Emerson,2017-03-16 Idlers halted to wait for the appearance of the wedding party which was about to come forth Some of the younger spectators ran up the steps and peered in at the door for there was only a lame old purblind sexton on guard and he too seemed vastly interested in what was going on inside One glance down the main aisle of the great edifice revealed a much more elaborate scheme of decoration than usually appears at a church wedding Its main effect was the intertwining of French and American flags and as the bridal party turned from the altar the horizon blue uniform of the soldier bridegroom was a patch of vivid color that could not be mistaken The bride in her white gown and veil and wreath made it may be even a more prominent picture than did her husband But that was only to be expected perhaps for a girl on her wedding day and in the church is usually the focus of all eyes It must be confessed even her dearest friends must confess it there was another reason why she who only a moment before had been Jennie Stone quite filled the public eye Ruth Fielding on the St. Lawrence Alice B. Emerson,2014-04 The sudden joyous pealing of the organ could be heard upon the sidewalk before the stately church As there was a broad canopy from the door to the curb with a carpet laid down and motor cars standing in line it took no seer to proclaim that a wedding was in progress within Idlers halted to wait for the appearance of the wedding party which was about to come forth Some of the younger spectators ran up the steps and peered in at the door for there was only a lame old purblind sexton on guard and he too seemed vastly interested in what was going on inside *Ruth Fielding on the St. Lawrence* Alice B.
