## **Return To Modesty Discovering The Lost Virtue:**

**A Return to Modesty** Wendy Shalit, 2014-05-20 Updated with a new introduction this fifteenth anniversary edition of *A Return to Modesty* reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When *A Return to Modesty* was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the hook-up scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, *A Return to Modesty* shows why the lost virtue of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby It's Cold Outside." Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct and one that may be able to save us from ourselves. **BITCHfest** Lisa Miya-Jervis, Andi Zeisler, 2006-08-08 Offers an assortment of the most provocative essays, reporting rants, and raves from *Bitch* magazine's first ten years, along with new pieces written especially for this collection.

**A History of Sin** John Portmann, 2007 In this book, Portmann argues that especially since 9/11, the reality of sin has made a strong comeback. Even liberal Christians such as Bishop Gene Robinson have to take the pervasiveness of personal evil seriously. The book starts off in the present and then loops back into the past to outline the key moments in the history of sin, from the Ancient Greeks and Israelites through Jesus and Paul to Augustine and Dante, and then back to the present day.

**Toilet** Harvey Molotch, Laura Noren, 2010-11-17 In *Toilet*, noted sociologist Harvey Molotch and Lauren Noren bring together twelve essays by urbanists, historians, and cultural analysts, among others, to shed light on the public restroom and how it reflects and sustains our cultural attitudes towards gender, class, and disability.

**Not My Mother's Sister** Astrid Henry, 2004-09-07 Rebellious generations and the emergence of new feminisms.

**Religion & Sexuality** Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate, as witnessed in the well-researched, provocative essays contained in this volume. Cutting-edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture. Oral sex, polygamy, homosexuality, and clergy celibacy and boundaries are addressed. As editor, C. K. Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's increasingly pluralistic yet strongly spiritual society.

**Values in Sex Education** J. Mark Halstead, Michael Jonathan Reiss, 2003 An accessible yet authoritative book situating sex education both in the primary and secondary school within the current focus on values and citizenship.

**Not Just Private** Craig Bakker, 2023-03-07 Both within the church and outside of it, popular discourse around sex is often shallow and individualistic. This is especially true on

the topic of sex outside of marriage Not Just Private explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian The Great Beyond Richard Bradbury,2018-08-02 Society is waking up to the notion that equality between the sexes extends beyond words and into action This means equal pay for doing the same job regardless of gender It means equal opportunities to study and progress in any career regardless of any preconceptions concerning whether the job is appropriate for a person This new awakening is beginning to open up new vistas of possibility and we are seeing women entering and thriving in areas that were previously male strongholds such as football and engineering On theological grounds the church is instinctively conservative because it is supposed to uphold God s standards rather than be influenced by the world That has meant that leadership has remained largely male particularly in the evangelical sectors of the church Whilst we have seen some of the more traditional denominations open the way for women to become priests bishops moderators etc the evangelical church has largely clung to an ideal of male leadership In this book Richard Bradbury challenges the position of the evangelical church and in particular the New Churches with respect to female leadership Arguing from the basis of Biblical exegesis as well as sociological evidence he presents a compelling case for allowing and enabling women to rise up into their God given gifting and calling without any restrictions Book reviews online PublishedBestsellers website *Comparative Religious Ethics* Christine E. Gudorf,2013-01-01 Unlike other texts Gudorfs work focuses on common everyday issuesincluding food and diet work sex and marriage proper dress anger and violence charity family and infirmity and the elderlywhile drawing out ethical implications of each and demonstrating how different religious traditions prescribe rules for action An introductory chapter reviews standard ethical theory and core elements of comparative religious analysis Each chapter opens with a riveting real life case and shows how religious ethics can shed light on how to handle the larger issues without determining for the reader what a proper ethical response might be *Mentioning the Unmentionables* Chris Heaton,2023-12-06 We have a pornography crisis in the church This book however does not take a deep dive on the statistics or how our brains are being rewired by the internet This is not a book about the pornography business This is a book about root causes root teachings and then root solutions Mentioning the Unmentionables seeks to answer the question How did we

get here It calls attention to the dire problem of pornography but then offers a faithful response in the context of the church to mention the unmentionables

*Vampire Films Around the World* James Aubrey,2020-10-23 Vampires are arguably the most popular and most paradoxical of gothic monsters life draining yet passionate feared yet fascinating dead yet immortal Vampire content produces exquisitely suspenseful stories that combined with motion picture filmmaking reveal much about the cultures that enable vampire film production and the audiences they attract This collection of essays is generously illustrated and ranges across sixteen cultures on five continents including the films *Let the Right One In* *What We Do in the Shadows* *Cronos* and *We Are the Night* among many others Distinctly different kinds of European vampires have originated in Ireland Germany Sweden and Serbia North American vampires are represented by films from Mexico Canada and the USA Middle Eastern locations include Tangier Morocco and a fictional city in Iran South Asia has produced Bollywood vampire films and east Asian vampires are represented by films from Korea China and Japan Some of the most recent vampire movies have come from Australia and New Zealand These essays also look at vampire films through lenses of gender post colonialism camp and otherness as well as the evolution of the vampiric character in cinema worldwide together constituting a mosaic of the cinematic undead

