Wright, 2015-02-26 With an all new introduction by the author N T Wright's classic work helps us grow in our understanding of the historical Jesus within first century Palestine while challenging us to follow Jesus more faithfully into the postmodern world of the twenty first century *Rediscovering Jesus* Tony Foster, 2022-01-25

Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world *Rediscovering Jesus* Dr. Tony Foster, 2022-01-25

Another Christ Andrew D. Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today's wounded world

Universal Christ is Back John Korsh, 2024-09-19 *The Universal Christ 2019* by Richard Rohr challenges traditional concepts of Christ taking us from an understanding that is very tightly tied to a historical person to one based on the ultimate principle in this universe The view is an ancient one it goes back to early Christian mysticism and theology The universal Christ is seen as always present in all creation beyond time and space It chimes fairly nicely with the Classical look at that Christ is just not limited to your body involving Jesus associated with Nazareth nevertheless a new phrase regarding

Rediscover Jesus Kelly Matthew, 2015-08-17 How well do you know Jesus I think about this often and I always come to the same realization I don't know Jesus anywhere near as well as I would like to know him The desire is there but life gets in the way There are times when I seem to be making great progress and other times when I wonder if I know him at all But I always arrive back at the same inspiring and haunting idea If there is one person that we should each get to know in a deeply personal way it is Jesus the carpenter from Nazareth the itinerant preacher the Son of God the King of Kings and the Lord of Lords the Lamb of God the new Adam the Messiah the Alpha and the Omega the Chosen One the Light of the World the God Man who wants good things for us more than we want them for ourselves the healer of our souls The best time to rediscover Jesus is right now You are holding this book in your hand at this very moment for a reason I don't know what God has in store for you but I am excited for you

Rediscovering Jesus in Our Places Elia Shabani Mligo, 2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people's religious lives is very urgent How is contextual theology relevant in the ever-changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty

rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches Quest ,1913 **The Historical Christ** Bp. Cameron,1997 **Ruining Christmas—Rediscovering Jesus** Carl N. Toney,2021-08-31 Did you know that the Christmas story almost wasn t told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We ll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus s genealogy is traced to Joseph if he s not Jesus s biological father We ll answer questions like these surrounding Jesus s legacy Maybe you ve asked what was the Bethlehem star Or have you heard that there wasn t an inn or innkeeper With these kinds of inquiries we ll look at the circumstances surrounding Jesus s birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we ll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we ll ruin some past misconceptions but in the process I promise that we ll rediscover Jesus **Rediscovering Church** Lynne Hybels,Bill Hybels,2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church s phenomenal growth from
