Sacred Narrative Alan Dundes, **Religion in 50 More Words** Aaron W. Hughes, Russell T. McCutcheon, 2021-11-29 Religion in 50 More Words A Redescriptive Vocabulary provides a succinct historical social and political examination of some of the key words used in the modern study of religion Differing from the first volume s more theoretical focus this volume analyzes more common first order descriptive terms that are used throughout the field inviting readers to theorize their traditional vocabulary Topics covered include Atheism Theism Conversion Cult Evil Fundamentalism Idol Magic Pilgrimage Ritual Sacrifice Religion in 50 More Words submits such terms to a critical interrogation and subsequent redescription This paves the way for a collective and more critical reframing of the field The volume along with Religion in 50 Words provides an indispensable resource for students and academics working in the field of religious studies and cognate disciplines

Nation, Memory, Myth Steve Vizard, 2025-04-16 In Nation Memory Myth Steve Vizard brings an original perspective to the foundational myth of Gallipoli as a sacred bearer of Australian national values and identity In this scrupulously researched close reading of the Gallipoli mythology Vizard dissects the elements common to all national myths that transform them into compelling symbolic performances of cultural memory and kinship unpicking the tensions and explaining the ambiguities embodied within Nation Memory Myth offers the reader a challenging new look at the extraordinary vitality of myth as a unifying force that generates meaning for a nation and its citizens Only by understanding myth s evolution across time and by disentangling it from history memory and forgetting can we begin to sense what an Australia in the twenty first century may mean Whether you are an Anzacophile or an Anzacophobe Steve Vizard has provided a fascinating framework for understanding Anzac s imaginative stronghold over the Australian nation Clare Wright A tour de force of narrative synthesis an utter joy to read Professor Vizard leaps into the foundational myth of the Anzac and leads his readers through a complex tumultuous reading of the Gallipoli narrative to ask what is this thing this Australia Lucid engaging rigorous compelling Simply excellent Ian Maxwell M As a political and military event Gallipoli might well have been absurd Vizard shows that it is only as a myth that it achieves a grandeur which endures Thomas Kenneally

Studying Hinduism Sushil Mittal, Gene Thursby, 2009-01-19 This book is an indispensable

resource for students and researchers wishing to develop a deeper understanding of one of the world's oldest and most multifaceted religious traditions Sushil Mittal and Gene Thursby leading scholars in the field have brought together a rich variety of perspectives which reflect the current lively state of the field Studying Hinduism is the result of cooperative work by accomplished specialists in several fields that include anthropology art comparative literature history philosophy religious studies and sociology Through these complementary and exciting approaches students will gain a greater understanding of India's culture and traditions to which Hinduism is integral The book uses key critical terms and topics as points of entry into the subject revealing that although Hinduism can be interpreted in sharply contrasting ways and set in widely varying contexts it is endlessly fascinating and intriguing

Thinking Through Myths Kevin Schilbrack, 2003-09-02 Eight outstanding essays from leading academics deconstruct perennial problems of rationality imagination and narrative to trace the influence of myth in our own beliefs origins and potential futures Thinking Through Myths attempts to reconcile the opposed claims of pragmatism and beauty calling for the acknowledgement of myths in everyday experience

The Archetypal Cosmos Keiron Le Grice, 2011-06-09 The modern world is passing through a time of critical change on many levels cultural political ecological and spiritual We are witnessing the decline and dissolution of the old order the tumult and uncertainty of a new birth Against this background there is an urgent need for a coherent framework of meaning to lead us beyond the growing fragmentation of culture belief and personal identity Keiron Le Grice argues that the developing insights of a new cosmology could provide this framework helping us to discover an underlying order shaping our life experiences In a compelling synthesis of the ideas of seminal thinkers from depth psychology and the new paradigm sciences Le Grice positions the new discipline of archetypal astrology at the centre of an emerging world view that reunifies psyche and cosmos spirituality and science mythology and metaphysics and enables us to see mythic gods heroes and themes in a fresh light He draws especially on the work of C G Jung Joseph Campbell Richard Tarnas Fritjof Capra David Bohm and Brian Swimme

Heralding a rediscovery of the gods and the passage into a new spiritual era The Archetypal Cosmos presents a new understanding of the role of myth and archetypal principles in our lives one that could give a cosmic perspective and deeper meaning to our personal experiences

What Has Wittenberg to Do with Azusa? David J. Courey, 2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther's Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and

early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism

Hidden rituals and public performances Anna-Leena Siikala,Oleg Ulyashev,2011-08-22 Why are Khanty shamans still active What are the folklore collectives of Komi Why are the rituals of Udmurts performed at cultural festivals In their insightful ethnographic study Anna Leena Siikala and Oleg Ulyashev attempt to answer such questions by analysing the recreation of religious traditions myths and songs in public and private performances Their work is based on long term fieldwork undertaken during the 1990s and 2000s in three different places the Northern Ob region in North West Siberia and in the Komi and Udmurt Republics It sheds light on how different traditions are favoured and transformed in multicultural Russia today Siikala and Ulyashev examine rituals songs and festivals that emphasize specificity and create feelings of belonging between members of families kin groups villages ethnic groups and nations and interpret them from a perspective of area state and cultural policies A closer look at post Soviet Khanty Komi and Udmurts shows that opportunities to perform ethnic culture vary significantly among Russian minorities with different histories and administrative organisation Within this variation the dialogue between local and administrative needs is decisive

