## **Refugees Extended Exile:**

Refugees W. R. Smyser, 1987 One of this century's greatest tragedies and one of our greatest challenges has been the movement of millions of refugees This book by an expert in the field gives a comprehensive view of where we have been and where we are likely to go in coping with this world's endless stream of refugees Senator Edward M Kennedy Chairman Subcommittee on Immigration and Refugee Affairs This survey of post World War II refugees by a former UN Deputy High Commissioner for Refugees focuses on those assisted through the United Nations and its affiliated Refugees UNHCR the International Committee for Migration and the World Food Program Smyser argues that refugee problems and crises are far from over and will continue to require urgent international cooperative treatment He presents a lengthy agenda with recommendations to preserve the global structure of refugee protection and care to help those who need help to prevent abuse and to bring refugee concepts and practices into a framework appropriate to our troubled times Choice

**Refugees in Extended Exile** Jennifer Hyndman, Wenona Giles, 2016-10-04 This book argues that the international refugee regime and its temporary humanitarian interventions have failed Most refugees across the globe live in protracted conditions that extend from years to decades without legal status that allows them to work and establish a home It is contended that they become largely invisible to people based in the global North and cease to remain fully human subjects with access to their political lives Shifting the conversation away from the salient discourse of solutions and technical fixes within state centric international relations the authors recover the subjectivity lost for those stuck in extended exile The book first argues that humanitarian assistance to refugees remains vital to people's survival even after the emergency phase is over It then connects asylum politics in the global North with the intransigence of extended exile in the global South By placing the urgent crises of protracted exile within a broader constellation of power relations both historical and geographical the authors present research and empirical findings gleaned from refugees in Iran Kenya and Canada and from humanitarian and government workers Each chapter reveals patterns of power circulating through the colonial present Cold War legacies and the global war on terror Seeking to render legible the more quotidian struggles and livelihoods of people who find themselves defined as refugees this book will be of great interest to international humanitarian agencies as well as migration and refugee researchers including scholars in refugee studies and human displacement human security globalization immigration and human rights

**Refugees** W. R. Smyser, 1987-09-09 One of this century's greatest tragedies and one of our greatest challenges has been the movement of millions of refugees This book by an expert in the field gives a comprehensive view of where we have been and where we are likely to go in coping with this world's endless stream of refugees Senator Edward M Kennedy Chairman Subcommittee on Immigration and Refugee Affairs This survey of post World War II refugees by a former UN Deputy High Commissioner for Refugees focuses on those assisted through the United Nations and its affiliated Refugees UNHCR the International Committee for Migration and the World Food Program Smyser

argues that refugee problems and crises are far from over and will continue to require urgent international cooperative treatment He presents a lengthy agenda with recommendations to preserve the global structure of refugee protection and care to help those who need help to prevent abuse and to bring refugee concepts and practices into a framework appropriate to our troubled times Choice

**Forced Migration** Alice Bloch, Giorgia Dona, 2018-08-15 Forced Migration Current Issues and Debates provides a critical engagement with and analysis of contemporary issues in the field using inter disciplinary perspectives through different geographical case studies and by employing varying methodologies The combination of authors reviewing both the key research and scholarship and offering insights from their own research ensures a comprehensive and up to date analysis of the current issues in forced migration The book is structured around three main current themes the reconfiguration of borders including virtual borders the expansion of prolonged exile and changes in protection and access to rights The first chapters in the collection provide both context and a theoretical overview by situating current debates and issues in their historical context including the evolution of field and the impact of the colonial and post colonial world order on forced migration and forced displacement These are followed by chapters framed around substantive issues including deportation and forced return protracted displacements securitising the Mediterranean and cross border migration practices refugees in global cities forced migrants in the digital age and second generation identity and transnational practices Forced Migration offers an original contribution to a growing field of study connecting theoretical ideas and empirical research with policy practice and the lived experiences of forced migrants The volume provides a solid foundation for students academics and policy makers of the main questions being asked in contemporary debates in forced migration

**Refugees From Revolution** Peter Koehn, 2019-06-26 This book relates social constraints and opportunities to micro level exile decision making It focuses on Cuban Indo Chinese Ethiopian Eritrean and Iranian exile communities in the United States The book analyzes the origins of these large groups of exiles and their treatment under US policy

