Sacred Secrets Mike Neville, 2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand the ritual not just to memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy theologians and any other person interested in Freemasonry to see the links between ritual and scripture

T&T Clark Handbook of Food in the Hebrew Bible and Ancient Israel Janling Fu, Cynthia Shafer-Elliott, Carol Meyers, 2021-11-04 Food and feasting are key themes in the Hebrew Bible and the culture it represents The contributors to this handbook draw on a multitude of disciplines to offer an overview of food in the Hebrew Bible and ancient Israel Archaeological materials from biblical lands along with the recent interest in ethnographic data a new focus in anthropology and emerging technologies provide valuable information about ancient foodways The contributors examine not only the textual materials of the Hebrew Bible and related epigraphic works but also engage in a wider archaeological environmental and historical understanding of ancient Israel as it pertains to food Divided into five parts this handbook examines and considers environmental and socio economic issues such as climate and trade the production of raw materials and the technology of harvesting and food processing The cultural role of food and meals in festivals holidays and biblical regulations is also discussed as is the way food and drink are treated in biblical texts in related epigraphic materials and in iconography
