Beginning at Moses Michael P. V. Barrett,2016-01-23 Although not in every line and perhaps not on every page the message of Christ overshadows the entire Old Testament Finding Christ is the key that both unlocks and locks in the message of the whole Word of God Jesus Christ is God s final perfect incomparable Word Beginning at Moses seeks to follow the example of Christ Himself Who beginning at Moses and all the prophets expounded from all the Scripture the things concerning Himself *King James Only Revised Dispensationalism* David E. Walker,2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2 15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book Bible Studies for Normal Classes, Assemblies, Bible Students, and Sunday-school Teachers Albert Elijah Dunning,1886 Proceedings of the ...
