Russianenglish Englishrussian Dictionary On Probability Statistics And Combinatorics:

Russian-English/English-Russian Dictionary on Probability, Statistics, and Combinatorics K. A. Borovkov,1994-01-01

Today almost all Russian language mathematical journals are translated into English however there remains an interest in and demand for the original Russian scientific literature This volume fulfills a need by scientists and translators for a dictionary with current terminology in probability theory mathematical statistics combinatorics and their applications Borovkov s dictionary which is the only one that translates from Russian to English and English to Russian in these subject areas will help specialists to read and understand Russian language texts covering these topics It is especially useful because it contains entries related to developments that have occurred in probability statistics and combinatorics over the past three decades Each half of the dictionary contains approximately 7 500 terms and expressions as well as the spelling of many names that appear in scientific and technical literature

Martha A. Tucker,Nancy D. Anderson,2004-09-30 This book is a reference for librarians mathematicians and statisticians involved in college and research level mathematics and statistics in the 21st century We are in a time of transition in scholarly communications in mathematics practices which have changed little for a hundred years are giving way to new modes of accessing information Where journals books indexes and catalogs were once the physical representation of a good mathematics library shelves have given way to computers and users are often accessing information from remote places Part I is a historical survey of the past 15 years tracking this huge transition in scholarly communications in mathematics Part II of the book is the bibliography of resources recommended to support the disciplines of mathematics and statistics These are grouped by type of material Publication dates range from the 1800 s onwards Hundreds of electronic resources some online both dynamic and static some in fixed media are listed among the paper resources Amazingly a majority of listed electronic resources are free

Mathematics across the Iron Curtain Christopher Hollings,2014-07-16 The theory of semigroups is a relatively young branch of mathematics with most of the major results having appeared after the Second World War This book describes the evolution of algebraic semigroup theory from its earliest origins to the establishment of a full fledged theory Semigroup theory might be termed Cold War mathematics because of the time during which it developed There were thriving schools on both sides of the Iron Curtain although the two sides were not always able to communicate with each other or even gain access to the other s publications A major theme of this book is the comparison of the approaches to the subject of mathematicians in East and West and the study of the extent to which contact between the two sides was possible

General Statistics Victor Aladjev,Vjacheslav Vaganov,2014-10-17 The book is a statistic course for undergraduate students in all fields of social and economic sciences The book presents a manual on a course General Statistics including a series of not quite traditional topics Above all it concerns the mathematical bases of statistics and use of computer technologies in statistic probing At that thematic choice of the chapters and sections of the book is caused not only by

interests and tastes of the authors but also by modern tendencies in applied statistics and orientation of the given work The book contains a series of concrete proposals for improvement of statistic practice many of them are based on our experience in practical statistical activity in statistical organs of USSR and Estonia A comparability aspect of the Soviet statistic school inheriting many traditions of the worldwide known Russian school of probability theory and statistics with western statistics can be a rather interesting to the English speaking reader Applied Mechanics Reviews ,1994 Bulletin Institute of Mathematics and Its Applications,1994 Bulletin - Institute of Mathematical Statistics Institute of Mathematical Statistics,1993 **Mathematical Reviews** ,1997 **Bulletin** ,1993 AMSTAT News ,1997 Rundbrief der Gesellschaft für Angewandte Mathematik und Mechanik Gesellschaft für Angewandte Mathematik und Mechanik,1994 Walford's Guide to Reference Material: Science and technology Albert John Walford,Library Association,1996 The Cumulative Book Index ,1995 A world list of books in the English language Subject Guide to Books in Print ,1991 *International Labour Documentation* International Labour Office.
