Regent Park A Study In Slum Clearance

Dirk Schubert

Regent Park A Study In Slum Clearance:

Regent Park Albert Rose, 1958-12 More than ten years of study of the problem of slum clearance in Toronto plus participation in the planning and execution of the Regent Park project provided the author with an exceptional opportunity to know thoroughly the materials of his study *Regent Park. A Study in Slum Clearance [in Toronto]. [With a Facsimile.]*.

Albert Rose (Professor of Social Work, University of Toronto.), 1958 **Regent Park Redux** Laura Johnson, Robert Johnson, 2017-05-12 Regent Park Redux evaluates one of the biggest experiments in public housing redevelopment from the tenant perspective Built in the 1940s Toronto's Regent Park has experienced common large scale public housing problems Instead of simply tearing down old buildings and scattering inhabitants the city's housing authority came up with a plan for radical transformation In partnership with a private developer the Toronto Community Housing Corporation organized a twenty year billion dollar makeover The reconstituted neighbourhood one of the most diverse in the world will offer a new mix of amenities and social services intended to reknit the urban fabric Regent Park Redux based on a ten year study of 52 households as they moved through stages of displacement and resettlement examines the dreams and hopes residents have for their community and their future Urban planners and designers across the world in cities facing some of the same challenges as Toronto will want to pay attention to this story

Governing Metropolitan Toronto Albert Rose, 2023-11-10 Governing Metropolitan Toronto A Social and Political Analysis 1953 1971 provides an in depth examination of Toronto's metropolitan governance lauded as a model of truly metropolitan government in North America Over nearly two decades Toronto restructured its local government twice adopting a two tier federation model to address the challenges of urbanization suburban expansion and regional cooperation This system integrating multiple jurisdictions under a central framework sought to resolve disparities in infrastructure housing and municipal services while accommodating the province's broader economic and environmental goals Albert Rose a scholar and civic participant contextualizes Metro Toronto within Canadian and global urban governance traditions offering insights into its achievements and the challenges posed by evolving social environmental and political dynamics Rose argues that Toronto's experience demonstrates how metropolitan governance must grow from addressing physical infrastructure to managing complex social issues such as housing and environmental quality While the provincial government provided oversight and enabled Metro's creation its involvement underscores the role of higher level authorities in urban governance The study situates Toronto's system alongside other Canadian and international models including Winnipeg's unitary approach and Minnesota's Metropolitan Council suggesting that Toronto's adaptable federation structure may be better suited for larger more complex urban regions Rose's work highlights the ongoing interplay between local autonomy and provincial guidance offering critical lessons for urban governance worldwide and serving as a valuable resource in understanding the transformative potential of metropolitan systems This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission

to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1972

Social Policy and Practice in Canada Alvin Finkel, 2012-05-09 Social Policy and Practice in Canada A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism s attack on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty

The Changing Social Geography of Canadian Cities Larry S. Bourne, David Ley, 1993 The contributors to this volume demonstrate the richness and diversity of the social landscapes and communities in Canadian urban centres emphasizing changes which occurred in the period from the mid 1960s to the early 1990s The nineteen non technical and integrative essays include reviews of the literature empirical studies and discussions of policy issues

Pratt Homelessness M J Dear and J Wolch Geography of Urban Health S M Taylor Changing Access to Public and Private Services Non family Childcare S Mackenzie and M Truelove Cities as a Social Responsibility Planning and Urban Form P J Smith and P W Moore **House, Home, and Community** John R. Miron,1993-04-29 The contributors identify important considerations for evaluating the current and future housing situation clarify housing research issues and priorities and indicate emergent policy issues The essays are divided into six sections economic demographic and institutional factors underlying the postwar demand for housing principal aspects of the supply side of housing including housing finance technology and regulation housing stock growth and changes in housing quality the balance of supply and demand in terms of adequacy suitability and affordability the changing settlement environment and lessons challenges and issues for the future The book also contains valuable summaries of housing policy initiatives undertaken between 1945 and 1986 An essential reference document on urban housing and city development in the postwar period in Canada House Home and Community will be valuable to academics planners professionals and students with interests related to housing

