On Our Backs Sexual Attitudes In A Changing Ireland

Len Platt

On Our Backs Sexual Attitudes In A Changing Ireland:

On Our Backs Rosita Sweetman, 1979 **The Field Day Anthology of Irish Writing** Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991 Ireland's Women Katie Donovan, 1995 The women who appear in these pages are both well known and unknown real and invented They include for instance the fiery Elizabeth Fitzgerald who defended her castle so successfully and Granuaile the pirate queen from Galway Continuity, Change and Crisis in Contemporary Ireland Brian Girvin, Gary Murphy, 2013-10-18 The focus of this book is to analyse from a number of perspectives the politics of change in Ireland north and south since 1969 The emergence of the troubles in Northern Ireland the final push to gain entry to the EEC changing social mores and severe economic difficulties all begin to appear on the horizon at this stage While considerable change and indeed moments of extreme crisis have taken place in areas such as Northern Ireland the economy moral politics and Ireland's attitude towards the European Union continuity has also been a significant hallmark of Irish politics since 1969 This volume offers important perspectives and opens up new debates in explaining the phenomena of continuity change and crisis in contemporary Ireland New evidence on the origins of the troubles in Northern Ireland the Arms Crisis Ireland's relationship with Europe the process of social partnership and the politics of morality all offer important fresh insights into how contemporary Ireland has functioned Featuring a number of high profile scholars and uniquely dealing with both Northern Ireland and the Republic of Ireland this volume argues that the intriguing feature of recent Irish history is not the absence of change but the extent to which change has been mediated by the existing political cultures national traditions and long standing institutions of both north and south This book was based on a special issue of Irish Political Studies **The Transformation Of Ireland 1900-2000** Diarmaid Ferriter, 2010-07-09 A ground breaking history of the twentieth century in Ireland written on the most ambitious scale by a brilliant young historian It is significant that it begins in 1900 and ends in 2000 most accounts have begun in 1912 or 1922 and largely ignored the end of the century Politics and political parties are examined in detail but high politics does not dominate the book which rather sets out to answer the question What was it like to grow up and live in 20th century Ireland It deals with the North in a comprehensive way focusing on the social and cultural aspects not just the obvious political and religious divisions The impact of the Troubles on the Republic of Ireland, 1968-79 Brian Hanley, 2018-07-19 The first book to examine in detail the impact of the Northern Irish Troubles on southern Irish society This study vividly illustrates how life in the Irish Republic was affected by the conflict north of the border and how people responded to the events there It documents popular mobilization in support of northern nationalists the reaction to Bloody Sunday the experience of refugees and the popular cultural debates the conflict provoked For the first time the human cost of violence is outlined as are the battles waged by successive governments against the IRA Focusing on debates at popular level rather than among elites the book illustrates how the Troubles divided southern opinion and produced long lasting fissures Gay and Lesbian Activism in the Republic of

Ireland, 1973-93 Patrick McDonagh, 2021-10-07 This thematically arranged study traces the emergence of visible gay and lesbian communities across the Republic of Ireland and their impact on public perceptions of homosexuality. Along the way it explores the critical and hidden activism of lesbian women, the role of rural provincial activists, the importance of interactions with international gay and lesbian organisations, and the extent to which HIV and AIDS impacted the gay rights campaign. *Gay and Lesbian Activism in the Republic of Ireland 1973-93* focuses in particular on activists' efforts to engage with the different religious organisations in Ireland, the Trade Union movement, Irish political parties, and the media, and how these efforts in turn shaped the strategies and activities of gay and lesbian organisations. McDonagh argues that gay and lesbian activists mounted an effective campaign to improve both the legal and social climate for Ireland's gay and lesbian citizens. In doing so, gay and lesbian individuals were important agents of social and political change in the Republic of Ireland in the period from the 1970s to the early 1990s, particularly in relation to Irish sexual mores. The book also helps to contextualise the changes in perceptions of homosexuality that have taken place in recent years and encourages scholars of Irish history to further explore the contribution of Ireland's LGBTQ community in transforming Irish society in the 20th and 21st centuries.

Contraception and Modern Ireland Laura Kelly, 2023-02-23 The first history of contraception in twentieth-century Ireland to explore the lived experiences of Irish men and women and activists.

