

The background of the image is a dramatic landscape. A bright sunburst is breaking through a cloudy sky, casting a golden glow over a body of water. The sun is positioned on the left side of the frame, and its light reflects off the water's surface. The sky is filled with soft, white clouds, and the water is a calm, light blue-grey color. In the foreground, there are some dark, silhouetted trees and rocks on the left and right sides, adding depth to the scene. The overall mood is serene and majestic.

Sabbath Time:

Sabbath Rest Mark Scarlata, 2019-04-30 Sabbath Rest considers the theological foundations of Christian sabbath keeping in first and second temple Judaism New Testament Christianity and in the early church The Sabbath Way Travis West, 2025-06-03 Experience the transformational power of the sacred ancient radical rhythm of Sabbath rest In the fast paced chaotic overly scheduled cadence of our culture it can be difficult to imagine how to squeeze the Sabbath into our already over stuffed lives like trying to fit an eleventh passenger into an eight passenger van What if Sabbath isn't designed to fit into our lives but rather to take over our lives in the best way imaginable Hebrew scholar and Old Testament professor Travis West believes that we've misunderstood what it means to truly Sabbath In his book The Sabbath Way Travis takes readers on a spiritual journey to discovering radical rest is more than a weekly practice of taking a day off it's also a posture a way of living every day It means much more than sleeping in taking naps or chilling poolside for an afternoon instead the radical rest of Sabbath means putting rest and delight gratitude and flourishing first rather than last Using personal story and expert knowledge Travis shows Christians how to make Sabbath rest the metronome that establishes and maintains our life's rhythms apprenticing us to abundance our whole life long Readers of this book will discover how the Sabbath slows us down helps us discover the things that make us feel most alive freeing us from rigidity and legalism disrupts our cultural obsession with productivity and achievement and cultivates a more life giving connection between our work and our worth inspires an unhurried sacramental worldview that sees all of life as a gift safeguards neighborliness creation care awareness of God's presence justice belonging and inclusiveness enabling us to grow into the people God is calling us to be in our lives our homes our workplaces our communities and our world The Spirit of God longs for you to be fully alive and the world needs your unique vitality The Sabbath is calling Will you come **The Concise Code of Jewish Law** Gerson Appel, 1977

Time, Space, and Society A. Kellerman, 2012-12-06 Time and space are two of the most basic dimensions of human life They envelop all human beings from birth to death As such they provide the context for human existence At the same time however time and space also serve as major influencing factors in mankind's actions Hence a vast literature has developed on time and space as separate dimensions and recently on time space as joint dimensions Interestingly enough the social connotations of time and space have mostly been studied with the individual human being in mind The more societal significance of time and space whether separately or jointly have been relatively neglected It is the purpose of this volume to help fill this lacuna through discussions on some of the many junctions of time space and society at large The discussion will naturally involve concepts and findings from more than just one discipline notably geography sociology social history and political science It is thus obvious that the topic may be highlighted from several perspectives Given my own education and work the approach will lean more to the geographical perspective Geography has a special merit as an integrating framework for the study of time space and society It is a discipline that has space at the center of its *raison d'être* and as such has

always striven for integration holism and comprehensiveness

The Coming of God Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jürgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

Yogamass Gena Davis,2017-04-21 YogaMass Embodying Christ Consciousness bridges yogic principles and practices with Christian spirituality and worship as a path for bringing the whole self body mind soul and spirit to the experience of spiritual awakening The author an ordained Episcopal priest weaves together spiritual practices from different traditions with her own discovery that yoga s ancient truths are complementary with Christian beliefs taking one deeper into the spiritual life in ways that people of diverse faiths can embrace Blending yogic practices with Christian spirituality and worship the Reverend Gena Davis has co created an exciting and powerful new practice of spiritual ritual and celebration called YogaMass that leads to embodying Christ Consciousness On and off the yoga mat this book points the way to discovering a whole self spiritual experience and connecting with God through an awakened open mind and heart I loved this book The author the Reverend Gena Davis shares the story of her amazing

spiritual journey that culminates in the creation of the world's first YogaMass service. This alone would make the book well worth reading, but throughout she integrates sacred writings, stories, and poems from spiritual masters of western and eastern spirituality, all the while never losing sight of her own Christian heritage. It is a remarkable accomplishment. You will be blessed by this book and want to share it with others.

The Reverend Dr. John K. Graham, president and CEO, Institute for Spirituality and Health at the Texas Medical Center, Houston, I am delighted and privileged to encourage those who seek to worship God with all that is within to pick up and digest this spiritual teaching presented by the Reverend Gena Davis. Gena has captured the importance of worshipping God with as the Psalmist uttered, "all that is within me." I am fascinated by the interplay of yoga and liturgy within these pages and find myself wanting to go deeper into both. I think the Reverend Davis is on to something that has been lacking in our Christian path and tradition. The interweaving of her personal narrative and the spiritual insights she gained through the study and practice of yoga unveils how God's truth makes itself known through many different paths.

The Reverend Dr. Richard Kleiman, retired Presbyterian pastor, *Yoga is an exploration based on experiential processes. It is defined by our own internal truth. Making Yoga universal but deeply personal is something Gena Davis expresses so beautifully.*