**Borderless Higher Education for Refugees** Wenona Giles, Lorrie Miller, 2021-08-26 Winner of the 2022 CIES Jackie Kirk Outstanding Book Award Higher education is increasingly recognized as crucial for the livelihoods of refugees and displaced populations caught in emergencies and protracted crises to enable them to engage in contemporary knowledge based global society This book tells the story of the Borderless Higher Education for Refugees BHER project which delivers tuition free university degree programs into two of the largest protracted refugee camps in the world Dadaab and Kakuma in Kenya Combining a human rights approaches critical humanitarianism and a concern with gender relations and intersecting inequalities the book proposes that higher education can provide refugees with the possibility of staying put or returning home with dignity Written by academics based in Canada Kenya Somalia and the USA as well as NGO workers and students from the camps the book demonstrates how North South and South South collaborations are possible and indeed productive

**The United Nations and International Law** Christopher C. Joyner, 1997-04-28 This volume provides students and

scholars with a text that examines explains and appraises contributions made by the United Nations to contemporary international law and the law creating process The authors consider how UN institutions have made the law what law has been made and the extent to which that law has been meaningfully accepted by and evidenced in contemporary state practice The study first deals with processes and measures that cut across law making covering practical as well as conceptual aspects Then the substantive law is addressed in terms of the different fields of activity that the United Nations has made subject to legal rules and processes Some chapters cover prominent areas such as human rights use of force and economic relations others deal with topics which have not previously been examined with sufficient care such as labor the environment refugees and women The book s final section deals with the internal law of the UN system itself the international civil services and financial contributions

**Encounters at the Turkish-Syrian Border** Şule Can,2019-10-08 The Turkish Syrian borderlands host almost half of the Syrian refugees with an estimated 1.5 million people arriving in the area following the outbreak of the Syrian civil war This book investigates the ongoing negotiations of ethnicity religion and state at the border as refugees struggle to settle and to navigate their encounters with the Turkish state and with different sectarian groups In particular the book explores the situation in Antakya the site of the ancient city of Antioch the cradle of civilizations and now populated by diverse populations of Arab Alawites Christians and Sunni Turks The book demonstrates that urban refugee encounters at the margins of the state reveal larger concerns that encompass state practices and regional politics Overall the book shows how and why displacement in the Middle East is intertwined with negotiations of identity politics and state Faced with an environment of everyday oppression refugees negotiate their own urban space and refugee status challenging resisting and sometimes confirming sectarian boundaries This book's detailed analysis will be of interest to anthropologists geographers sociologists historians and Middle Eastern studies scholars who are working on questions of displacement cultural boundaries and the politics of civil war in border regions      **Beyond Charity: International Cooperation and the Global Refugee Crisis** Gil

Loescher,1996-08-08 With more than 18 million refugees worldwide the refugee problem has fostered an intense debate regarding what political changes are necessary in the international system to provide effective solutions in the 1990s and beyond In the past refugees have been perceived largely as a problem of international charity but as the end of the Cold War triggers new refugee movements across the globe governments are being forced to develop a more systematic approach to the refugee problem Beyond Charity provides the first extensive overview of the world refugee crisis today asserting that refugees raise not only humanitarian concerns but also issues of international peace and security Gil Loescher argues persuasively that a central challenge in the post Cold War era is to develop a comprehensive refugee policy that preserves the right of asylum while promoting greater political and diplomatic efforts to address the causes of flight He presents the contemporary crisis in a historical framework and explores the changing role of the Office of the United Nations High Commissioner for Refugees Loescher suggests short term and long term reforms that address both the current refugee crisis and its underlying causes The book also details the ways governmental structures and international organizations could be strengthened to assume more effective assistance protection and political mediation functions Beyond Charity helps frame the debate on the global refugee crisis and offers directions for more effective approaches to refugee problems at present and in the future      Sudan John O. Voll,1991-11-22 a very fine collection of superb articles well written beautifully

researched Robert O Collins an adept well rounded and well organized treatment of Sudan s many obstacles to national development The book s greatest strengths are drawn from the expertise of its contributors as well as its multidisciplinary approach to complex questions MESA Bulletin      *The Path of Somali Refugees Into Exile* Joëlle Moret,2006
