Lectures on Revivals of Religion Charles G.

Finney, 2025-05 Revival Lectures by Charles G Finney is a powerful and convicting call for true Christian revival Finney a leading figure of the Second Great Awakening shares his firsthand experiences and biblical insights into the nature necessity and means of revival Far from being a passive event Finney argues that revival is the result of God's power working through the fervent prayers and obedience of His people He speaks directly to believers urging them to break up the fallow ground of their hearts seek the Lord with urgency and expect great things through faith With clarity and conviction Finney explains the conditions that lead to revival the dangers that hinder it and the practical steps that Christians must take to see the church renewed and sinners converted Originally delivered as a series of lectures to his congregation this book remains one of the most influential works on revival ever written It challenges both pastors and laypeople to examine their lives pray with passion and labor earnestly for the salvation of souls Wilt thou not revive us again that thy people may rejoice in thee Psalm 85:6 **Lectures on Revivals of Religion** William Buell Sprague, 1832

Lectures on Revival Charles Finney, Revival Press, 2016-05-19 I learned with pain that the spirit of revival
