Bredfeldt,1998-03-01 Are you a bridge builder Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the past of Moses David Jesus and Paul This bridge must reach even further The student must be able to cross both into the past and into his own future God s Word is living and active sharper than any double edged sword Hebrews 4 12 It is contemporary relevant But it is the teacher who has the task of helping the student to see its vast treasures This is no easy task but it can be done through creative Bible teaching Together Richards and Bredfeldt have written a book on bridge building that reveals the following five step process by which Christian educators can construct a bridge across time geography and culture Step I Studying the Bible Develop an understanding of the nature role study and interpretation of the Bible Get the help you need in preparing biblically accurate lesson plans Step II Focusing the Message Learn how to teach for student learning Be guided in the process of translating learning theory into lesson preparation Step III Structuring the Lesson Develop a lesson plan using the HOOK BOOK LOOK TOOK structure Step IV Teaching the Class Learn about the five key principles of teacher effectiveness Discover how these principles can lead to a more dynamic and satisfying teaching experience within various age groups Step V Evaluating the Results Evaluate your own effectiveness by assessing the outcome of your teaching      The Congregationalist ,1901      **The Only Thing That Matters Is Heaven** Terrell Carter,2020-07-03 Is heaven a place somewhere we go Is it a future goal attainable only after this life ends Pastor and educator Dr Terrell Carter looks at this issue with a pastor s heart and a scholars precision looking at what the Bible teaches us and how this might relate to how we live act and worship today In the process he introduces readers to such theological terms as Kingdom of Heaven and Kingdom of God Why a kingdom Read this book to find out In each chapter of this book you ll learn something new about how the Bible speaks about heaven and the afterlife You ll read the parables of Jesus on this topic with a new vision You ll find things in the book of Revelation that you might have been missing And you ll find all this in an easy to read style This book is a good quick read for those who are in hurry for an introduction and it provides a sound basis for a short study on heaven the afterlife and life on earth in the meantime for a small study group      *Lectionary Preaching Workbook* Jerry L. **Messages for All God's Children** Reverend Tony L Moore,2021-07-02 The book you hold in your hands a collection of spiritual object lessons is a labor of love that spans some thirty five years of ministry Sometimes dubbed children s sermons years of experience have taught me that simplified truth has both universal appeal and application Modeled roughly after the teaching parables of Jesus this two and a half years worth of messages illustrate essential principles of the Christian faith in simplest terms Capitalizing on a childlike curiosity and imagination each lesson uses some common household item to interpret an important biblical truth in a fresh creative

and memorable way Recognizing the limited attention span of our youngest worshipers each message can be presented effectively in three to five minutes but may be easily expanded if more interaction is desired Intended to aid the pastor with too many irons in the fire to consistently prepare creative and engaging talks for young minds these lessons also are so detailed that they could just as easily be presented by a layperson In fact should the children s leader be less than comfortable with public speaking the messages are so complete that they could even be read effectively with minimal advance rehearsal But don t let the promised simplicity mislead you the truths presented are profound And while sometimes presented with wit and humor worshipful respect and reverence are always maintained and the integrity of God s Word fiercely preserved But rest assured Art Linkletter was right kids do say the darnedest things So may the Lord bless this resource to the enhancement of your ministry and give you as much fun and satisfaction as it has me 63      **The Expository Times** ,1904      Children's Liturgy of the Word 2012-2013: A Weekly Resource ,      *Feet-on-the-Ground Theology* Clodovis Boff,2008-07-01 This fascinating account of theologian Clodovis Boff s five month missionary journey among the people of western Brazil offers a unique and inspiring view of a people in the process of liberation Boff records the day to day details of his travels and encounters among the rubber gatherers of the remote jungle regions with the members of basic Christian communities in small towns and with the priests and lay leaders engaged in pastoral work among the poor He shares the life work struggles and concerns of these people engaged in their various tasks From these observations and reflections one can see everyday experience and theological insight arising one from the other Feet on the Ground Theology reveals the basic dimensions of grassroots liberation theology providing a portrait of the church of the poor      **The Bible Story and Its Teaching for Children** Baroness Freda De Knoop,1913      The Comprehensive Commentary on the Holy Bible: Acts-Revelation William Jenks,1839
