**Four Pieces for Power** Marc Estes, 2014-02-13 When mysterious strangers arrive at the home of Andrew Correo, they provide him with life-changing news. He learns of the Vedicatori, a secret organization established by his ancestors, an organization he now has the chance to inherit control over. In order to gain this control, he needs to compete with Robert Staverio in a global scavenger hunt. They must search for four illusive crystals that, when brought together, will tell them their final destination. Also in Edson, Monica Correo is planning a wedding to her love, John Weaver. With the wedding so close to Halloween, the pair decide to have a masquerade ball for the wedding reception. It will be an event no one in Edson will ever forget. With just a clue and limited guidance, both Andrew and Robert set out on their secretive journey. For both, the path leads to mystery, suspense, and self-discovery. As Andrew looks forward to his future while putting parts of his past behind him, Robert grows greedy and develops a love for deception and hate. The hunt brings them through the ruins of Teotihuacan to the Eternal City and its history, but who will have the cunning to come out on top?
