*The Rediscovery of the Frontier* Percy Holmes Boynton, 1970      **The Rediscovery of the Frontier, By Percy H. Boynton** Percy Holmes Boynton, 1968      **Frontiers of Historical Imagination** Kerwin Lee Klein, 1997 A thorough and breathtaking review of modern historiography anthropology and literary criticism as they relate to the American frontier Robert V Hine author of *Second Sight*      *The Rediscovery of America* Ned Blackhawk, 2023-04-25 A sweeping and overdue retelling of U S history that recognizes that Native Americans are essential to understanding the evolution of modern America The most enduring feature of U S history is the presence of Native Americans yet most histories focus on Europeans and their descendants This long practice of ignoring Indigenous history is changing however with a new generation of scholars insists that any full American history address the struggle survival and resurgence of American Indian nations Indigenous history is essential to understanding the evolution of modern America Ned Blackhawk interweaves five centuries of Native and non Native histories from Spanish colonial exploration to the rise of Native American self determination in the late twentieth century In this transformative synthesis he shows that European colonization in the 1600s was never a predetermined success Native nations helped shape England s crisis of empire the first shots of the American Revolution were prompted by Indian affairs in the interior California Indians targeted by federally funded militias were among the first casualties of the Civil War the Union victory forever recalibrated Native communities across the West twentieth century reservation activists refashioned American law and policy Blackhawk s retelling of U S history acknowledges the enduring power agency and survival of Indigenous peoples yielding a truer account of the United States and revealing anew the varied meanings of America      **The People's Republic of China at 60** William C. Kirby, 2020-10-26 In 2009 the Fairbank Center for Chinese Studies convened a major conference to discuss the health and longevity of China s ruling system and to consider a fundamental question After three decades of internal strife and turmoil followed by an era of reform entrepreneurialism and internationalization is the PRC here for the dynastic long haul Bringing together scholars and students of China from around the world the gathering witnessed an energetic exchange of views on four interrelated themes politics social transformations wealth and well being and culture belief and practice Edited and expanded from the original conference papers the wide ranging essays in this bilingual volume remain true to the conference s aim to promote open discussion of the past present and future of the People s Republic of China      **The End of American Exceptionalism** David M. Wrobel, 1993 A lucid and rewarding synthesis of cultural and western history Richard W Etulain author of *Writing Western History* Wrobel makes a fine contribution to the study of myth by analyzing the anxiety or angst Americans felt about the frontier in the half century after 1890 This is an excellent book on a big subject executed with much skill *Western Historical Quarterly* Direct admirably brief and crisply written *Journal of American History*      **Impossible Heights** Adnan Morshed, 2015-01-15 The advent of the airplane and skyscraper in 1920s and 30s America offered the population an entirely

new way to look at the world from above The captivating image of an airplane flying over the rising metropolis led many Americans to believe a new civilization had dawned In Impossible Heights Adnan Morshed examines the aesthetics that emerged from this valorization of heights and their impact on the built environment The lofty vantage point from the sky ushered in a modernist impulse to cleanse crowded twentieth century cities in anticipation of an ideal world of tomorrow Inspired by great new heights American architects became central to this endeavor and were regarded as heroic aviators Combining close readings of a broad range of archival sources Morshed offers new interpretations of works such as Hugh Ferriss s Metropolis drawings Buckminster Fuller s Dymaxion houses and Norman Bel Geddes s Futurama exhibit at the 1939 New York World s Fair Transformed by the populist imagination into master builders these designers helped produce a new form of visuality the aesthetics of ascension By demonstrating how aerial movement and height intersect with popular superman discourses of the time Morshed reveals the relationship between architecture art science and interwar pop culture Featuring a marvelous array of never before published illustrations this richly textured study of utopian imaginings illustrates America s propulsion into a new cultural consciousness **Your Library** ,1926 The Frontiers of Women's Writing Brigitte Georgi-Findlay,2022-05-10 Although the myth of the American frontier is largely the product of writings by men a substantial body of writings by women exists that casts the era of western expansion in a different light In this study of American women s writings about the West between 1830 and 1930 a European scholar provides a reconstruction and new vision of frontier narrative from a perspective that has frequently been overlooked or taken for granted in discussions of the frontier Brigitte Georgi Findlay presents a range of writings that reflects the diversity of the western experience Beginning with the narratives of Caroline Kirkland and other women of the early frontier she reviews the diaries of the overland trails letters and journals of the wives of army officers during the Indian wars professional writings focusing largely on travel by women such as Caroline Leighton from the regional publishing cultures that emerged in the Far West during the last quarter of the century and late nineteenth and early twentieth century accounts of missionaries and teachers on Indian reservations Most of the writers were white literate women who asserted their own kind of cultural authority over the lands and people they encountered Their accounts are not only set in relation to a masculine frontier myth but also investigated for clues about their own involvement with territorial expansion By exploring the various ways in which women writers actively contributed to and at times rejected the development of a national narrative of territorial expansion based on empire building and colonization the author shows how their accounts are implicated in expansionist processes at the same time that they formulate positions of innocence and detachment Georgi Findlay has drawn on American studies scholarship feminist criticism and studies of colonial discourse to examine the strategies of women s representation in writing about the West in ways that most theorists have not She critiques generally accepted stereotypes and assumptions both about women s writing and its difference of view in particular and about frontier discourse and the rhetoric of westward expansion in general as she

offers a significant contribution to literary studies of the West that will challenge scholars across a wide range of disciplines

Dark Directions Kendall R. Phillips, 2012-02-28 A Nightmare on Elm Street Halloween Night of the Living Dead These films have been indelibly stamped on moviegoers' psyches and are now considered seminal works of horror Guiding readers along the twisted paths between audience auteur and cultural history author Kendall R Phillips reveals the macabre visions of these films' directors in *Dark Directions* Romero Craven Carpenter and the Modern Horror Film Phillips begins by analyzing the works of George Romero focusing on how the body is used cinematically to reflect the duality between society and chaos concluding that the unconstrained bodies of the Living Dead films act as a critical intervention into social norms Phillips then explores the shadowy worlds of director Wes Craven In his study of the films *The Serpent and the Rainbow* *Deadly Friend* *Swamp Thing* *Red Eye* and *Shocker* Phillips reveals Craven's vision of technology as inherently dangerous in its ability to cross the gossamer thresholds of the gothic Finally the volume traverses the desolate frontiers of iconic director John Carpenter Through an exploration of such works as *Halloween* *The Fog* and *In the Mouth of Madness* Phillips delves into the director's representations of boundaries and the haunting consequences for those who cross them The first volume ever to address these three artists together *Dark Directions* is a spine-tingling and thought-provoking study of the horror genre In analyzing the individual works of Romero Craven and Carpenter Phillips illuminates some of the darkest minds in horror cinema