The Contemporary Irish Novel Linden Peach, 2017-03-14 This essential guide offers innovative critical readings of key contemporary novels from Ireland and Northern Ireland. Linden Peach discusses texts that are representative of the richness of Irish writing during the 1980s and 1990s and reads works by established authors alongside those by the new generation of writers. The novels examined include works by John Banville, Jennifer Johnston, Roddy Doyle, Emma Donoghue, Seamus Deane, William Trevor, Dermot Bolger, Joseph O'Connor, Patrick McCabe, Mary Morrissy, Glenn Patterson, and Robert McLiam Wilson. *The Contemporary Irish Novel* addresses themes such as ghosts and haunting, mimicry, obedience and subversion, the relocation and reinscription of identity, the mother figure, parent-child relations, madness, masculinity, self-harm, sexuality, domestic violence, fetishism, and postmodernity. Drawing on a range of critical approaches including postcolonial, gender, and psychoanalytic theory, Peach explores and celebrates the diversity of Irish fiction and suggests that the boundary between literature and theory is as permeable as that between Ireland and Northern Ireland.

Occasions of Sin Diarmaid Ferriter, 2010-07-09 Ferriter covers such subjects as abortion, pregnancy, celibacy, contraception, censorship, infanticide, homosexuality, prostitution, marriage, popular culture, social life, and the various hidden Irelands associated with sexual abuse, all in the context of a conservative official morality backed by the Catholic Church and by legislation. The book energetically and originally engages with subjects omitted from the mainstream historical narrative. The breadth of this book and the richness of the source material uncovered make it definitive in its field and a most remarkable work of social history.

Single Mothers in Twentieth-century Ireland and Britain Lorraine Grimes, 2025-08-21 Throughout the Twentieth Century many women in Ireland and Britain endured

shame and institutionalisation for becoming pregnant outside of marriage In this welcome study Lorraine Grimes examines the journeys made by hundreds of pregnant Irish women to Britain as they fled to escape their local communities Their experiences in Britain however were not free of stigma and Grimes's book analyses the nuances of the institutional networks both in Britain and Ireland which these women utilised *Single Mothers in Twentieth Century Ireland* and Britain focuses on the experiences of women from 1926-1973 in cities with high Irish emigrant populations including London Liverpool Birmingham and Glasgow Unlike official narratives such as Ireland's Commission of Investigation into the Mother and Baby Homes this book prioritises the experiences of the survivors and ensure that women's experiences are central to the narrative It also incorporates original interviews with children born in institutions and for the first time interviews with religious and medical staff are also included in the historiography Using archival research and oral history Grimes reveals the methods British and Irish institutions developed from forced adoption to repatriation and the impacts of this on the women and children's lives Grimes makes a significant contribution to the historiography surrounding the movement of women and children across international borders through repatriation and adoption between institutions on both sides of the Irish Sea From extensive archival research this book reveals cases of Irish single mothers seeking assistance in Britain as well as cases of rape incest and domestic violence within the institutional records In addition archival cases expose prejudice towards women from other colonial countries in institutions in Britain particularly from the 1960s A first for the field *Single Mothers* includes a chapter on the experiences of single fathers Sensitive to the underlying issues of class and gender politics the book also shows that women often enacted a large degree of agency to improve their situation If you are interested in women's political and social history and the history of the institutional relationships of Britain and Ireland this book is essential reading

Joyce and the Anglo-Irish Len Platt, 2022-06-08 *Joyce and the Anglo Irish* is a controversial new reading of the pre-Wake fictions Joining ranks with a number of recent studies that insist on the importance of historical contexts for understanding James Joyce Len Platt's account has a particular focus on issues of class and culture The Joyce that emerges from this radical reappraisal is a Catholic writer who assaults the Protestant makers of Ireland's traditional literary landscape Far from being indifferent to the Irish Literary Revival the James Joyce of Platt's book attacks and ridicules these revivalist writers and intellectuals who were claiming to construct the Irish nation Examining the aesthetics and politics of revivalist culture Len Platt's research produces a James Joyce who makes a crucial intervention in the cultural politics of nationalism The Joyce enterprise thus becomes centrally concerned both with a disposal of the essentialist culture produced by the tradition of Samuel Ferguson Standish O'Grady and W.B. Yeats and a redefining of the uncreated conscience of the race

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21 *Law and Gender in Modern Ireland Critique and Reform* is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than

at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland [The Triangular Constitution](#) Tom Flynn, 2019-05-16 This book offers a new account of modern European constitutionalism It uses the Irish constitutional order to demonstrate that right across the European Union the national constitution can no longer be understood on its own in isolation from the EU legal order or from the European Convention on Human Rights The constitution is instead triangular with these three legal orders forming the points of a triangle and the relationship and interactions between them forming the triangle s sides It takes as its starting point the theory of constitutional pluralism which suggests that overlapping constitutional orders are not necessarily arranged on top of each other but that they may be arranged heterarchically or flatly without a hierarchy of superior and subordinate constitutions However it departs from conventional accounts of this theory by emphasising that we must still pay close attention to jurisdictional specificity in order to understand the norms that regulate pluralist constitutions It shows through application of the theory to case studies that any attempt to extract universal principles from the jurisdictionally contingent interactions between specific legal orders is fraught with difficulty The book is an important contribution to constitutional theory in general and constitutional pluralism in particular and will be of great interest to scholars in the field **A History of Irish Autobiography** Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive

overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published Anthropology and Sexual Morality Carles Salazar,2006 The history of sexual morality in Ireland has been traditionally associated with repression In the last two decades however repression seems to have given way to its exact opposite But where did this repression originate And how can we account for this sudden and sweeping transformation in sexual mores Based on solid ethnographic and historical analysis of sexual morality in rural Ireland augmented by comparative data from Papua New Guinea and being informed by from Freud s emblematic concept of repression the author draws new conclusions that not only apply to the specific case of his Irish material but shed new light on the specific nature of an anthropological approach to the study of human societies Child Sexual Abuse Reported by Adult Survivors Sinéad Ring,Kate Gleeson,Kim Stevenson,2022-04-28 Child Sexual Abuse Reported by Adult Survivors is a wide ranging and timely critical history and analysis of legal responses to historical or non recent child sexual abuse NRCSA in England and Wales Ireland and Australia each of which represents an evolving and progressive approach to this important and complex issue The book examines the emergence of NRCSA as a distinctive social political and legal phenomenon in each country and explores the legal responses developed to address its unprecedented challenges Courts and parliaments in each country have reformed existing doctrine and practice and have created new ways of holding state and private actors accountable and new ways of addressing survivors injuries Criminal law tort law public inquiries and state reparations have all been to the forefront of these new legal responses which have transformed law s engagement with NRCSA survivors and understandings of justice itself However despite this undeniable progress the book identifies ways in which the legal responses developed in each country fail to deliver accountability and recognition to NRCSA survivors and argues that such failures betray the law s inherent ambivalence to delivering justice for these survivors Creating new insights into legal responses to this complex contemporary legal social and political problem this book will be of great interest to academic lawyers political scientists and historians as well as those working on related topics in criminology sociology social policy cultural studies and gender studies

The Border Diarmaid Ferriter,2019-02-07 Shortlisted for the An Post Irish Book Awards Non Fiction Book of the Year 2019 Anyone who wishes to understand why Brexit is so intractable should read this book I can think of several MPs who ought to The Times For the past two decades you could cross the border between Northern Ireland and the Republic half a dozen times without noticing or indeed turning off the road you were travelling It cuts through fields winds back and forth across roads and wends from Carlingford Lough to Lough Foyle It is frictionless a feat sealed by the Good Friday Agreement

Before that watchtowers loomed over border communities military checkpoints dotted the roads and smugglers slipped between jurisdictions This is a past that most are happy to have left behind but might it also be the future The border has been a topic of dispute for over a century first in Dublin Belfast and Westminster and post Brexit referendum in Brussels Yet despite the passions of Nationalists and Unionists in the North neither found deep wells of support in the countries they identified with politically British political leaders were often ignorant of the conflict s complexities rarely visited the border and privately disliked their erstwhile unionist allies Southern leaders anti partition statements masked relative indifference and unofficial cooperation with British security services From the 1920 Government of Ireland Act that created the border the Treaty and its aftermath through the Civil Rights Movement Thatcher the Troubles and the Good Friday Agreement up to the Brexit negotiations Ferriter reveals the political economic social and cultural consequences of the border in Ireland With the fate of the border uncertain The Border is a timely intervention by a renowned historian into one of the most contentious and misunderstood political issues of our time

Subaltern Ethics in Contemporary Scottish and Irish Literature S. Lehner, 2011-05-27 This book develops an innovative Irish Scottish postcolonial approach by galvanizing Emmanuel Levinas ethics with the socio cultural category of the subaltern It sheds new light on contemporary Scottish and Irish fiction exploring how these writings interact with the recent restructuring of the three state formations in Ireland and Scotland

The Crane Bag Book of Irish Studies (1977-1981) Mark Patrick Hederman, Richard Kearney, 1982

On Our Backs Sexual Attitudes In A Changing Ireland Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading On Our Backs Sexual Attitudes In A Changing Ireland free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading On Our Backs Sexual Attitudes In A Changing Ireland free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading On Our Backs Sexual Attitudes In A Changing Ireland free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading On Our Backs Sexual Attitudes In A Changing Ireland. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading On Our Backs Sexual Attitudes In A Changing Ireland any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About On Our Backs Sexual Attitudes In A Changing Ireland Books

What is a On Our Backs Sexual Attitudes In A Changing Ireland PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a On Our Backs Sexual Attitudes In A Changing Ireland PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a On Our Backs Sexual Attitudes In A Changing Ireland PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a On Our Backs Sexual Attitudes In A Changing Ireland PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a On Our Backs Sexual Attitudes In A Changing Ireland PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
