Josh sees himself as a moral man who knows the difference between right and wrong He is shocked to find that the line between right and wrong has disappeared in the New Ireland He sees a nation that has lost its values and he blames it on rampant greed corruption galloping secularism and neo liberalism Some readers may not like his rants and internal monologues His views will probably offend secularists politicians churchmen feminists and media people Josh could not care less He speaks his mind with the forthrightness of an Old Testament prophet *South Asian Diaspora in North America* Pramod Kumar Mishra,Urmila Mohapatra,2002 **Indian National Bibliography** B.
