New Mothers Home Companion

Linda W. Rosenzweig

New Mothers Home Companion:

Woman's Home Companion, 1915 *Easing Labor Pain* Adrienne Lieberman, 1992-05-16 Reassuring guide for expectant mothers to wide range of pain control options *Ladies' Home Companion*, 1908 **Anchor of My Life** Linda W. Rosenzweig, 1994-10 Relying on women's own words in letters and journals Rosenzweig refutes the prescriptive literature of the times with its dire predictions of inevitable rifts between Victorian mothers and their daughters the new women of the twentieth century Instead Rosenzweig shows us mothers who rejoiced in their daughters educational successes and while they did not always comprehend the nature of the changes taking place were only too happy to see their daughters escape some of their own restrictions and grief Extremely useful to scholars and teachers of women's history and family history The Anchor of My Life should also be fascinating to the general public for the accurate window that it provides on these complicated family relationship in our history Laurie Crumpacker Department of History Simmons College Drawing on a broad array of historical sources The Anchor of My Life challenges the common assumption that mother daughter relationships invariably are characterized by tensions and conflicts This lively and moving book deserves a wide audience Emily K Abel author of *Circles of Care Work and Identity in Women's Lives* The relationship between mothers and daughters has been the subject of much research and study in such fields as psychoanalysis sociology and women's studies But rarely has the history and evolution of this relationship been examined In The Anchor of My Life Linda W Rosenzweig draws on a wide range of primary sources letters diaries autobiographies prescriptive advice or self help literature and fiction to reveal the historical nuances of this pivotal relationship Rosenzweig's distinctive approach focuses on the interaction between mothers and daughters of the American middle class at the turn of the century revealing that mothers and daughters managed to sustain close nurturing relationships in an era marked by a major female generation gap in terms of aspirations and opportunities Illustrated with photographs and portraits of the time The Anchor of My Life provocatively challenges the facile late twentieth century assumption that the mother daughter relationship is necessarily defined by hostility guilt and antagonism **Women of the Far Right** Glen Jeansonne, 1996 The majority of American women supported the Allied cause during World War II and made sacrifices on the home front to benefit the war effort But U S intervention was opposed by a movement led by ultraright women whose professed desire to keep their sons out of combat was mixed with militant Christianity anticommunism and anti-Semitism This book is the first history of the self-styled mothers movement so called because among its component groups were the National Legion of Mothers of America the Mothers of Sons Forum and the National Blue Star Mothers Jeansonne examines the motivations of these women the political and social impact of their movement and their collaborations with men of the far right and also with mainstream isolationists such as Charles Lindbergh Drawing on files kept by the FBI and other confidential documents this book sheds light on the history of the war era and on women's place within the far right Gleason's Pictorial Drawing-room Companion Maturia Murray Ballou, 1851

The Musician ,1913 **Gleason's Pictorial Drawing-room Companion** ,1851 **Mother-Work** Molly Ladd-Taylor,2022-10-17 Early in the twentieth century maternal and child welfare evolved from a private family responsibility into a matter of national policy Molly Ladd Taylor explores both the private and public aspects of child rearing using the relationship between them to cast new light on the histories of motherhood the welfare state and women s activism in the United States Ladd Taylor argues that mother work women s unpaid work of reproduction and caregiving motivated women s public activism and maternalist ideology Mothering experiences led women to become active in the development of public health education and welfare services In turn the advent of these services altered mothering in many ways including the reduction of the infant mortality rate **Mother Jones Magazine** ,1987-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues The Empire of the Mother Mary P. Ryan,1982 This stimulating book is a comprehensive record of the antebellum period It examines various aspects of social history and intellectual history of that period in the context of the 19th century s cult of domesticity The development of the ideology of domesticity in this period and its implications are clearly explored in this startling and important feminist work *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1924 **Ballou's Pictorial Drawing-room Companion** ,1851 **Mother Jones** ,1978-01
Playthings ,1927 Babysitter Miriam Forman-Brunell,2009-07-26 In Babysitter Miriam Forman Brunell brings critical attention to the ubiquitous yet long overlooked babysitter in the popular imagination and American history from publisher description *Mother Jones Magazine* ,1977-12 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Mother Jones Magazine** ,1978-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Mother Jones Magazine** ,1978-07 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Mother Jones Magazine** ,1978-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues
