YESHUA, THE CRUCIFIED SERPENT Rowland Stenrud, 2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s Yeshua the Crucified Serpent is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13 1 13 the Bible as a whole and the reader s life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh s eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1

Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God's work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

The New Worship Awakening Robert E. Webber, 2007 The cultural shift since 2001 is very different than that of the 60's and 70's It is a culture tired of noise turned off by phoniness sick of glitz and wary of the superficial It is a culture that is searching for an authentic encounter with God longing for depth and substance craving quiet and spiritual contemplation and moved by visual tactile forms of communication The New Worship Awakening examines the wide array of worship styles from traditional to contemporary currently in practice in today's churches Webber makes a compelling case for renewing the vigor of the spiritual life of the church through two means grounding worship in the biblical narrative while at the same time integrating an understanding of worship traditions throughout history Through astute observations and personal experiences the author emphasizes that Christ can be encountered through the arts the services of the Christian year the Sacraments the singing of hymns and folk songs the passing of the peace the Liturgy and many other means that incorporate Christian worship styles through the ages He makes the all important point that worship today celebrates the same Christ who walked the earth two thousand years ago and that in true and lively worship there is divine action There is an action from above the Holy Spirit delivers Christ and the benefits of Christ's death and resurrection to the worshippers

Religious Celebrations Bloomsbury Publishing, 2011-09-13 This two volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe Religious Celebrations is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the

world's major religious communities as well as many of the minor faith traditions. The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries, providing information on numerous celebratory activities never before covered in a reference work. Offering the most comprehensive coverage of religious holidays ever assembled, this two-volume book covers festivals, commemorations, holidays, and annual religious gatherings all over the world, with special attention paid to the celebrations in larger countries. Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event, be it fasting or feasting, frenzied activity or the universal cessation of work, a huge gathering of the faithful en masse or a small family-centered event. The work spotlights celebrations that currently exist without overlooking now abandoned celebrations that still impact the modern world.

The Church of Christ Everett Ferguson, 1996. By systematically examining the New Testament's teaching, Ferguson unveils a comprehensive model of the church that is both biblically centered and relevant to a world on the verge of the twenty-first century.

Between Cross and Resurrection Alan E. Lewis, 2003-06-20. For much of Christian history, the church has given no place to Holy Saturday in its liturgy or worship. Yet the space dividing Calvary and the Garden may be the best place from which to reflect on the meaning of Christ's death and resurrection. This superb work by the late Alan Lewis develops on a grand scale and in great detail a theology of Holy Saturday. The first comprehensive theology of Holy Saturday ever written, *Between Cross and Resurrection* shows that at the center of the biblical story and the church's creed lies a three-day narrative. Lewis explores the meaning of Holy Saturday, the restless day of burial and waiting, from the perspectives of narrative, hearing the story, doctrine, thinking the story, and ethics. Living the story. Along the way, he visits as many spiritual themes as possible in order to demonstrate the range of topics that take on fresh meaning when viewed from the vantage point of Holy Saturday. *Between Cross and Resurrection* is not only incisive and elegantly written, but it is also a uniquely moving work deeply rooted in Christian experience. While writing this book, Lewis experienced his own Holy Saturday in suffering from and finally succumbing to cancer. He considered *Between Cross and Resurrection* to be the culmination of his life's work.
