Carlisle, 2016-04-01 Discover the secrets of the world's top concentrated value investors Concentrated Investing Strategies of the World's Greatest Concentrated Value Investors chronicles the virtually unknown but wildly successful value investors who have regularly and spectacularly blown away the results of even the world's top fund managers Sharing the insights of these top value investors expert authors Allen Benello Michael van Biema and Tobias Carlisle unveil the strategies that make concentrated value investing incredibly profitable while at the same time showing how to mitigate risk over time Highlighting the history and approaches of four top value investors the authors tell the fascinating story of the investors who dare to tread where few others have and the wildly successful track records that have resulted Turning the notion of diversification on its head concentrated value investors pick a small group of undervalued stocks and hold onto them through even the lean years The approach has been championed by Warren Buffett the best known value investor of our time but a small group of lesser known investors has also used this approach to achieve outstanding returns Discover the success of Lou Simpson a former GEICO investment manager and eventual successor to Warren Buffett at Berkshire Hathaway Read about Kristian Siem described as Norway's Warren Buffett and the success he has had at Siem Industries Concentrated Investing will quickly have you rethinking the conventional wisdom related to diversification and learning from the top concentrated value investors the world has never heard of      **Deep Value** Tobias E. Carlisle, 2014-08-18 The economic climate is ripe for

another golden age of shareholder activism Deep Value Why Activist Investors and Other Contrarians Battle for Control of Losing Corporations is a must read exploration of deep value investment strategy describing the evolution of the theories of valuation and shareholder activism from Graham to Icahn and beyond The book combines engaging anecdotes with industry research to illustrate the principles and methods of this complex strategy and explains the reasoning behind seemingly incomprehensible activist maneuvers Written by an active value investor Deep Value provides an insider's perspective on shareholder activist strategies in a format accessible to both professional investors and laypeople The Deep Value investment philosophy as described by Graham initially identified targets by their discount to liquidation value This approach was extremely effective but those opportunities are few and far between in the modern market forcing activists to adapt Current activists assess value from a much broader palate and exploit a much wider range of tools to achieve their goals Deep Value enumerates and expands upon the resources and strategies available to value investors today and describes how the economic climate is allowing value investing to re-emerge Topics include Target identification and determining the most advantageous ends Strategies and tactics of effective activism Unseating management and fomenting change Eyeing conditions for the next M A boom Activist hedge funds have been quiet since the early 2000s but economic conditions shareholder sentiment and available opportunities are creating a fertile environment for another golden age of activism Deep

Value Why Activist Investors and Other Contrarians Battle for Control of Losing Corporations provides the in depth information investors need to get up to speed before getting left behind The Four Filters Invention of Warren Buffett and Charlie Munger ( Second Edition ) Bud Labitan,2014-03-05 The Four Filters Invention of Warren Buffett and Charlie Munger examines each of the steps they perform in framing and making an investment decision The author believes that Buffett and Munger expanded the field of Behavioral Finance by using this thoughtful and effective process The genius of Buffett and Munger s four filters process was to capture all the important stakeholders in their decision making Imagine Products Enduring Customers Managers and Margin of Safety all in one mixed qual quant formula This second edition contains additional examples in this amazing process This edition also contains the author s look into their 1988 valuation of Coca Cola Each chapter has additional specific examples The author also discusses additional insights he has learned in the past five years since the first edition was released **The Conscious Investor** John Price,2010-10-26 An intriguing look at the full range of value methods brought together for the first time The biggest block to success in the stock market is unconscious investing or following the crowd without asking the right questions such as What is it really worth Even more fundamental is What rate of return can I confidently expect to get Without having the methods to answer these questions is like trying to sail a boat without a rudder The Conscious Investor covers each of the main methods used to calculate value or return in the stock market along with descriptions of how and when to use them as well as their strengths and weaknesses Interspersed throughout the methods are the timeless investment principles of Benjamin Graham and Warren Buffett The book Includes balance sheet methods dividend discount methods discounted cash flow methods price ratio methods and many others Explains the significance of viewing real value as a combination of a stock s price or market value and its intrinsic value Comes with free access to key functions in the author s Conscious Investor software The Conscious Investor is indispensable reading for everyone with an interest in investing in the stock market from novices to experienced professionals Using this book as your guide you ll quickly discover what it takes to be a conscious investor and gain more confidence in knowing what and when to buy when to hold and when to sell **The Oxford Handbook of International Investment Law** Peter Muchlinski,Federico Ortino,Christoph Schreuer,2008-06-26 The Oxford Handbooks series is a major new initiative in academic publishing Each volume offers an authoritative and state of the art survey of current thinking and research in a particular subject area Specially commissioned essays from leading international figures in the discipline give critical examinations of the progress and direction of debates Oxford Handbooks provide scholars and graduate students with compelling new perspectives upon a wide range of subjects in the humanities and social sciences The Oxford Handbook of International Investment Law aims to provide the first truly exhaustive account of the current state and future development of this important and topical field of international law The Handbook is divided into three main parts Part One deals with fundamental conceptual issues Part Two deals with the main substantive areas of law and Part Three deals with the major