Unplanned Suburbs Richard Harris,1999-10-07 It is widely believed that only the growth of mass suburbs after World War II brought suburban living within reach of blue collar workers immigrants and racial minorities But in this original and intensive study of Toronto Richard Harris shows that even prewar suburbs were socially and ethnically diverse with a significant number of lower income North American families making their homes on the urban fringe In the United States and Canada lack of planning set the stage for a uniquely North American tragedy Unplanned Suburbs serves as a reminder of the dangers of unchecked suburban growth Contemporary Perspectives on Jane Jacobs Dirk Schubert,2016-05-13 Jane

Jacobs s famous book The Death and Life of Great American Cities 1961 has challenged the discipline of urban planning and led to a paradigm shift Controversial in the 1960s most of her ideas became generally accepted within a decade or so after publication not only in North America but worldwide as the articles in this volume demonstrate Based on cross disciplinary and transnational approaches this book offers new insights into her complex and often contrarian way of thinking as well as analyses of her impact on urban planning theory and the consequences for planning practice Now more than 50 years after the initial publication in a period of rapid globalisation and deregulated approaches in planning new challenges arise The contributions in this book argue that it is not possible simply to follow Jane Jacobs s ideas to the letter but instead it is necessary to contextualize them to look for relevant lessons for cities and planners and critically to re evaluate why and how some of her ideas might be updated Bringing together an international team of scholars and writers this volume develops conclusions based on new research as to how her work can be re interpreted under different circumstances and utilized in the current debate about the proclaimed millennium of the city the 21st century **Writing Unemployment** Jody Mason,2013-01-01 This landmark study explores the cultural and literary history of unemployment in Canada from the 1920s to the 1970s which were crucial decades in the formation of our current conception of Canada as a nation Writing

Unemployment asks how writers with diverse political affiliations participated in and protested against the discursive framing of unemployment. It argues that Depression era conceptions of unemployment shaped later twentieth century understandings of both worklessness and citizenship. By examining novels, short stories, poetry, manifestos and agitprop, Jody Mason situates the literary history of the cultural left in a broader context, challenges the dominant literary historical narrative of the pioneer settler and contributes to new scholarship on Canada's modern period. By bridging close textual readings with book and publishing history, economic and sociological analysis and original archival research, *Writing Unemployment* offers new ideas on work by many of Canada's most important writers. ***Habitations et Milieu de Vie*** John Miron, 1994-04-12 Les collaborateurs identifient certains critères importants pour l'évaluation de la situation actuelle et future dans le domaine du logement, précisent les questions et priorités de la recherche en matière de logement et signalent certaines questions de politique qui se dessinent. Les articles sont répartis en six sections : facteurs économiques, démographiques et institutionnels, sous-jacents, la demande de logements au cours de la période de l'après-guerre, principaux aspects de l'offre de logements et notamment financement, technologie et réglementation, croissance du parc immobilier et modifications de la qualité des logements, équilibre entre l'offre et la demande, compte tenu de ce qui est suffisant, convenable et abordable, évolution de l'environnement des lieux habités, les besoins des familles et questions pour l'avenir. L'ouvrage contient également certains résumés utiles des mesures prises entre 1945 et 1986 en matière de politiques de logement. Document de référence essentiel sur le logement urbain et le développement des villes au cours de la période d'après-guerre au Canada. *Habitations et milieu de vie* sera apprécié des universitaires, des planificateurs, des professionnels et des étudiants qui s'intéressent aux questions de logement. **Social Fabric Or Patchwork Quilt** Jeff Keshen, Raymond Benjamin Blake, 2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide-ranging and in-depth collection. *Social Fabric or Patchwork Quilt* explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State's involvement has increased considerably. It also shows how the roles of governments at all levels have changed in recent times. Chapters describe the developing Canadian welfare state from Confederation to the present. Beginning with an integrative framework in the general introduction, the selected essays represent many perspectives: chronological, regional, multidisciplinary and ideological. An important feature of this collection is the consideration of providers and recipients. Such wide-ranging outlooks are possible given the diverse backgrounds of contributors which include historians, sociologists, social workers, public policy experts and political scientists. As well as historical and sociological studies, topics include key programs discussed in detail, the quality of services received by principal target groups, new directions in research, some contributions even revisit foundational older works and key government documents. **Displacing Blackness** Ted Rutland, 2018-01-01 While focused on twentieth-century Halifax, *Displacing Blackness* develops broad insights about the possibilities and limitations of modern planning. Drawing connections between the history of planning and emerging

