Paris Grant Allen, 1906 **De-Bug** Raj Jayadev, Jean Melesaine, 2016-01-01 Stories of the dot com boom from everyone but the techies A raw look into the lives of residents bearing the brunt of gentrification HuffPost No shuttle buses here De Bug a new collection of true stories from the social justice organization of the same name shows a side of working in Silicon Valley that you won't read about in the business section As tech moguls land the cover of Forbes the South Bay's working class is making ends meet as metal scrappers factory workers club bouncers hairstylists rickshaw drivers ice cream cart pushers The stories in De Bug are poignant often very funny accounts of bootstrapping in the land of angel investors and thought leaders A construction worker predicts which of his customers are about to strike it rich and which are on the edge of bankruptcy based on the states of their swimming pools A secondhand hustler travels the garage sale flea market circuit in search of treasures to resell online A temp worker

at a medical device manufacturer sells his blood at the company's request to test the equipment. These storytellers are frank when discussing their own flaws but are equally up front about the rigged system in which they operate. Disruptive in the truest sense of the word, *De Bug* offers valuable insight into California's latest boomtown. Silicon Valley's less noticed denizens show an unexpected knack for grace, wit, and survival. Kentaro Toyama, author of *Geek Heresy*. If you truly want to know Silicon Valley in all of its complexity, then *De Bug* is a must-read. Tom's Jim nez, associate professor of sociology, Stanford University.

P.T. Mudd in the Land of Lies David Charnee, 2007-10. P. T. Mudd is a boy with an active imagination who loves to tell tall tales. But his wildest stories become reality when he discovers a magical stone that transports him to Muddlia, a land where he becomes the crown prince. There's only one problem: everyone in Muddlia believes everything they're told. So they naturally believe P. T. when he tells them that he is the greatest hero in the world, and they also trust him when he says that the Ultimate Evil of the Universe, Blotto Ratspaw, is putting together an army on the edge of their fair land. Although the people of Muddlia have never known war, they follow P. T.'s advice to create their own army to save Muddlia from Ratspaw. Joined by new friends Chicki Baby, a big blue talking chicken, and Belinda Bosh, a girl his own age who dreams of being a great champion, P. T. leads the trusting Muddlians off to war. As P. T. boldly leads his loyal subjects, things begin to go terribly wrong. Unexpectedly, P. T. and his army are fighting against a very real, very nasty enemy. Now P. T. must make an awful choice: Will he save the innocent Muddlians or think only of himself and escape back to home and safety?