procedural issues arising out of the settlement of international investment disputes The book has a policy oriented introduction setting the more technical chapters that follow in their policy environment within which contemporary norms for international foreign investment law are evolving The Handbook concludes with a chapter written by the editors to highlight the major conclusions of the collection to identify trends in the existing law and to look forward to the future development of this field The Snowball Alice Schroeder,2008-09-29 The biography of the world s richest man and the only book on Warren Buffett that has his full cooperation *Quantitative Value*, + *Web Site* Wesley R. Gray,Tobias E. Carlisle,2012-12-26 A must read book on the quantitative value investment strategy Warren Buffett and Ed Thorp represent two spectrums of investing one value driven one quantitative Where they align is in their belief that the market is beatable This book seeks to take the best aspects of value investing and quantitative investing as disciplines and apply them to a completely unique approach to stock selection Such an approach has several advantages over pure value or pure quantitative investing This new investing strategy framed by the book is known as quantitative value a superior market beating method to investing in stocks Quantitative Value provides practical insights into an investment strategy that links the fundamental value investing philosophy of Warren Buffett with the quantitative value approach of Ed Thorp It skillfully combines the best of Buffett and Ed Thorp weaving their investment philosophies into a winning market beating investment strategy First book to outline quantitative value strategies as they are practiced by actual market practitioners of the discipline Melds the probabilities and statistics used by quants such as Ed Thorp with the fundamental approaches to value investing as practiced by Warren Buffett and other leading value investors A companion Website contains supplementary material that allows you to learn in a hands on fashion long after closing the book If you re looking to make the most of your time in today s markets look no further than Quantitative Value **Decision Framing** Bud Labitan,2010-03-22 From the author of The Four Filters Invention of Warren Buffett and Charlie Munger Decision Framing is a look into the six core chapters of his second book Price To Value This book presents the four business investing decision filters of Buffett and Munger Then it extends these ideas by looking into the intelligent speculation ideal described by Benjamin Graham in his tenth lecture of 1946 This book is intended to inspire clearer thinking by suggesting a better approach to structuring a decision An improved approach to thinking rationally can take our skills from good to better Why offer this shorter book and call it Decision Framing The simple answer is Cost Price Since the cost of producing this shorter book in paperback form is lower this one can be offered to busy college students interested in learning more about business and decision science **Price to Value - Large Print Edition** Bud Labitan,2010-03-22 *Derivatives*, *Origins of Shareholder Advocacy* J. Koppell,2011-01-17 This volume deals with issues of widespread interest including the origins of investor rights in different markets the political legal and economic conditions that determine levels of shareholder participation and the implications of variation in investor rights El inversor inteligente Benjamin Graham,2019-03-26 A lo largo de los a os la evoluci n del mercado ha comprobado lo sabias

que han sido las estrategias enseñadas por Graham. A la vez que conserva la integridad del texto original esta edición revisada incluye comentarios actualizados del famoso periodista financiero Jason Zweig cuya perspectiva incorpora las realidades del mercado presente. Traza paralelismos entre los ejemplos de Graham y los titulares financieros actuales y brinda a los lectores una comprensión más plena de cómo hacer para aplicar dichos principios. Fundamental e indispensable. El inversor inteligente es el libro más importante que usted leerá jamás sobre cómo alcanzar sus objetivos en lo financiero.

**Cómo piensa Warren Buffett** Robert G. Hagstrom, 2024-08-22T00:00:00+02:00. En *Cómo piensa Warren Buffett dentro de la mente del mejor inversor del mundo* Hagstrom abre nuevos caminos con un profundo análisis de la sabiduría esencial de Buffett: un rico mosaico de ideas y conocimientos de muy diversos ámbitos de lo que Buffett llama Money Mind. Qué es exactamente una Money Mind. Por un lado es una forma de pensar sobre los grandes asuntos financieros como la asignación de capital. Por el otro es la síntesis de una mentalidad general para invertir con éxito en un mercado de valores que hoy alcanza unos ritmos vertiginosos: una mentalidad que se basa en el aprendizaje, la adaptación y el hacer caso omiso al ruido irrelevante. Este libro no es un método. Es un libro sobre formas de pensar. *Cómo piensa Warren Buffett dentro de la mente del mejor inversor del mundo* explica las filosofías de la confianza en uno mismo, el estoicismo, el racionalismo y el pragmatismo, y cómo contribuyen a las decisiones de inversión inteligentes. También se hace un repaso general de la evolución de la inversión en valor: se explica cómo desarrollar una mentalidad inversora orientada a la empresa y describe los rasgos que definen el éxito de la gestión activa. Por último analiza algunas facetas sorprendentes de una Money Mind: las del deportista, el maestro y el artista. En resumen, *Cómo piensa Warren Buffett dentro de la mente del mejor inversor* ayuda a los lectores a comprender los componentes básicos de una Money Mind para que puedan empezar a incorporar sus principios al servicio de una vida de valor.