scholarship in Black Studies Ted Rutland positions anti blackness at the heart of contemporary city making **Housing the North American City** Michael Doucet, John C. Weaver, 1991-08-06 Doucet and Weaver begin this empirical analytical and narrative study with an analysis of the evolution of land development as an enterprise and continue with an examination of house design and construction practices the development of the apartment building and an account of class and age as they relate to housing tenure They also relate developments in Hamilton to the current state of urban historiography using their case study to resolve discrepancies and contradictions in the literature Among the major themes the authors deal with is a controversial exploration of what they see as a central North American urge the desire to own a home Other themes include the social allocation of urban space the quality and affordability of housing the increased interest of large corporations in the land development and financial service industries and a comparative analysis of housing in Canada and the United States The authors have drawn on civic and business records dating from the early nineteenth century to the latest planning data Combining this information with their comprehensive analysis Doucet and Weaver show that current housing problems and potential solutions are better understood when seen as part of a historical process They provide a critical assessment of the ways in which contemporary society produces shelter and question the use of technical innovations alone to resolve housing crises **Toronto's Poor** Bryan D. Palmer, Gaétan Héroux, 2016-11-23 Toronto's Poor reveals the long and too often forgotten history of poor people's resistance It details how people without housing people living in poverty and unemployed people have struggled to survive and secure food and shelter in the wake of the many panics downturns recessions and depressions that punctuate the years from the 1830s to the present Written by a historian of the working class and a poor people's activist this is a rebellious book that links past and present in an almost two hundred year story of struggle and resistance It is about men women and children relegated to lives of desperation by an uncaring system and how they have refused to be defeated In that refusal and in winning better conditions for themselves Toronto's poor create the possibility of a new kind of society one ordered not by acquisition and individual advance but by appreciations of collective rights and responsibilities Social Worker, 1958 **The Oxford Handbook of the Modern Slum** Alan Mayne, 2023 The Oxford Handbook of the Modern Slum explores the history of the modern slum connecting nineteenth century iterations through multiple pathways to its contemporary existence With chapters by 28 scholars this handbook brings an array of important and original perspectives and methodologies to bear on slums real and imagined across the globe Drawing upon anthropology archaeology architecture geography history politics sociology and urban planning the book delves into households and communities whose existence has been hidden by stereotypes *Canada* Michelangelo Sabatino, Rhodri Windsor Liscombe, 2016-11-15 Canada is a country of massive size of diverse geographical features and an equally diverse population all features that are magnificently reflected in its architecture In this book Rhodri Windsor Liscombe and Michelangelo Sabatino offer a richly informative history of Canadian architecture that celebrates and explores the country's

many contributions to the spread of architectural modernity in the Americas A distinct Canadian design attitude coalesced during the twentieth century one informed by a liberal hybrid and pragmatic mindset intent less upon the dogma of architectural language and more on thinking about the formation of inclusive spaces and places Taking a fresh perspective on design production they map the unfolding of architectural modernity across the country from the completion of the transcontinental railway in the late 1880s through to the present Along the way they discuss architecture within the broader contexts of political industrial and sociocultural evolution the urban suburban expansion and new building technologies Examining the works of architects and firms such as ARCOP Eric Arthur Ernest Cormier Brigitte Shim and Howard Sutcliffe this book brings Canadian architecture chronologically and thematically to life *Democracy in Kingston* Richard Harris,1988 In a society where people are unequal how do the less powerful try to make democracy work Richard Harris attempts to answer this question by looking in detail at the development of a movement for democratic social change in Kingston Ontario in the 1960s **Canadian History: Confederation to the present** Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

The Enigmatic Realm of **Regent Park A Study In Slum Clearance**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Regent Park A Study In Slum Clearance** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Regent Park A Study In Slum Clearance Introduction

In today's digital age, the availability of Regent Park A Study In Slum Clearance books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regent Park A Study In Slum Clearance books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regent Park A Study In Slum Clearance books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regent Park A Study In Slum Clearance versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regent Park A Study In Slum Clearance books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regent Park A Study In Slum Clearance books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regent Park A Study In Slum Clearance books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regent Park A Study In Slum Clearance books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regent Park A Study In Slum Clearance books and manuals for download and embark on your journey of knowledge?

FAQs About Regent Park A Study In Slum Clearance Books

1. Where can I buy Regent Park A Study In Slum Clearance books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
