**The Pre-Reformation Records of All Saints', Bristol** All Saints' (Church : Bristol, England), 1995      **Prostitution and Social Control in Eighteenth-Century Ports** Marion Pluskota, 2018-10-24 In the last third of the eighteenth century Bristol and Nantes were two of the most active commercial ports of England and France despite a slowdown of their economy Their economies were based primarily on the maritime trade but they developed alongside Atlantic industries that attracted many migrants both male and female from the surrounding countryside and from abroad The busy urban environment the high number of sailors and single men migrating to the port and the decline of female house based proto industries were factors encouraging the development of prostitution How prostitution is perceived in the context of social control and urban change is key to understanding the evolving attitudes to gender and sexuality in the eighteenth century In this comparative

study Marion Pluskota offers an analysis of the lives of prostitutes that looks beyond a purely criminal perspective and which encompasses their roles within their families relationships and social networks Using police and judicial records she provides a valuable corrective to the narrow analysis of prostitutes in terms of immorality or deviance The unique forms of development and problems faced by port cities in the early modern period make them particularly interesting subjects for comparative history This book is well suited for those who study social history gender and women s history *Imagining Methodism in Eighteenth-Century Britain* Misty G. Anderson,2012-03-14 In the eighteenth century British Methodism was an object of both derision and desire Many popular eighteenth century works ridiculed Methodists yet often the very same plays novels and prints that cast Methodists as primitive irrational or deluded also betrayed a thinly cloaked fascination with the experiences of divine presence attributed to the new evangelical movement Misty G Anderson argues that writers actors and artists used Methodism as a concept to interrogate the boundaries of the self and the fluid relationships between religion and literature between reason and enthusiasm and between theater and belief *Imagining Methodism* situates works by Henry Fielding John Cleland Samuel Foote William Hogarth Horace Walpole Tobias Smollett and others alongside the contributions of John Wesley Charles Wesley and George Whitefield in order to understand how Methodism s brand of experimental religion was both born of the modern world and perceived as a threat to it Anderson s analysis of reactions to Methodism exposes a complicated interlocking picture of the religious and the secular terms less transparent than they seem in current critical usage Her argument is not about the lives of eighteenth century Methodists rather it is about Methodism as it was imagined in the work of eighteenth century British writers and artists where it served as a sign of sexual cognitive and social danger By situating satiric images of Methodists in their popular contexts she recaptures a vigorous cultural debate over the domains of religion and literature in the modern British imagination Rich in cultural and literary analysis Anderson s argument will be of interest to students and scholars of the eighteenth century religious studies theater and the history of gender

**The Church of England 1688-1832** Dr William Gibson,William Gibson,2012-10-12 A wide ranging new history of a key period in the history of the church in England from the Glorious Revolution of 1688 89 to the Great Reform Act of 1832 This was a tumultuous time for both church and state when the relationship between religion and politics was at its most fraught This book presents evidence of the widespread Anglican commitment to harmony between those of differing religious views and suggests that High and Low Churchmanship was less divergent than usually assumed

**The Sibyls of London** Susan Sommers,2018-04-25 Ebenezer Sibly was a quack doctor plagiarist and masonic ritualist in late eighteenth century London his brother Manoah was a respectable accountant and a pastor who ministered to his congregation without pay for fifty years The inventor of Dr Sibly s Reanimating Solar Tincture which claimed to restore the newly dead to life Ebenezer himself died before he turned fifty and stayed that way despite being surrounded by bottles of the stuff Asked to execute his will which urged the continued manufacture of Solar Tincture and left legacies for multiple and concurrent wives

as well as an illegitimate son whose name the deceased could not recall Manoh found his brother's record of financial and moral indiscretions so upsetting that he immediately resigned his executorship Ebenezer's death brought a premature conclusion to a colorfully chaotic life lived on the fringes of various interwoven esoteric subcultures Drawing on such sources as ratebooks and pollbooks personal letters and published sermons burial registers and horoscopes Susan Mitchell Sommers has woven together an engaging microhistory that offers useful revisions to scholarly accounts of Ebenezer and Manoh while placing the entire Sibly family firmly in the esoteric byways of the eighteenth and early nineteenth centuries The Sibyls of London provides fascinating insight into the lives of a family who lived just outside our usual historical range of vision

