to wonder whether we are observing mere nonsense or something else we just don't understand. How can we know? We must ask questions, good questions. Any meaningful attempt to understand the complexities of organizational life requires considerable reflection upon one's own thinking. Through a collection of stories, *The 52nd Floor: Thinking Deeply About Leadership* takes readers on a reflective journey where they can discover for themselves the right questions to ask to create a path to become a better leader. Welcome to the 52nd Floor. Reviews: Five stars. A must read for those who want a new approach to leadership. Midwest Book Review, July 8, 2009. Thinking
