Return to Atlantis Mavis Sybil,2021-06-09 When we heard that there was only one thing that would help the King get better I knew I had to volunteer to help in any way I could I am extremely nervous but I m just glad I have Irwin by my side on this mission Although if I was being honest the King has been acting strangely recently He seemed to jump at the chance to get us both out of Atlantis almost a little too quickly if you ask me Let s just hope that we don t come up against any nasty surprises along the way I just want to do my duty as a mermaid of Atlantis and make sure that the rightful heir of Atlantis continues to rule Let s just hope Irwin and I can get the job done before it is too late I know we can do it if we put our mind to it After all the King only has the best intentions right *Практика перекладу публіцистичних текстів (англо-український та українсько-англійський напрямки)* Карабан В. especially pertinent in that the legendarium operates on two levels As a popular mythology it is in the author s own words a really long story that would hold the attention of readers amuse them delight them and at times maybe excite them or deeply move them But the stories of The Silmarillion and The Lord of the Rings contain deeper teachings that can only be drawn out when read philosophically Written from the vantage of a mind that is deeply Christian Tolkien s stories grant us a revelatory gaze into the major political problems of modernity from individualism to totalitarianism sovereignty to surveillance terror to technocracy As an outsider in modernity Tolkien invites us to question the modern in a manner that moves beyond reaction into a vivid and compelling vision of the common good Software Reviews on File ,1989 **The Pharaoh Returns**