The Love of Strangers Nile Green,2020-10-13 How a group of Iranian students sought love and learning in Jane Austen's London In July 1815 six Iranian students arrived in London under the escort of their chaperone Captain Joseph D Arcy Their mission was to master the modern sciences behind the rapid rise of Europe Over the next four years they lived both the low life and high life of Regency London from being down and out after their abandonment by D Arcy to charming their way into society and landing on the gossip pages The Love of Strangers tells the story of their search for love and learning in Jane Austen's England Drawing on the Persian diary of the student Mirza Salih and the letters of his companions Nile Green vividly describes how these adaptable Muslim migrants learned to enjoy the opera and take the waters at Bath But there was more than frivolity to their student years in London Burdened with acquiring the technology to defend Iran against Russia they talked their way into the observatories hospitals and steam powered factories that placed England at the forefront of the scientific revolution All the while Salih dreamed of becoming the first Muslim to study at Oxford The Love of Strangers chronicles the frustration and fellowship of six young men abroad to open a unique window onto the transformative encounter between an Evangelical England and an Islamic Iran at the dawn of the modern age This is that rarest of books about the Middle East and the West a story of friendships Transactions - Bristol and Gloucestershire Archaeological Society Bristol and Gloucestershire Archaeological Society,1998 Proceedings of the Wesley Historical Society Wesley Historical Society,1995 List of members in v 4 5 7 10 A Crown and a Cross Andrew Goodhead,2010-04-09 This book critically reviews the origins development and decline of the Class Meeting Beginning with an overview of the religious and societal milieu from the sixteenth century and examining the heritage of John and Charles Wesley the inheritance John Wesley took from the past is studied The rise of the Anglican Unitary Societies is considered and Wesley's active work within those societies drawn out The arrival of the Moravians in London in 1738 to form a group for Germans resident in London influenced many of the Anglican society members not least the Wesley brothers These influences are also considered before the Methodist movement and particularly the Class Meeting are considered in detail This book is unique in its drawing together the manner of religious association experienced in the Evangelical Revival and aims to show how Methodism was a fusion of pre-existing ideas formed into a new working model of religious association Paramount to the success of the early

Methodist was the Class Meeting This book draws on testimony diary and journal records to provide first hand accounts of people s lives being changed through attendance at the Class Meeting and its making possible growth in grace and holiness In the early period of Methodism the Class Meeting was the crown to Methodist identity An analysis of the primary aims of this meeting which gave the Methodist people their distinct characteristics is followed by a study of the social identity and group processes that occurred when prospective members considered joining the Methodists The decline of the Class Meeting to 1791 forms the concluding chapters and using three classic sociological models Weber routinisation Durkheim totemism and Troeltsch primary secondary religion as themes the reasons why the class became a cross are examined Journal diary and testimonial material support the Methodists declining interest in the class that led to its irrelevance for a people seeking respectability rather than an immediate encounter with God Bristol, Africa, and the Eighteenth-century Slave Trade to America David Richardson,1986 **The Journal of the Friends' Historical Society** Friends' Historical Society,1996 **The Origins of Sex** Faramerz Dabhoiwala,2012-05 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God s forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture s attitudes toward sex occur In *The Origins of Sex* Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world s relationship to sex Deeply researched and powerfully argued *The Origins of Sex* is a major work of history **Heart Religion in the British Enlightenment** Phyllis Mack,2008-08-14 A fascinating account of the daily life and spirituality of early Methodists by a prize winning gender historian *Women and the shaping of British Methodism* Jennifer M. Lloyd,2013-07-19 A response to the prominent Methodist historian David Hempton s call to analyse women s experience within Methodism this book is the first to deal with British Methodist women preachers over the entire

nineteenth century The author covers women preachers in Wesley s lifetime the reason why some Methodist sects allowed women to preach and others did not and the experience of Bible Christian and Primitive Methodist female evangelists before 1850 She also describes the many other ways in which women supported their chapel communities The book also includes discussion of the careers of mid century women revivalists the opportunities home and foreign missions offered for female evangelism the emergence of deaconess evangelists and Sisters of the People in late century and the brief revival of female itinerancy among the Bible Christians
