China's most persecuted party. Their strategy in the Japan war when they failed to take up arms was short sighted and doctrinaire and they had scant impact on the revolution. Even so their association with Chen Duxiu and Wang Shiwei, their attachment to democracy and their critique of Mao's bureaucratic socialism brought them a scintilla of recognition after Mao's death. Their standpoints and proposals and their association with the democratic movement are not without relevance to China's present crisis of morals and authority.
