CHINU'S NOTES ON KNOW ALTERNATE

THERAPIES Sankaran Srinivasan,2021-06-09 We are a part of the vast sea of humanity that is searching the ultimate utopia mislead by the thought that successful careers and wads of currency will buy us a place here so in a bid to accumulate those wads and reach the pinnacle of successful careers we have surrendered our peace of mind unblemished souls and physical health the 24x7x365 culture has invaded this planet companies proudly flaunt the nonstop work culture slave driving their employees with promises of more greenbacks to compensate for the mental peace and happiness they have lost the taunt muscles the rigid jaws and the overstrained nerves are a few pointers to our unrelenting torture of the self So man today is sick because he thinks he is sick sickness and disease have no place in the life of person who does not accept and tolerate the self limiting thoughts which are real seeds of our myriad ailments we stand hypnotized by the belief that disease and illness are our fate and destiny rather than health and bliss which are truly our birth right and heritage in order to emerge from our mass hypnosis and collective hysteria and to experience health joy and creative fulfilment we must make a systematic application of holistic living through alternate therapies in our daily life The success of efficacy of alternate therapies he experienced provided the impetus inspiration to him to come with compendium of his documented collection over a decade in this book In effect this book makes a humble effort in finding a genuine and truly helpful lifeline for many people giving important popular alternate therapies in SINGLE WINDOW for ready reference self study and self treatment as its primary objective it is to help you live life to the hilt that his book has been written Life is not about toil and ambition alone it is about enjoying each moment it is learning to relax and take things in stride It is about the blissful enjoyment of the years

granted to us on this planet Believe me you will be more successful happier and contented if you pursue your career relationships and ambitions in a relaxed manner outlined in this book

Complementary and Alternative Medicine for Health Professionals Linda Baily Synovitz, Karl L. Larson, 2013 Highly researched and referenced Complementary and Alternative Medicine for Health Professionals A Holistic Approach to Consumer Health educates students about the many complementary and alternative medicine CAM modalities that are available in addition to the more traditional methods that exist Early chapters provide an overview of both traditional and alternative medicine scientific method and steps in scientific research and look at the cost of health care in the U S Later chapters introduce students to integrative medicine and provide a thorough overview of CAM practices employed today Topics that are covered include acupuncture meditation herbals and aromatherapy By reading this text students will become astute at distinguishing among those traditional and CAM health practices that are helpful those that have been scientifically tested and those that may offer no benefit Case studies throughout the text give students an opportunity to apply material and ideas to real life situations