In Quest of the Historical Adam William Lane Craig, 2021-09-28 Was Adam a real historical person If so who was he and when did he live William Lane Craig sets out to answer these questions through a biblical and scientific investigation He begins with an inquiry into the genre of Genesis 1 11 determining that it can most plausibly be classified as mytho history a narrative with both literary and historical value He then moves into the New Testament where he examines references to Adam in the words of Jesus and the writings of Paul ultimately concluding that the entire Bible considers Adam the historical progenitor of the human race a position that must therefore be accepted as a premise for Christians who take seriously the inspired truth of Scripture Working from that foundation of biblical truth Craig embarks upon an interdisciplinary survey of scientific evidence to determine where Adam could be most plausibly located in the evolutionary history of humankind ultimately determining that Adam lived between 750 000 and 1 000 000 years ago as a member of the archaic human species *Homo heidelbergensis* He concludes by reflecting theologically on his findings and asking what all this might mean for us as human beings created in the image of God literally descended from a common ancestor albeit one who lived in the remote past

The Power of Language in the Making of International Law Stephane Beaulac, 2004-04-01 The purpose of this book is to enter into the history of the mental social phenomena that are the word sovereignty and the myth of Westphalia Given the circularity of language the project proposes to examine the reality creating role of language as an organic instrument of social power within humanity In semiotic terms the complex structures of words and also myths form part of sign systems in which they can both represent and create reality These are the passive and active functions of language which explain that words and myths not only represent and describe reality but may also play a leading part in creating and transforming reality thus demonstrating and being used to carry fabulous power within humanity The Peace of Westphalia is analysed to show that in spite of what actually took place in 1648 Westphalia has had an incredible social effect in international law standing for the proposition that it signalled the beginning of a new era based on state sovereignty However it is argued that Westphalia constitutes a myth an aetiological myth which has provided a way for society to explain itself to itself that is a way for international society to explain its genesis to itself As regards sovereignty it is shown that Jean Bodin introduced the word in *Six Livres* for the purpose of having the French ruler enjoy supreme power in the hierarchical organisation structure of society This is the original creative and transforming social effect on the shared consciousness of humanity for which the linguistic sign must be credited which has continued unaltered to this day With respect to *Droit des Gens* it is demonstrated that Emer de Vattel utilised and actually changed the reality associated with sovereignty also for a specific reason namely to

carry out its externalisation the ruling entity was now to enjoy exclusive power to govern which entailed being the sole representative of the people both internally and externally and also meant that it could not be submitted to any foreign state or to any higher law externally Vattel's use of the word has had an extraordinary effect on the shared consciousness of society including that of the emerging international society which is still very much present today These two archetype cases in which sovereignty developed show how this word has really had two paradigms over the years that is it has represented and created the two distinct realities of the internal and the international

Masonic Temples William D. Moore, 2006 In *Masonic Temples* William D Moore introduces readers to the structures American Freemasons erected over the sixty year period from 1870 to 1930 when these temples became a ubiquitous feature of the American landscape As representations of King Solomon's temple in ancient Jerusalem erected in almost every American town and city Masonic temples provided specially designed spaces for the enactment of this influential fraternity's secret rituals Using New York State as a case study Moore not only analyzes the design and construction of Masonic structures and provides their historical context but he also links the temples to American concepts of masculinity during this period of profound economic and social transformation By examining edifices previously overlooked by architectural and social historians Moore decodes the design and social function of Masonic architecture and offers compelling new insights into the construction of American masculinity Four distinct sets of Masonic ritual spaces the Masonic lodge room the armory and drill room of the Knights Templar the Scottish Rite Cathedral and the Shriners mosque form the central focus of this volume Moore argues that these spaces and their accompanying ceremonies communicated four alternative masculine archetypes to American Freemasons the heroic artisan the holy warrior the adept or wise man and the frivolous jester or fool Although not a Freemason Moore draws from his experience as director of the Chancellor Robert R Livingston Masonic Library in New York City where he utilized sources previously inaccessible to scholars His work should prove valuable to readers with interests in vernacular architecture material culture American studies architectural and social history Freemasonry and voluntary associations

Religion and Myth in the Marvel Cinematic Universe Michael D. Nichols, 2021-03-08 Breaking box office records the Marvel Cinematic Universe has achieved an unparalleled level of success with fans across the world raising the films to a higher level of narrative myth This is the first book to analyze the Marvel output as modern myth comparing it to epics symbols rituals and stories from world religious traditions This book places the exploits of Iron Man Captain America Black Panther and the other stars of the Marvel films alongside the legends of Achilles Gilgamesh Arjuna the Buddha and many others It examines their origin stories and rites of passage the monsters shadow selves and familial conflicts they contend with and the symbols of death and the battle against it that stalk them at every turn The films deal with timeless human dilemmas and questions evoking an enduring sense of adventure and wonder common across world mythic traditions
