The positioning of this book JWJ centers around how after surviving multiple years of uncertainty as a world we are all reprioritizing what is important to us thinking of our life s Journey overall as an ongoing adventure with a purpose As humans we must live the life we were created for and we ALL have the power to make a difference in this world right where we are with Jesus at the helm You will read about the amazing things that God has done both in my life as well as many others to not only provide and sustain us but to BLESS us in both good and seemingly bad situations This book s focus is primarily on hard times because we all go through them and when we do we typically get side blinded by being in the moment and we forget to look for the light at the end of the tunnel And that s an amazingly hard place to be BUT THERE IS ALWAYS LIGHT Let s prepare for all things unknown by staying positive now and allowing God to intervene and support the then Your relationship with God can make it a very different experience because truth is we don t always know the beauty that can result from difficult and seemingly bad situations but GOD DOES Read on and be inspired and more importantly let this inspiration equip you to face life s challenges with the joy in knowing that God has a better plan for your life Everyone is given different challenges and some are directly based on the choices we ve faced and decisions we have made with our gift of free will Find true purpose and your legacy by building your relationship with the living God today and let your Journey begin Jesus came so you might enjoy your life most abundantly John 10 10 *The Scottish Christian journal* ,1857 365 Meditations for Young Adults Sally Sharpe,2010-09-01 This book offers a year s worth of short daily devotional readings written specifically for today s young adults Though this is a diverse group with a variety of needs and interests they are sojourners together on a common journey one that includes many similar experiences stages and transitions that each of them has been through is currently going through or will go through at some time in the future The young adult years are a time of change and challenge a time of seeking and searching a time of exploration and discovery in short a time of tremendous opportunity for personal and spiritual growth As readers make their way through the book encountering a different writer or team of writers each month they will find practical and spiritual insights encouragement and a sense of camaraderie for the journey
