## **Returns Of Love A Christian View Of Homosexuality:**

**Two Views on Homosexuality, the Bible, and the Church** Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Evangelicals at an**

**Impasse** Robert K. Johnston, 2020-03-09 Biblical inspiration and interpretation in conflict Evangelicals assert that the Bible is the infallible source and sole authority for Christian beliefs and living This premise is currently under fire from social and cultural mores AND more importantly from differences of biblical interpretation Contradictory opinions have arisen on several issues What exactly does the Bible claim What is the rightful role of women in the church and at home How do Christians evaluate homosexuality is it always a sin What is the church's role in social ethics Evangelicals at an Impasse considers these burning issues and offers helpful guidelines Robert K Johnston seeks to bridge the gaps among the biblical writers the church fathers and contemporary humanity He offers an effective way for Christians and more specifically evangelicals to understand the Bible as it relates to theology tradition and culture Johnston considers the issues the facts surrounding them social practices the pros and cons on each question and provides striking insights in his conclusions conclusions NOT solutions Evangelicals and other Christians in fact anyone interested in religion in America will find this a fascinating and remarkable book **Homosexuality and the Judeo-Christian Tradition** Tom Horner, 1981

*Homosexuality FAQs - A Christian Perspective eBook* Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture

It started to surface in recent years as technology and media have developed in racing speed. The society has become more open and acceptive to the topic; people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common. The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians, Gays, Bisexuals, Transgenders and Queers nowadays. Although there are more discussions, do we truly understand LGBTQ? How should we discern the right and wrong? From a Christian perspective, how should we see it and live with its community? Does the Bible provide us the answer? In the past when religions are confronted by issues of homosexuality and LGBTQ, they would quickly jump into a conclusion such as sin against the nature, promiscuity, unclean, etc. On one hand, religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community; on the other hand, media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different points of views may be labeled as conservative, old-fashioned, traditional, conventional, etc. Over time, a gap has formed between LGBTQ and religious communities. Nevertheless, before we decide between the right and wrong or give people a label of unrighteousness, could we jump out of the endless quarrel, opposition or criticism? Could we adjust our perspective to understand, to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God?

**Homosexuality FAQs: A Christian Perspective** is a wonderful guide for Churches. It helps readers to understand the issue more comprehensively, find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community. This book clears doubts and confusions on LGBTQ through 10 questions in the first section. It tries to rebut general arguments from objective and scientific perspective. In the second section, it discusses LGBTQ from biblical perspective through 16 questions. Lastly, the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue. Each answer begins with a quick response to give readers the key concept, then followed by elaboration and more supplementary information. This structure is clear and easy to follow. What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge, thinking and critique and more important, they can learn how to bridge the gap between the LGBTQ and us, counsel and serve LGBTQ community. Whether you want to know more the issue or feel the burden to serve the LGBTQ community, this book is worth to read.

**Bishop Dr Titus Chung**, Anglican Diocese of Singapore, President National Council of Churches of Singapore

**Is the Homosexual My Neighbor?** Letha Scanzoni, Virginia R. Mollenkott, 1978. Explores the biblical views on how Christians should treat all people which includes homosexuals.

[Religious Trauma, Queer Identities](#) Joel Hollier, 2023-04-06. In a polarised milieu that too often posits queer and Christian as competing realms, this book explores the complexities of identity development, religious traumatising and the task of creating safe faith spaces in which LGBTQ people can find healing, particularly in the Evangelical context. First, Joel Hollier examines the historical path of

Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward Black Fire Reader Estrela Y. Alexander, 2013-04-26 This compendium of primary resources reflects the important but often overshadowed contribution of African American believers to the dynamic growth of the modern Pentecostal movement the fastest growing segment of global Christianity The doctrinal statements sermons songs testimonies news articles as well as scholarly treatises included here allow black leaders scholars and laypeople to speak in their own voices and use their own language to tell us their stories and articulate the issues that have been important to them throughout the one hundred year history of this movement Among the constant themes that continue to emerge is their appreciation of an empowering encounter with the Holy Spirit as the resource for engaging the dehumanizing racial reality of contemporary America Modern Views of Human Sexual Behavior James Leslie McCary, Donna R. Copeland, 1976 *A Study Resource on Human Sexuality* Anglican Church of Canada. National Executive Council. Committee on Human Sexuality, 1986 **Law, Religion and Homosexuality** Paul Johnson, Robert Vanderbeck, 2014-05-09 Law Religion and Homosexuality is the first book length study of how religion has shaped and continues to shape legislation that regulates the lives of gay men and lesbians Through a systematic examination of how religious discourse influences the making of law in the form of official interventions made by faith communities and organizations as well as by expressions of faith by individual legislators the authors argue that religion continues to be central to both enabling and restricting the development of sexual orientation equality Whilst some claim that faith has been marginalized in the legislative processes of contemporary western societies Johnson and Vanderbeck show the significant impact of religion in a number of substantive legal areas relating to sexual orientation including same sex sexual relations family life civil partnership and same sex marriage equality in employment and the provision of goods and services hate speech regulation and education Law Religion and Homosexuality demonstrates the dynamic interplay between law and religion in respect of homosexuality and will be of considerable interest to a wide audience of academics policy makers and stakeholders **Jesus, the Bible, and Homosexuality, Revised and Expanded Edition** Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church's history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new

chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection *Recruiting Young Love* Mark D. Jordan, 2011-04-15 Explores more than a half century of American church debate about homosexuality to show that even as the main lesson homosexuality is bad teens are vulnerable has remained constant the arguments and assumptions have changed remarkably The story is told through a wide variety of sources including oral histories interviews memoirs and even pulp novels the result is a fascinating window onto the never ending battle for the teenage soul from publisher s description

**Fagothey's Right & Reason** Austin Fagothey, Milton A. Gonsalves, 1989 This book is designed for undergraduate courses in ethics *The Triumph of Love* Eric Reitan, 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach

**Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

**Homosexuality and Religion** Richard L Hasbany, 2013-12-19 Here is a comprehensive historical overview of the recent discussion in the Judeo Christian religions regarding homosexuality Breaking new ground in the scholarship about Judeo Christian religion and homosexuality this wide ranging volume features insightful new perspectives on the relationship between the church and homosexuals Aimed at scholars religious professionals counselors and therapists Homosexuality and Religion provides valuable information on both historical and contemporary religious thought and life and homosexuality Some of the provocative topics include gay and lesbian clergy psychological pastoral counseling for lesbians and gay men and the church and homophobia **Respectful LGBT Conversations** Harold

Heie,2018-05-14 In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues this book models a redemptive mode of engagement by featuring respectful conversations among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions

**Lacan on Love** Bruce Fink,2015-12-09 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian

love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan s paradoxical claim that love is giving what you don t have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don t have This first ever commentary on Lacan s Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan s views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions
