President Family Ministries Focus on the Family      **The Energies of Love** Donna Eden, David Feinstein, 2016-01-19 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting      [Confessions of a True Romantic](#) Gregory J.P Godek, 2003-11-01 Confessions of a True Romantic includes the wildly popular Romance Report Card which couples can use to assess their relationship And if the relationship doesn't make the grade here's everything lovers can do about it from heart to heart communication to bringing light fun and ease into an otherwise boring love life      **Marriage** Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues

surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God s design for marriage and be strengthened to stand firm amidst any challenges the world may bring