*Como Encontrar a Tu Alma Gemela Sin Perder Tu Alma* Jason Evert,Crystalina Evert,2018-06-15 Eres una novia o un alma gemela Eres la mujer de ahora o la mujer para siempre En tu b squeda del amor no te pierdas en el camino Al navegar en el mundo de las citas cada mujer comienza a preguntarse C mo s que un hombre realmente me ama Estoy siendo muy exigente Y acaso merezco el amor Vale la pena seguir con esta relaci n Vale la pena el riesgo para encontrar el amor Quedan hombres decentes A menudo las mujeres solteras se sienten perdidas cuando tratan de encontrar respuestas a sus inquietudes m s profundas sobre el amor y la intimidad Algunas salen para pasar el rato o se involucran en relaciones casuales esperando el amor Otras incluso sienten miedo de tener esperanzas En determinado momento cada mujer necesita la confirmaci n de que ella y sus est ndares no son el problema En C mo encontrar a tu alma gemela sin perder tu alma descubrir s veintiuna estrategias que te ayudar n a levantar la barra en vez de sentarte en ella a esperar que el Sr Maravilloso aparezca no Es tiempo ya de que descubras un amor que te ayude a ser t misma

*A Letter in the Scroll* Rabbi Jonathan Sacks,2004-04-16 The author traces series of philosophical and theological ideas that Judaism has created and shows how they are still relevant in our time

*Dilemmas of Desire* Deborah L. TOLMAN,Deborah L Tolman,2009-06-30 Be sexy but not sexual Don t be a prude but don t be a slut These are the cultural messages that barrage teenage girls In movies and magazines in music and advice columns girls are portrayed as the object or the victim of someone else s desire but virtually never as someone with acceptable sexual feelings of her own What teenage girls make of these contradictory messages and what they make of their awakening sexuality so distant from and yet so susceptible to cultural stereotypes emerges for the first time in frank and complex fashion in Deborah Tolman s *Dilemmas of Desire* A unique look into the world of adolescent sexuality this book offers an intimate and often disturbing sometimes inspiring

picture of how teenage girls experience understand and respond to their sexual feelings and of how society mediates shapes and distorts this experience In extensive interviews we listen as actual adolescent girls both urban and suburban speak candidly of their curiosity and confusion their pleasure and disappointment their fears defiance or capitulation in the face of a seemingly imperishable double standard that smiles upon burgeoning sexuality in boys yet frowns even panics at its equivalent in girls As a vivid evocation of girls negotiating some of the most vexing issues of adolescence and as a thoughtful richly informed examination of the dilemmas these girls face this readable and revealing book begins the critical work of understanding the sexuality of young women in all its personal social and emotional significance

**Walk a Straight Path in a Crooked World** Isaac Stewart, Rebecca Stewart, 2000 The Western World is divided between two opposing worldviews that of the relativistic M n M culture the culture of materialism and meaningless and that deriving from the divine narrative preserved by the Hebrew and Greek Scriptures A personal journey in living this book contrasts these two ways of thinking shows the way out of the human dilemmas common today and encourages us to take up the challenge to Walk a Straight Path in a Crooked World the path leading to happiness and a hope that lasts longer than a lifetime

**Unseduced and Unshaken** Rosalie De Rosset, 2012-08-01 You can t afford to live casually haphazardly No matter your age you were born into a plethora of expectations of what it means to be a woman How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self possession and dignity We tend to live as divided and distracted selves allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves This collection of essays is more than a call to modesty or chastity It is a thoughtful provocation to speak well read often make choices that reflect the character of God and even to establish a theology of play or leisure Being intentional with your choices cultivating your intellect and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be Unseduced and Unshaken raises the bar for young Christian women It s a call for all Christian women to examine their personal faith presuppositions deliberately choose a life of Biblical dignity and to not be frightened to allow theology to inform our choices Just Between Us Summer 2013 issue

**Redeeming Sex** Debra Hirsch, 2015-04-06 Nothing has exposed the gap between the church and the broader society quite like the volatile topics of sexuality relationships identities orientations and even gender With a pastor s heart and a missiologist s mind Debra Hirsch helps us discover a holistic biblical vision of sex and gender that honors God and offers good news to the world

**What a Body Knows** Kimerer L. LaMothe, 2012-01-27 I simply cannot praise the book enough The prose is positively brilliant It is full of sparkling gems of insight and astonishing concise yet profound formulations The nature passages remind me of Annie Dillard It is truly a remarkable achievement Miranda Shaw Ph D Professor of Religion University of Richmond
